SECTION II. How Your Coverage Works

A. Your Coverage Under this Certificate.

Your employer (referred to as the "Group") has purchased a Group HMO Contract from Us. We will provide the benefits described in this Certificate to covered Members of the Group, that is, to employees of the Group and their covered Dependents. However, this Certificate is not a contract between You and Us. You should keep this Certificate with Your other important papers so that it is available for Your future reference.

B. Covered Services.

You will receive Covered Services under the terms and conditions of this Certificate only when the Covered Service is:

- Medically Necessary;
- Provided by a Participating Provider;
- Listed as a Covered Service;
- Not in excess of any benefit limitations described in the Schedule of Benefits section of this Certificate; and
- Received while Your Certificate is in force.

When You are outside Our Service Area, coverage is limited to Emergency Services, Pre-Hospital Emergency Medical Services and ambulance services to treat Your Emergency Condition and Urgent Care.

C. Participating Providers.

To find out if a Provider is a Participating Provider:

- Check Our Provider directory, available at Your request;
- Call the number on Your ID card; or
- Visit Our website at **mvphealthcare.com**.

The Provider directory will give You the following information about Our Participating Providers:

- Name, address, and telephone number;
- Specialty;
- Board certification (if applicable);
- Languages spoken;
- Whether the Participating Provider is accepting new patients

You are only responsible for any Cost-Sharing that would apply to the Covered Services, if You

receive Covered Services from a Provider who is not a Participating Provider in the following situations:

- The Provider is listed as a Participating Provider in Our online Provider directory;
- Our paper Provider directory listing the Provider as a Participating Provider is incorrect as of the date of publication;
- We give You written notice that the Provider is a Participating Provider in response to Your telephone request for network status information about the Provider; or
- We do not provide You with a written notice within one (1) business day of Your telephone request for network status information.

In these situations, if a Provider bills You for more than Your Cost-Sharing and You pay the bill, You are entitled to a refund from the Provider, plus interest.

D. The Role of Primary Care Physicians.

This Certificate does not have a gatekeeper, usually known as a Primary Care Physician ("PCP").

E. Access to Providers and Changing Providers.

Sometimes Providers in Our Provider directory are not available. Prior to notifying Us of the PCP You selected, You should call the PCP to make sure he or she is a Participating Provider and is accepting new patients.

To see a Provider, call his or her office and tell the Provider that You are a MVP Health Plan, Inc. HMO Member, and explain the reason for Your visit. Have Your ID card available. The Provider's office may ask You for Your Group or Member ID number. When You go to the Provider's office, bring Your ID card with You.

To contact Your Provider after normal business hours, call the Provider's office. You will be directed to Your Provider, an answering machine with directions on how to obtain services, or another Provider. If You have an Emergency Condition, seek immediate care at the nearest Hospital emergency department or call 911.

You may change Your PCP by visiting Our website at mvphealthcare.com and selecting sign In/Register. Once signed in, click on Select or Change a Doctor from the menu on the left-hand side of the Manage Your account page. Then follow the online steps to change Your PCP. If You have questions or need additional assistance with changing Your PCP, You can contact the Customer Care Center at the phone number on the back of Your ID card.

If We do not have a Participating Provider for certain provider types in the county in which You live or in a bordering county that is within approved time and distance standards, We will

approve a Referral to a specific Non-Participating Provider until You no longer need the care or We have a Participating Provider in Our Network that meets the time and distance standards and Your care has been transitioned to that Participating Provider. Covered Services rendered by the Non-Participating Provider will be paid as if they were provided by a Participating Provider. You will be responsible only for any applicable In-Network Cost-Sharing.

F. Services Subject to Preauthorization.

Our Preauthorization is required before You receive certain Covered Services. Your PCP is responsible for requesting Preauthorization for in-network services

G. Preauthorization / Notification Procedure.

If You seek coverage for services that require Preauthorization or notification, Your Provider must call Us at the number on Your ID card.

- Your Provider must contact Us to request Preauthorization as follows:
At least two (2) weeks prior to a planned admission or surgery when Your Provider recommends inpatient Hospitalization. If that is not possible, then as soon as reasonably possible during regular business hours prior to the admission.
- At least two (2) weeks prior to ambulatory surgery or any ambulatory care procedure when Your Provider recommends the surgery or procedure be performed in an ambulatory surgical unit of a Hospital or in an Ambulatory Surgical Center. If that is not possible, then as soon as reasonably possible during regular business hours prior to the surgery or procedure.
- Within the first three (3) months of a pregnancy, or as soon as reasonably possible and again within 48 hours after the actual delivery date if Your Hospital stay is expected to extend beyond 48 hours for a vaginal birth or 96 hours for cesarean birth.
- Before air ambulance services are rendered for a non-Emergency Condition.

You must contact Us to provide notification as follows:

- As soon as reasonably possible when air ambulance services are rendered for an Emergency Condition.
- If You are hospitalized in cases of an Emergency Condition, You must call Us within 48 hours after Your admission or as soon thereafter as reasonably possible.

After receiving a request for approval, We will review the reasons for Your planned treatment

and determine if benefits are available. Criteria will be based on multiple sources which may include medical policy, clinical guidelines, and pharmacy and therapeutic guidelines.

H. Medical Management.

The benefits available to You under this Certificate are subject to pre-service, concurrent and retrospective reviews to determine when services should be Covered by Us. The purpose of these reviews is to promote the delivery of cost-effective medical care by reviewing the use of procedures and, where appropriate, the setting or place the services are performed. Covered Services must be Medically Necessary for benefits to be provided.

I. Medical Necessity.

We Cover benefits described in this Certificate as long as the health care service, procedure, treatment, test, device, Prescription Drug or supply (collectively, "service") is Medically Necessary. The fact that a Provider has furnished, prescribed, ordered, recommended, or approved the service does not make it Medically Necessary or mean that We have to Cover it.

We may base Our decision on a review of:

- Your medical records;
- Our medical policies and clinical guidelines;
- Medical opinions of a professional society, peer review committee or other groups of Physicians;
- Reports in peer-reviewed medical literature;
- Reports and guidelines published by nationally-recognized health care organizations that include supporting scientific data;
- Professional standards of safety and effectiveness, which are generally-recognized in the United States for diagnosis, care, or treatment;
- The opinion of Health Care Professionals in the generally-recognized health specialty involved;
- The opinion of the attending Providers, which have credence but do not overrule contrary opinions.

