Aggregate (AGG): For any policy with two or more members, the family deductible must be met by any one or any combination of members before the plan will make payment. **Embedded (EMB):** Each member pays toward, but never exceeds, their individual deductible and/or OOPM until the larger family deductible and/or OOPM is met, after which, the plan makes payments for all members on the Contract. The term **Stacked** is used on Vermont Health Connect materials to define this deductible and/or OOPM structure.

Health benefit plans are issued and administered by MVP Health Plan, Inc.; MVP Health Insurance Company; MVP Select Care, Inc.; and MVP Health Services Corp., operating subsidiaries of MVP Health Care, Inc. Not all plans available in all states and counties.

Included on all MVP VT Plus plans! Members can get reimbursed up to \$600 per contract, per calendar year for well-being items, programs, and activities.
