Important Questions	Answers	Why This Matters:
What is the overall deductible ?	\$0.	See the Common Medical Events chart below for your costs for services this plan covers.
Are there services covered before you meet your deductible ?	Yes. Preventive care services are covered before you meet your deductible.	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan ?	Not Applicable.	This plan does not have an out-of-pocket limit on your expenses. If you have other family members in this plan, the overall family out-of-pocket limit must be met.
What is not included in the out-of-pocket limit ?	Not Applicable.	This plan does not have an out-of-pocket limit on your expenses.
Will you pay less if you use a network provider ?	Yes. See www.mvphealthcare.com or call 1-877-742-4181 for a list of network providers.	You pay the least if you use a provider in the IHCP tier. You pay more if you use a provider in the In-Network tier. You will pay the most if you use an Out-of-Network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist ?	No.	You can see the specialist you choose without a referral.