Services will be deemed Medically Necessary only if:

- They are clinically appropriate in terms of type, frequency, extent, site, and duration, and considered effective for Your illness, injury, or disease;
- They are required for the direct care and treatment or management of that condition;
- Your condition would be adversely affected if the services were not provided;
- They are provided in accordance with generally-accepted standards of medical practice;
- They are not primarily for the convenience of You, Your family, or Your Provider;

- They are not more costly than an alternative service or sequence of services, that is at least as likely to produce equivalent therapeutic or diagnostic results;
- When setting or place of service is part of the review, services that can be safely provided to You in a lower cost setting will not be Medically Necessary if they are performed in a higher cost setting. For example, We will not provide coverage for an inpatient admission for surgery if the surgery could have been performed on an outpatient basis or an infusion or injection of a specialty drug provided in the outpatient department of a Hospital if the drug could be provided in a Physician's office or the home setting.

See the Utilization Review and External Appeal sections of this Certificate for Your right to an internal Appeal and external appeal of Our determination that a service is not Medically Necessary.

J. Protection from Surprise Bills.

1. **Surprise Bills.** A surprise bill is a bill You receive for Covered Services in the following circumstances:

- For services performed by a non-participating Provider at a participating Hospital or Ambulatory Surgical Center, when:
 - A participating Provider is unavailable at the time the health care services are performed;
 - A non-participating Provider performs services without Your knowledge; or
 - Unforeseen medical issues or services arise at the time the health care services are performed.

A surprise bill does not include a bill for health care services when a participating Provider is available and You elected to receive services from a non-participating Provider.

- You were referred by a participating Physician to a Non-Participating Provider without Your explicit written consent acknowledging that the referral is to a Non-Participating Provider and it may result in costs not covered by Us. For a surprise bill, a referral to a Non-Participating Provider means:
 - Covered Services are performed by a Non-Participating Provider in the participating Physician's office or practice during the same visit;
 - The participating Physician sends a specimen taken from You in the participating Physician's office to a non-participating laboratory or pathologist; or

- For any other Covered Services performed by a Non-Participating Provider at the participating Physician's request, when Referrals are required under Your Certificate.

You will be held harmless for any Non-Participating Provider charges for the surprise bill that exceed Your Cost-Sharing. The Non-Participating Provider may only bill You for Your Cost-Sharing. You can sign a form to notify Us and the Non-Participating Provider that You received a surprise bill.

The form for surprise bills is available at www.dfs.ny.gov or You can visit Our website at **mvphealthcare.com** for a copy of the form. You need to mail a copy of the form to Us at the address on Our website; on Your Member ID card; for the Surprise Bill Certification form in the Important Telephone Numbers and Addresses paragraph below to Your Provider.

2. **Independent Dispute Resolution Process.** Either We or a Provider may submit a dispute involving a surprise bill to an independent dispute resolution entity ("IDRE") assigned by the state. The IDRE will determine whether Our payment or the Provider's charge is reasonable within 30 days of receiving the dispute.

K. Delivery of Covered Services Using Telehealth.

If Your Participating Provider offers Covered Services using telehealth, We will not deny the Covered Services because they are delivered using telehealth. Covered Services delivered using telehealth may be subject to utilization review and quality assurance requirements and other terms and conditions of the Certificate that are at least as favorable as those requirements for the same service when not delivered using telehealth. "Telehealth" means the use of electronic information and communication technologies, including telephone or video using smart phones or other devices by a Participating Provider to deliver Covered Services to You while Your location is different than Your Provider's location.

L. Case Management.

Case management helps coordinate services for Members with health care needs due to serious, complex, and/or chronic health conditions. Our programs coordinate benefits and educate Members who agree to take part in the case management program to help meet their health-related needs.

Our case management programs are confidential and voluntary. These programs are given at no extra cost to You and do not change Covered Services. If You meet program criteria and

agree to take part, We will help You meet Your identified health care needs. This is reached through contact and teamwork with You and/or Your authorized representative, treating Physician(s), and other Providers. In addition, We may assist in coordinating care with existing community-based programs and services to meet Your needs, which may include giving You information about external agencies and community-based programs and services.

In certain cases of severe or chronic illness or injury, We may provide benefits for alternate care through Our case management program that is not listed as a Covered Service. We may also extend Covered Services beyond the benefit maximums of this Certificate. We will make Our decision on a case-by-case basis if We determine the alternate or extended benefit is in the best interest of You and Us.

Nothing in this provision shall prevent You from appealing Our decision. A decision to provide extended benefits or approve alternate care in one case does not obligate Us to provide the same benefits again to You or to any other Member. We reserve the right, at any time, to alter or stop providing extended benefits or approving alternate care. In such case, We will notify You or Your representative in writing.

As part of our hospital discharge program you will be offered meals following an inpatient hospital discharge. MVP will contact you and offer you the option to receive 14 nutritious meals during a 7 day period to help you meet your nutritional needs and recover. If you choose to receive the meals, they will be delivered to your home by our partner NationsBenefits, LLC .

SECTION III. Access to Care and Transitional Care

A. Authorization to a Non-Participating Provider.

If We determine that We do not have a Participating Provider that has the appropriate training and experience to treat Your condition, We will approve an authorization to an appropriate Non-Participating Provider. Your Participating Provider; PCP must request prior approval of the authorization to a specific Non-Participating Provider. Approvals of authorizations to Non-Participating Providers will not be made for the convenience of You or another treating Provider and may not necessarily be to the specific Non-Participating Provider You requested. If We approve the authorization, all services performed by the Non-Participating Provider are subject to a treatment plan approved by Us in consultation with Your Participating Provider; PCP, the Non-Participating Provider and You. Covered Services rendered by the Non-Participating Provider will be covered as if they were provided by a Participating Provider. You will be responsible only for any applicable In-Network Cost-Sharing. In the event an authorization is not approved, any services rendered by a Non-Participating Provider will not be Covered.

B. When a Specialist Can Be Your Primary Care Physician.

If You have a life-threatening condition or disease or a degenerative and disabling condition or disease that requires specialty care over a long period of time, You may ask that a Specialist who is a Participating Provider be Your PCP. We will consult with the Specialist and Your PCP and decide whether the Specialist should be Your PCP. Any Referral will be pursuant to a treatment plan approved by Us in consultation with Your PCP, the Specialist and You. We will not approve a non-participating Specialist unless We determine that We do not have an appropriate Provider in Our network. If We approve a non-participating Specialist, Covered Services rendered by the non-participating Specialist pursuant to the approved treatment plan will be paid as if they were provided by a Participating Provider. You will only be responsible for any applicable In-Network Cost-Sharing.

