Important reminders and other information

Check that your doctor has prescribed the maximum days' supply allowed by your plan (not a 30-day supply), plus refills for up to 1 year, if appropriate. Also, ask your doctor or pharmacist about safe, effective, and less expensive generic drugs.

Complete the Health, Allergy & Medication Questionnaire.

There may be a limit to the balance that you can carry on your account. If this order takes you over the limit, you must include payment. Avoid delays in processing by using e-checks or a credit card. (See Section 3 for details.)

If you are a Medicare Part B beneficiary AND have private health insurance, check your prescription drug benefit materials to determine the best way to get Medicare Part B drugs and supplies. Or, call Member Services at the phone number on your Member ID card. To verify Medicare Part B prescription coverage, call Medicare at **1-800-MEDICARE (1-800-633-4227)**, which is available 24 hours a day, 7 days a week. TTY/ TDD users should call **1-877-486-2048**.

Medco will make all possible efforts, as appropriate by law, to substitute generic formulations of medication, unless you or your doctor specifically directs otherwise.

Pennsylvania and Texas laws permit pharmacists to substitute a less expensive generic equivalent for a brand-name drug unless you or your doctor directs otherwise.

Check the box if you do not wish a less expensive brand or generic drug.

Please note that this applies only to new prescriptions and to any refills of that prescription.

If you need additional information or assistance, visit us online at **www.mvphealthcare.com** or call Medco Customer Service at **1-800-514-8891**, 24 hours a day, 7 days a week. TTY/TDD users should call **1-800-716-3231**.

Federal law prohibits the return of dispensed controlled substances.

Place your prescription(s), this form, and your payment in the envelope provided. Be sure the Medco address shows through the window. Do not use staples or paper clips.
