

MVP In-Office Procedure List Effective June 1, 2021

Coverage for the procedures on this list are limited to the physician's office place of service. Claims submitted with a place of service other than the physician's office will be denied unless prior authorization is obtained. There may be additional prior authorization requirements needed for the procedure. Please see MVP's Prior Authorization list. Source of list is CMS data. Effective 06-01-2021