C. Standing Referral to a Participating Specialist.

If You need ongoing specialty care, You may receive a standing Referral to a Specialist who is a Participating Provider. This means that You will not need a new Referral from Your PCP every time You need to see that Specialist. We will consult with the Specialist and Your PCP and decide whether You should have a standing Referral. Any Referral will be pursuant to a treatment plan approved by Us in consultation with Your PCP, the Specialist and You. The treatment plan may limit the number of visits, or the period during which the visits are authorized and may require the Specialist to provide Your PCP with regular updates on the specialty care provided as well as all necessary medical information. We will not approve a

standing Referral to a non-participating Specialist unless We determine that We do not have an appropriate Provider in Our network. If We approve a standing Referral to a non-participating Specialist, Covered Services rendered by the non-participating Specialist pursuant to the approved treatment plan will be paid as if they were provided by a Participating Provider. You will be responsible only for any applicable In-Network Cost-Sharing.

D. Specialty Care Center.

If You have a life-threatening condition or disease or a degenerative and disabling condition or disease that requires specialty care over a long period of time, You may request a Referral to a specialty care center with expertise in treating Your condition or disease. A specialty care center is a center that has an accreditation or designation from a state agency, the federal government or a national health organization as having special expertise to treat Your disease or condition. We will consult with Your PCP, Your Specialist, and the specialty care center to decide whether to approve such a Referral. Any Referral will be pursuant to a treatment plan developed by the specialty care center, and approved by Us in consultation with Your PCP or Specialist and You. We will not approve a Referral to a non-participating specialty care center unless We determine that We do not have an appropriate specialty care center in Our network. If We approve a Referral to a non-participating specialty care center, Covered Services rendered by the non-participating specialty care center pursuant to the approved treatment plan will be paid as if they were provided by a participating specialty care center. You will be responsible only for any applicable In-Network Cost-Sharing.

E. When Your Provider Leaves the Network.

If You are in an ongoing course of treatment when Your Provider leaves Our network, then You may continue to receive Covered Services for the ongoing treatment from the former Participating Provider for up to 90 days from the date Your Provider's contractual obligation to provide services to You terminates. If You are pregnant, You may continue care with a former Participating Provider through delivery and any postpartum care directly related to the delivery.

The Provider must accept as payment the negotiated fee that was in effect just prior to the termination of Our relationship with the Provider. The Provider must also provide Us necessary medical information related to Your care and adhere to our policies and procedures, including those for assuring quality of care, obtaining Preauthorization, authorizations, and a treatment plan approved by Us. You will receive the Covered Services as if they were being provided by a Participating Provider. You will be responsible only for any applicable Cost-Sharing. Please note that if the Provider was terminated by Us due to fraud, imminent harm to patients or final disciplinary action by a state board or agency that impairs the Provider's ability to practice, continued treatment with that Provider is not available.

F. New Members In a Course of Treatment.

If You are in an ongoing course of treatment with a Non-Participating Provider when Your coverage under this Certificate becomes effective, You may be able to receive Covered Services for the ongoing treatment from the Non-Participating Provider for up to 60 days from the effective date of Your coverage under this Certificate. This course of treatment must be for a life-threatening disease or condition or a degenerative and disabling condition or disease. You may also continue care with a Non-Participating Provider if You are in the second or third trimester of a pregnancy when Your coverage under this Certificate becomes effective. You may continue care through delivery and any post-partum services directly related to the delivery. In order for You to continue to receive Covered Services for up to 60 days or through pregnancy, the Non-Participating Provider must agree to accept as payment Our fees for such services. The Provider must also agree to provide Us necessary medical information related to Your care and to adhere to Our policies and procedures including those for assuring quality of care, obtaining Preauthorization, Referrals, and a treatment plan approved by Us. If the Provider agrees to these conditions, You will receive the Covered Services as if they were being provided by a Participating Provider. You will be responsible only for any applicable In-Network Cost-Sharing.

SECTION IV. Cost-Sharing Expenses and Allowed Amount

A. Deductible.

There is no Deductible for Covered Services under this Certificate during each Plan Year.

B. Copayments.

Except where stated otherwise, You must pay the Copayments, or fixed amounts, in the Schedule of Benefits section of this Certificate for Covered Services. However, when the Allowed Amount for a service is less than the Copayment, You are responsible for the lesser amount.

C. Coinsurance.

Except where stated otherwise, You must pay a percentage of the Allowed Amount for Covered Services. We will pay the remaining percentage of the Allowed Amount as Your benefit as shown in the Schedule of Benefits section of this Certificate. **You must also pay any charges of a Non-Participating Provider that are in excess of the Allowed Amount.**

D. Out-of-Pocket Limit.

When You have met Your Out-of-Pocket Limit in payment of Cost-Sharing for a Plan Year in the Schedule of Benefits section of this Certificate, We will provide coverage for 100% of the Allowed Amount for Covered Services for the remainder of that Plan Year. If You have other than individual coverage, once a person within a family meets the individual Out-of-Pocket Limit in the Schedule of Benefits section of this Certificate, We will provide coverage for 100% of the Allowed Amount for the rest of that Plan Year for that person. If other than individual coverage applies, when persons in the same family covered under this Certificate have collectively met the family Out-of-Pocket Limit in payment of Cost-Sharing for a Plan Year in the Schedule of Benefits section of this Certificate, We will provide coverage for 100% of the Allowed Amount for the rest of that Plan Year for the entire family.

Cost-Sharing for out-of-network services, except for Emergency Services and out-of-network services approved by Us as an in-network exception and out-of-network dialysis, does not apply toward Your Out-of-Pocket Limit.

E. Allowed Amount.

"Allowed Amount" means the maximum amount We will pay for the services or supplies Covered under this Certificate, before any applicable Copayment, Deductible and Coinsurance amounts are subtracted. We determine Our Allowed Amount as follows:

The Allowed Amount for Participating Providers will be the amount We have negotiated with the Participating Provider.

See the Emergency Services and Urgent Care section of this Certificate for the Allowed Amount for Emergency Services rendered by Non-Participating Providers. See the Ambulance and Pre-Hospital Emergency Medical Services section of this Certificate for the Allowed Amount for Pre-Hospital Emergency Medical Services rendered by Non-Participating Providers.

