

Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules.

	Review the full list of benefits found in the Evidence of Coverage (EOC), especially for those services that you routinely see a doctor. Visit joinmvpmedicare.com or call 1-800-324-3899 (TTY 711) to view a copy of the EOC.
	Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
	Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
	Review the Medicare Part D Formulary to make sure the drugs you currently take are covered, and determine if there are any restrictions. If your drug(s) are not listed or if there are additional requirements or limits on coverage, the Medicare Part D Formulary will also provide additional guidance on how you can ask MVP to make an exception to our rules.
Understanding Important Rules	
	In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
	Benefits, premiums, and/or co-payments/co-insurance may change on January 1, 2024.
	You may see providers outside of our network (non-contracted providers), however, you may pay a higher co-payment or co-insurance for services received by non-contracted providers. Out of network services for non-contracted providers are limited for HMO-POS plans. PPO members can utilize non-contracted providers. Urgent and emergent services are covered worldwide across all plans.

For MVP DualAccess (HMO D-SNP):

Understanding the Benefits

This plan is a dual eligible needs plan (D-SNP). Your ability to enroll will be based on verification that you are entitled to both Medicare and medical assistance from a state plan under Medicaid.

MVP Health Care restricts D-SNP enrollment to individuals who are deemed fully dual eligible by New York State.
