A.M. Best Upgrades MVP Health Care's Financial Outlook

Following a comprehensive review of MVP's 2010 financial results earlier this year, the A.M. Best Company has upgraded MVP's overall financial outlook from Negative to Stable. This upgrade reflects MVP's improved financial performance.

A.M. Best also affirmed (left unchanged) the financial strength ratings for MVP's operating companies.

The ratings are as follows:

MVP Health Plan, Inc. and MVP Health Services Corp. B+
MVP Health Insurance Company and Preferred Assurance Company B
MVP Health Plan of New Hampshire
MVP Health Insurance Company of New Hampshire B-

Capitalization of all insurance subsidiaries is expected to continue to improve based on improved operating results.