If You selected parent and child/children or family coverage, Children covered under this Certificate include Your natural Children, legally adopted Children, step Children, and Children for whom You are the proposed adoptive parent without regard to financial dependence, residency with You, student status or employment. A proposed adopted Child is eligible for coverage on the same basis as a natural Child during any waiting period prior to the finalization of the Child's adoption. Coverage lasts until the end of the month in which the Child turns 26 years of age. Coverage also includes Children for whom You are a permanent legal guardian if the Children are chiefly dependent upon You for support and You have been appointed the legal guardian by a court order or Children for whom You are granted legal custody by court order, who are not Your natural Children, legally adopted Children, step Children, and Children for whom You are the proposed adoptive parent, if the Children are chiefly dependent upon You for support. Foster children and grandchildren are not covered.

Any unmarried dependent Child, regardless of age, who is incapable of self-sustaining employment by reason of mental illness, developmental disability, (as defined in the New York Mental Hygiene Law), or physical disability and who became so incapable prior to attainment of

the age at which the Child's coverage would otherwise terminate and who is chiefly dependent upon You for support and maintenance, will remain covered while Your insurance remains in force and Your Child remains in such condition. You have 31 days from the date of Your Child's attainment of the termination age to submit an application to request that the Child be included in Your coverage and proof of the Child's incapacity. We have the right to check whether a Child is and continues to qualify under this section.

We have the right to request and be furnished with such proof as may be needed to determine eligibility status of a prospective or covered Subscriber and all other prospective or covered Members in relation to eligibility for coverage under this Certificate at any time.

D. When Coverage Begins.

Coverage under this Certificate will begin as follows:

1. If You, the Subscriber, elect coverage before becoming eligible, or within 30 days of becoming eligible for other than a special enrollment period, coverage begins on the date You become eligible, or on the date determined by Your Group. Groups cannot impose waiting periods that exceed 90 days.
2. If You, the Subscriber, do not elect coverage upon becoming eligible, or within 30 days of becoming eligible for other than a special enrollment period, You must wait until the Group's next open enrollment period to enroll, except as provided below.
3. If You, the Subscriber, marry while covered, and We receive notice of such marriage and any Premium payment within 30 days thereafter, coverage for Your Spouse and Child starts on the first day of the following month after We receive Your application. If We do not receive notice within 30 days of the marriage, You must wait until the Group's next open enrollment period to add Your Spouse or Child.
4. If You, the Subscriber, have a newborn or adopted newborn Child and We receive notice of such birth within 30 days thereafter, coverage for Your newborn starts at the moment of birth; otherwise, coverage begins on the date on which We receive notice. Your adopted newborn Child will be covered from the moment of birth if You take physical custody of the infant as soon as the infant is released from the Hospital after birth and You file a petition pursuant to Section 115-c of the New York Domestic Relations Law within 30 days of the infant's birth; and provided further that no notice of revocation to the adoption has been filed pursuant to Section 115-b of the New York Domestic Relations Law, and consent to the adoption has not been revoked. However, We will not

provide Hospital benefits for the adopted newborn's initial Hospital stay if one of the infant's natural parents has coverage for the newborn's initial Hospital stay. If You have individual or individual and Spouse coverage, You must also notify Us of Your desire to switch to parent and child/children or family coverage and pay any additional Premium within 30 days of the birth or adoption in order for coverage to start at the moment of birth. Otherwise, coverage begins on the date on which We receive notice, provided that You pay any additional Premium when due.

E. Special Enrollment Periods.

The following special enrollment periods apply to You if Your coverage is not SHOP-certified, meaning Your coverage has not been certified by the NYSOH to be offered to qualified small employers. You, Your Spouse or Child can also enroll for coverage within 30 days of the loss of coverage in another group health plan if coverage was terminated because You, Your Spouse or Child are no longer eligible for coverage under the other group health plan due to:

1. Termination of employment;
2. Termination of the other group health plan;
3. Death of the Spouse;
4. Legal separation, divorce or annulment;
5. Reduction of hours of employment;

We must receive notice and Premium payment within 30 days of one of these events. Your coverage will begin on the first day of the following month after We receive Your application. If You gain a Dependent or become a Dependent due to a birth, adoption, or placement for adoption, Your coverage will begin on the date of the birth, adoption or placement for adoption. In addition, You, Your Spouse or Child, can also enroll for coverage within 60 days of the occurrence of one of the following events:

A. Emergency Ambulance Transportation.

1. Pre-Hospital Emergency Medical Services. We Cover Pre-Hospital Emergency Medical Services for the treatment of an Emergency Condition when such services are provided by an ambulance service.

"Pre-Hospital Emergency Medical Services" means the prompt evaluation and treatment of an Emergency Condition and/or non-airborne transportation to a Hospital. The services must be provided by an ambulance service issued a certificate under the New York Public Health Law. We will, however, only Cover transportation to a Hospital provided by such an ambulance service when a prudent layperson, possessing an average knowledge of medicine and health, could reasonably expect the absence of such transportation to result in:

- Placing the health of the person afflicted with such condition or, with respect to a pregnant woman, the health of the woman or her unborn child in serious jeopardy, or in the case of a behavioral condition, placing the health of such person or others in serious jeopardy;
- Serious impairment to such person's bodily functions;
- Serious dysfunction of any bodily organ or part of such person; or
- Serious disfigurement of such person.

An ambulance service licensed under New York Public Health Law Article 30 must hold You harmless and may not charge or seek reimbursement from You for Pre-Hospital Emergency Medical Services except for the collection of any applicable Copayment, Deductible or Coinsurance.

In the absence of negotiated rates, We will pay a Non-Participating Provider the usual and customary charge for Pre-Hospital Emergency Medical Services, which shall not be excessive or unreasonable. The usual and customary charge for Pre-Hospital Emergency Medical Services is the lesser of the FAIR Health rate at the 80th percentile calculated using the place of pickup or the Provider's billed charges.

2. Emergency Ambulance Transportation. In addition to Pre-Hospital Emergency Medical

This coverage includes emergency ambulance transportation to a Hospital when the originating Facility does not have the ability to treat the Your Emergency Condition.

In the absence of negotiated rates, We will pay a Non-Participating Provider licensed under New York Public Health Law Article 30 the usual and customary charge for emergency ambulance transportation, which shall not be excessive or unreasonable. The usual and customary charge for emergency ambulance transportation is the lesser of the FAIR Health rate at the 80th percentile calculated using the place of pickup or the Provider's billed charges.

We will pay a Non-Participating Provider that is not licensed under New York Public Health Law Article 30 the amount We have negotiated with the Non-Participating Provider for the emergency ambulance transportation or the Non-Participating Provider's charge for the emergency ambulance transportation. However, the negotiated amount will not exceed the Non-Participating Provider's charge.

B. Non-Emergency Ground Ambulance Transportation.

We Cover non-emergency ground ambulance transportation by a licensed ambulance service between Facilities when the transport is any of the following:

- From a non-participating Hospital to a participating Hospital;
- To a Hospital that provides a higher level of care that was not available at the original Hospital;

- From an Acute care Facility to a sub-Acute setting.

In the absence of negotiated rates, We will pay a Non-Participating Provider licensed under New York Public Health Law Article 30 the usual and customary charge for non-emergency ambulance transportation, which shall not be excessive or unreasonable. The usual and customary charge for non-emergency ambulance transportation is the lesser of the FAIR Health rate at the 80th percentile calculated using the place of pickup or the Provider's billed charges.

We will pay a Non-Participating Provider that is not licensed under New York Public Health Law Article 30 the amount We have negotiated with the Non-Participating Provider for the non-emergency ambulance transportation or the Non-Participating Provider's charge for the non-emergency ambulance transportation. However, the negotiated amount will not exceed the Non-Participating Provider's charge.

C. Air Ambulance Services.

- 1. Emergency Air Ambulance Services.** We Cover emergency air ambulance transportation by a licensed ambulance service to the nearest Hospital where Emergency Services can be performed. This coverage includes emergency air ambulance transportation to a Hospital when the originating Facility does not have the ability to treat Your Emergency Condition.

 - From a non-participating Hospital to a participating Hospital;
 - To a Hospital that provides a higher level of care that was not available at the original Hospital;
 - To a more cost-effective Acute care Facility; or
 - From an Acute care Facility to a sub-Acute setting.
- 3. Payments for Air Ambulance Services.** We will pay a Participating Provider the amount We have negotiated with the Participating Provider for the air ambulance service.

We will pay a Non-Participating Provider the amount We have negotiated with the Non-Participating Provider for the air ambulance service or an amount We have determined is reasonable for the air ambulance service. However, the negotiated amount or the amount We determine is reasonable will not exceed the Non-Participating Provider's charge.

If a dispute involving a payment for air ambulance services is submitted to an independent dispute resolution entity (IDRE), We will pay the amount, if any, determined by the IDRE for the air ambulance services.

You are responsible for any Cost-Sharing for air ambulance services. The Non-Participating Provider may only bill You for Your Cost-Sharing. If You receive a bill from a Non-Participating Provider that is more than Your Cost-Sharing, You should contact Us.

D. Limitations/Terms of Coverage.

- We do not Cover travel or transportation expenses, unless connected to an Emergency Condition or due to a Facility transfer approved by Us, even though prescribed by a Physician.
- We do not Cover non-ambulance transportation such as ambulette, van or taxi cab.
- Coverage for air ambulance related to an Emergency Condition or air ambulance related to non-emergency transportation is provided when Your medical condition is such that transportation by land ambulance is not appropriate; and Your medical condition

- The point of pick-up is inaccessible by land vehicle; or
- Great distances or other obstacles (e.g., heavy traffic) prevent Your timely transfer to the nearest Hospital with appropriate facilities.

SECTION VIII. Emergency Services and Urgent Care

Please refer to the Schedule of Benefits section of this Certificate for Cost-Sharing requirements, day or visit limits, and any Preauthorization or Referral requirements that apply to these benefits.

A. Emergency Services.

We Cover Emergency Services for the treatment of an Emergency Condition in a Hospital.

We define an **“Emergency Condition”** to mean: A medical or behavioral condition that manifests itself by Acute symptoms of sufficient severity, including severe pain, such that a prudent layperson, possessing an average knowledge of medicine and health, could reasonably expect the absence of immediate medical attention to result in:

- Placing the health of the person afflicted with such condition or, with respect to a pregnant woman, the health of the woman or her unborn child in serious jeopardy, or in the case of a behavioral condition, placing the health of such person or others in serious jeopardy;
- Serious impairment to such person’s bodily functions;
- Serious dysfunction of any bodily organ or part of such person; or
- Serious disfigurement of such person.

For example, an Emergency Condition may include, but is not limited to, the following conditions:

- Severe chest pain
- Severe or multiple injuries
- Severe shortness of breath
- Sudden change in mental status (e.g., disorientation)
- Severe bleeding
- Acute pain or conditions requiring immediate attention such as suspected heart attack or appendicitis

Please follow the instructions listed below regardless of whether or not You are in Our Service

Area at the time Your Emergency Condition occurs:

- 1. Hospital Emergency Department Visits.** In the event that You require treatment for an Emergency Condition, seek immediate care at the nearest Hospital emergency department or call 911. If you are experiencing a mental health crisis, You may also call 988 for assistance. Emergency Department Care does not require Preauthorization. **However, only Emergency Services for the treatment of an Emergency Condition are Covered in an emergency department.** If You are uncertain whether a Hospital emergency department is the most appropriate place to receive care, You can call Us before You seek treatment.

We do not Cover follow-up care or routine care provided in a Hospital emergency department.

- 2. Emergency Hospital Admissions.** In the event that You are **admitted** to the Hospital, You or someone on Your behalf must notify Us at the number listed in this Certificate and on Your ID card within 48 hours of Your admission, or as soon as is reasonably possible.

We Cover inpatient Hospital services following Emergency Department Care at a non-participating Hospital at the In-Network Cost-Sharing. If Your medical condition permits Your transfer to a participating Hospital, We will notify You and work with You to arrange the transfer.

- 3. Payments Relating to Emergency Services.** We will pay a Participating Provider the amount We have negotiated with the Participating Provider for the Emergency Services.

We will pay a Non-Participating Provider the amount We have negotiated with the Non-Participating Provider for the Emergency Service or an amount We have determined is reasonable for the Emergency Service. However, the negotiated amount or the amount We determine is reasonable will not exceed the Non-Participating Provider's charge.

If a dispute involving a payment for Emergency Services is submitted to an independent dispute resolution entity ("IDRE"), We will pay the amount, if any, determined by the IDRE for the services.

You are responsible for any Cost-Sharing. You will be held harmless for any Non-Participating Provider charges that exceed Your Cost-Sharing. The Non-Participating

Provider may only bill You for Your Cost-Sharing. If You receive a bill from a Non-Participating Provider that is more than Your Cost-Sharing, You should contact Us.

B. Urgent Care.

Urgent Care is medical care for an illness, injury or condition serious enough that a reasonable person would seek care right away, but not so severe as to require Emergency Department Care. If You need care after normal business hours, including evenings, weekends or holidays, You have options. You can call Your Provider's office for instructions or visit an Urgent Care Center. If You have an Emergency Condition, seek immediate care at the nearest Hospital emergency department or call 911. **Urgent Care is Covered in or out of Our Service Area.**

- 1. In-Network.** We Cover Urgent Care from a participating Physician or a participating Urgent Care Center. You do not need to contact Us prior to or after Your visit.

If Urgent Care results in an emergency admission, please follow the instructions for emergency Hospital admissions described above.

Outpatient services also include nutritional counseling to treat a mental health condition.

Outpatient mental health care services also include outpatient care provided at a preschool, elementary, or secondary school by a school-based mental health clinic licensed pursuant to Mental Hygiene Law Article 31, regardless of whether the school-based mental health clinic is a Participating Provider. We will pay a Non-Participating Provider the amount We have negotiated with the Non-Participating Provider for the outpatient mental health care services. In the absence of a negotiated rate, We will pay an amount no less than the rate that would be paid under the Medicaid program. However, the negotiated amount or the amount paid under the Medicaid program will not exceed the Non-Participating Provider's charge. The school-based mental health clinic shall not seek reimbursement from You for outpatient services provided at a school-based mental health clinic except for Your In-Network Cost-Sharing.

3. Autism Spectrum Disorder. We Cover the following services when such services are prescribed or ordered by a licensed Physician or a licensed psychologist and are determined by Us to be Medically Necessary for the screening, diagnosis, or treatment of autism spectrum disorder. For purposes of this benefit, "autism spectrum disorder" means any pervasive developmental disorder defined in the most recent edition of the Diagnostic and Statistical Manual of Mental Disorders at the time services are rendered.

- i. **Screening and Diagnosis.** We Cover assessments, evaluations, and tests to determine whether someone has autism spectrum disorder.
- ii. **Assistive Communication Devices.** We Cover a formal evaluation by a speech-language pathologist to determine the need for an assistive communication device. Based on the formal evaluation, We Cover the rental or purchase of assistive communication devices when ordered or prescribed by a licensed Physician or a licensed psychologist if You are unable to communicate through normal means (i.e., speech or writing) when the evaluation indicates that an assistive communication device is likely to provide You with improved communication. Examples of assistive communication devices include communication boards and speech-generating devices. Coverage is limited to dedicated devices. We will only Cover devices that generally are not useful to a person in the absence of a communication impairment. We do not Cover items, such as, but not limited to, laptop, desktop or tablet computers. We Cover software and/or applications that enable a laptop, desktop or tablet computer to function as a speech-generating device. Installation of the program and/or technical support is not separately reimbursable. We will determine whether the device should be purchased or rented.

We Cover repair, replacement fitting and adjustments of such devices when made necessary by normal wear and tear or significant change in Your physical condition. We do not Cover the cost of repair or replacement made necessary because of loss or damage caused by misuse, mistreatment, or theft; however, We Cover one (1) repair or replacement per device type that is necessary due to behavioral issues. Coverage will be provided for the device most appropriate to Your current functional level. We do not Cover delivery or service charges or routine maintenance.

- iii. **Behavioral Health Treatment.** We Cover counseling and treatment programs that are necessary to develop, maintain, or restore, to the maximum extent practicable, the functioning of an individual. We will provide such Coverage when provided by a licensed Provider. We Cover applied behavior analysis when provided by a licensed or certified

applied behavior analysis Health Care Professional. "Applied behavior analysis" means the design, implementation, and evaluation of environmental modifications, using behavioral stimuli and consequences, to produce socially significant improvement in human behavior, including the use of direct observation, measurement, and functional analysis of the relationship between environment and behavior.

- v. **Therapeutic Care.** We Cover therapeutic services necessary to develop, maintain, or restore, to the greatest extent practicable, functioning of the individual when such services are provided by licensed or certified speech therapists, occupational therapists, physical therapists and social workers to treat autism spectrum disorder and when the services provided by such Providers are otherwise Covered under this Certificate. Except as otherwise prohibited by law, services provided under this paragraph shall be included in any visit maximums applicable to services of such therapists or social workers under this Certificate.
- vi. **Pharmacy Care.** We Cover Prescription Drugs to treat autism spectrum disorder that are prescribed by a Provider legally authorized to prescribe under Title 8 of the New York Education Law. Coverage of such Prescription Drugs is subject to all the terms, provisions, and limitations that apply to Prescription Drug benefits under this Certificate.
- vii. **Limitations.** We do not Cover any services or treatment set forth above when such services or treatment are provided pursuant to an individualized education plan under the New York Education Law. The provision of services pursuant to an individualized family service plan under New York Public Health Law Section 2545, an individualized education plan under New York Education Law Article 89, or an individualized service plan pursuant to regulations of the New York State Office for People With Developmental Disabilities shall not affect coverage under this Certificate for services provided on a supplemental basis outside of an educational setting if such services are prescribed by a licensed Physician or licensed psychologist.

You are responsible for any applicable Copayment, Deductible or Coinsurance provisions under this Certificate for similar services. For example, any Copayment, Deductible or Coinsurance that applies to physical therapy visits will generally also apply to physical

therapy services Covered under this benefit; and any Copayment, Deductible or Coinsurance for Prescription Drugs will generally also apply to Prescription Drugs Covered under this benefit. See the Schedule of Benefits section of this Certificate for the Cost-Sharing requirements that apply to applied behavior analysis services and assistive communication devices.

B. Substance Use Services. We Cover the following substance use services to treat a substance use disorder. For purposes of this benefit, "substance use disorder" means any substance use disorder as defined in the most recent edition of the Diagnostic and Statistical Manual of Mental Disorders.

This includes Coverage for detoxification and rehabilitation services for substance use disorders. Inpatient substance use services are limited to Facilities in New York State which are licensed, certified or otherwise authorized by the Office of Addiction Services and Supports("OASAS"); and, in other states, to those Facilities that are licensed, certified or otherwise authorized by a similar state agency and accredited by the Joint Commission or a national accreditation organization recognized by Us as alcoholism, substance abuse or chemical dependence treatment programs.

We also Cover inpatient substance use services relating to the diagnosis and treatment of substance use disorders received at Facilities that provide residential treatment, including room and board charges. Coverage for residential treatment services is limited to Facilities that are licensed, certified or otherwise authorized by OASAS; and, in other states, to those Facilities that are licensed, certified or otherwise authorized by a similar state agency and accredited by the Joint Commission or a national accreditation organization recognized by Us as alcoholism, substance abuse or chemical dependence treatment programs to provide the same level of treatment.

2. Outpatient Services. We Cover outpatient substance use services relating to the diagnosis and treatment of substance use disorders, including but not limited to partial hospitalization program services, intensive outpatient program services, opioid treatment programs including peer support services, counseling, and medication-assisted treatment. Such Coverage is limited to Facilities in New York State that are licensed, certified or otherwise authorized by OASAS to provide outpatient substance use disorder services and crisis stabilization centers licensed pursuant to New York Mental Hygiene Law section 36.01 and, in other states, to those that are licensed, certified or otherwise

authorized by a similar state agency and accredited by the Joint Commission or a national accreditation organization recognized by Us as alcoholism, substance abuse or chemical dependence treatment programs. Coverage in an OASAS-certified Facility includes services relating to the diagnosis and treatment of a substance use disorder provided by an OASAS credentialed Provider. Coverage is also available in a professional office setting for outpatient substance use disorder services relating to the diagnosis and treatment of alcoholism, substance use and dependency or by Physicians who have been granted a waiver pursuant to the federal Drug Addiction Treatment Act of 2000 to prescribe Schedule III, IV and V narcotic medications for the treatment of opioid addiction during the Acute detoxification stage of treatment or during stages of rehabilitation.

Additional Family Counseling. We also Cover up to 20 outpatient visits per Plan Year for family counseling. A family member will be deemed to be covered, for the purposes of this provision, so long as that family member: 1) identifies himself or herself as a family member of a person suffering from a substance use disorder; and 2) is covered under the same family Certificate that covers the person receiving, or in need of, treatment for a substance use disorder. Our payment for a family member therapy session will be the same amount, regardless of the number of family members who attend the family therapy session.

1. Definitions.

Terms used in this section are defined as follows. (Other defined terms can be found in the Definitions section of this Certificate).

- **Access Complaint:** Your complaint to Us when You cannot access a Participating Provider within the required Appointment Wait Time.
- **Appointment Wait Time:** The time from the initial request for outpatient mental health care or outpatient substance use services to the earliest date offered for the appointment for services.

2. Network Provider Access

When You request an appointment for outpatient mental health care or outpatient substance use services, a Participating Provider must offer You an appointment within the following Appointment Wait Times:

- Ten (10) business days for an initial appointment; and

- Seven (7) calendar days for an appointment following a discharge from a Hospital or an emergency room visit.

The above timeframes can be satisfied through a telehealth visit with a Participating Provider, unless You specifically request an in-person visit.

We have designated staff to assist You in finding a Participating Provider who can treat Your mental health condition or substance use disorder. You may contact Our designated staff by calling 1-844-687-0707, Monday-Friday, 8:00am-6:00pm EST.

If there is not a Participating Provider available within the Appointment Wait Time who can treat Your mental health condition or substance use disorder, You or Your designee may submit an Access Complaint to Us by calling 1-844-687-0707, by writing to us at MVP Health Care, Member Appeals Department, P.O. Box 2207, 625 State Street, Schenectady, NY 12301, or electronically by visiting Our website at **mvphealthcare.com** or by email at members@mvphealthcare.com.

Upon receipt of Your Access Complaint, We have three (3) business days to locate a Participating Provider who can (1) treat Your mental health condition or substance use disorder, (2) is able to meet the Appointment Wait Time, and (3) is located within a reasonable distance from You if You request an in-person appointment (rather than a telehealth appointment). If We cannot locate a Participating Provider who meets these requirements, We will:

- Notify You by telephone, if Your request was made by telephone, and in writing, that You may obtain an authorization to a Non-Participating Provider at the In-Network Cost-Sharing; and
- Approve an authorization to a Non-Participating Provider who:
 - Can treat Your mental health condition or substance use disorder;
 - Is able to meet the Appointment Wait Time;
 - Is located within a reasonable distance from You if You request an in-person appointment; and
 - Charges rates that are not excessive or unreasonable.

The authorization will remain in effect until the earlier of the following:

- The services are no longer Medically Necessary; or
- We locate a Participating Provider who:
 - Can treat Your mental health condition or substance use disorder;
 - Is able to meet the Appointment Wait Time;

- Is located within a reasonable distance from You if You request an in-person appointment; and
- Your treatment can be transitioned to the Participating Provider, unless We determine, in consultation with Your treating Provider, as appropriate, that such transition would be harmful to You.

Covered Services rendered by the Non-Participating Provider will be Covered by Us as if they were provided by a Participating Provider. You will be responsible only for any applicable In-Network Cost-Sharing. Any Cost-Sharing that would have applied had the services been received from a Participating Provider will apply toward Your In-Network Out-of-Pocket Limit.

See the Utilization Review and External Appeal sections of this Certificate for Your right to an internal Appeal and external Appeal of Our determination that a service is not Medically Necessary and the Grievance section of this Certificate for any other determination.

SECTION XIX. Utilization Review

A. Utilization Review.

We review health services to determine whether the services are or were Medically Necessary or experimental or investigational ("Medically Necessary"). This process is called Utilization Review. Utilization Review includes all review activities, whether they take place prior to the service being performed (Preauthorization); when the service is being performed (concurrent); or after the service is performed (retrospective). If You have any questions about the Utilization Review process, please call the number on Your ID card. The toll-free telephone number is available at least 40 hours a week with an after-hours answering machine.

Initial determinations that services are not Medically Necessary will be made by: 1) licensed Physicians; or 2) licensed, certified, registered or credentialed Health Care Professionals who are in the same profession and same or similar specialty as the Provider who typically manages Your medical condition or disease or provides the health care service under review; or 3) for mental health or substance use disorder treatment, licensed Physicians or licensed, certified, registered or credentialed Health Care Professionals who specialize in behavioral health and have experience in the delivery of substance use disorder courses of treatment. Appeal determinations that services are not Medically Necessary will be made by: 1) licensed Physicians who are board certified or board eligible in the same or similar specialty as the Provider who typically manages Your medical condition or disease or provides the health care service under review ; or 2) licensed, certified, registered or credentialed Health Care Professionals who are in the same profession and same or similar specialty as the Provider who typically manages Your medical condition or disease or provides the health care service under review; or 3) for mental health or substance use disorder treatment, licensed Physicians or licensed, certified, registered or credentialed Health Care Professionals who specialize in behavioral health and have experience in the delivery of mental health or substance use disorder courses of treatment. We do not compensate or provide financial incentives to Our employees or reviewers for determining that services are not Medically Necessary.

We have developed guidelines and protocols to assist Us in this process. We will use evidence-based and peer reviewed clinical review criteria that are appropriate to the age of the patient and designated by OASAS for substance use disorder treatment or approved for use by OMH for mental health treatment. Specific guidelines and protocols are available for Your review upon request. For more information, call 1-800-777-4793 or visit Our website at **mvphealthcare.com**.

You may ask that We send You electronic notification of a Utilization Review determination instead of notice in writing or by telephone. You must tell Us in advance if You want to receive electronic notifications. To opt into electronic notifications, call 1-800-777-4793 or visit Our website at **mvphealthcare.com**. You can opt out of electronic notifications at any time.

B. Preauthorization Reviews.

1. **Non-Urgent Preauthorization Reviews.** If We have all the information necessary to make a determination regarding a Preauthorization review, We will make a determination and provide notice to You (or Your designee) and Your Provider, by telephone and in writing, within three (3) business days of receipt of the request.

If We need additional information, We will request it within three (3) business days. You or Your Provider will then have 45 calendar days to submit the information. If We receive the requested information within 45 days, We will make a determination and provide notice to You (or Your designee) and Your Provider, by telephone and in writing, within three (3) business days of Our receipt of the information. If all necessary information is not received within 45 days, We will make a determination within 15 calendar days of the earlier of the receipt of part of the requested information or the end of the 45-day period.

2. **Urgent Preauthorization Reviews.** With respect to urgent Preauthorization requests, if We have all information necessary to make a determination, We will make a determination and provide notice to You (or Your designee) and Your Provider, by telephone, within 72 hours of receipt of the request. Written notice will be provided within three (3) business days of receipt of the request. If We need additional information, We will request it within 24 hours. You or Your Provider will then have 48 hours to submit the information. We will make a determination and provide notice to You (or Your designee) and Your Provider by telephone and in writing within 48 hours of the earlier of Our receipt of the information or the end of the 48 hour period. Written notification will be provided within the earlier of three (3) business days of Our receipt of the information or three (3) calendar days after the verbal notification.
3. **Court Ordered Treatment.** With respect to requests for mental health and/or substance use disorder services that have not yet been provided, if You (or Your designee) certify, in a format prescribed by the Superintendent of Financial Services, that You will be appearing, or have appeared, before a court of competent jurisdiction and may be subject to a court order requiring such services, We will make a determination

and provide notice to You (or Your designee) and Your Provider by telephone within 72 hours of receipt of the request. Written notification will be provided within three (3) business days of Our receipt of the request. Where feasible, the telephonic and written notification will also be provided to the court.

4. **Inpatient Rehabilitation Services Reviews.** After receiving a Preauthorization request for coverage of inpatient rehabilitation services following an inpatient Hospital admission provided by a Hospital or skilled nursing facility, We will make a determination and provide notice to You (or Your designee) and Your Provider, by telephone and in writing, within one (1) business day of receipt of the necessary information.
5. **Crisis Stabilization Centers.** Services provided by participating crisis stabilization centers licensed under Mental Hygiene Law section 36.01 and, in other states, those which are accredited by the joint commission as alcoholism or chemical dependence substance use treatment programs and are similarly licensed, certified or otherwise authorized in the state where the Facility is located, are not subject to Preauthorization. We may review the treatment provided by crisis stabilization centers retrospectively to determine whether it was Medically Necessary and We will use clinical review tools designated by OASAS or approved by OMH. If any treatment by a participating crisis stabilization center is denied as not Medically Necessary, You are only responsible for the In-Network Cost-Sharing that would otherwise apply to Your treatment.
6. **Preauthorization for Rabies Treatment.** Post-exposure rabies treatment authorized by a county health authority is sufficient to be considered Preauthorized by Us.

C. Concurrent Reviews.

1. **Non-Urgent Concurrent Reviews.** Utilization Review decisions for services during the course of care (concurrent reviews) will be made, and notice provided to You (or Your designee) and Your Provider, by telephone and in writing, within one (1) business day of receipt of all necessary information. If We need additional information, We will request it within one (1) business day. You or Your Provider will then have 45 calendar days to submit the information. We will make a determination and provide notice to You (or Your designee) and Your Provider, by telephone and in writing, within one (1) business day of Our receipt of the information or, if We do not receive the information, within the earlier of 15 calendar days of the receipt of part of the requested information or 15 calendar days of the end of the 45-day period.

2. **Urgent Concurrent Reviews.** For concurrent reviews that involve an extension of urgent care, if the request for coverage is made at least 24 hours prior to the expiration of a previously approved treatment, We will make a determination and provide notice to You (or Your designee) and Your Provider by telephone within 24 hours of receipt of the request. Written notice will be provided within one (1) business day of receipt of the request.

If the request for coverage is not made at least 24 hours prior to the expiration of a previously approved treatment and We have all the information necessary to make a determination, We will make a determination and provide written notice to You (or Your designee) and Your Provider within the earlier of 72 hours or one (1) business day of receipt of the request. If We need additional information, We will request it within 24 hours. You or Your Provider will then have 48 hours to submit the information. We will make a determination and provide written notice to You (or Your designee) and Your Provider within the earlier of one (1) business day or 48 hours of Our receipt of the information or, if we do not receive the information, within 48 hours of the end of the 48-hour period.

3. **Home Health Care Reviews.** After receiving a request for coverage of home care services following an inpatient Hospital admission, We will make a determination and provide notice to You (or Your designee) and Your Provider, by telephone and in writing, within one (1) business day of receipt of the necessary information. If the day following the request falls on a weekend or holiday, We will make a determination and provide notice to You (or Your designee) and Your Provider within 72 hours of receipt of the necessary information. When We receive a request for home care services and all necessary information prior to Your discharge from an inpatient hospital admission, We will not deny coverage for home care services while Our decision on the request is pending.
4. **Inpatient Substance Use Disorder Treatment Reviews.** If a request for inpatient substance use disorder treatment is submitted to Us at least 24 hours prior to discharge from an inpatient substance use disorder treatment admission, We will make a determination within 24 hours of receipt of the request and We will provide coverage for the inpatient substance use disorder treatment while Our determination is pending.
5. **Inpatient Mental Health Treatment at Participating Hospitals or Participating Crisis Residence Facilities Licensed or Operated by the Office of Mental Health (OMH).**
Inpatient mental health treatment at a participating Hospital as defined in New York

Mental Hygiene Law Section 1.03(10) or sub-acute mental health treatment at a participating crisis residence Facility that is licensed or operated by OMH is not subject to Preauthorization. If You are under 18 years of age, coverage is not subject to concurrent review for the first 14 days of the admission if the Hospital or Facility notifies Us of both the admission and the initial treatment plan within two (2) business days of the admission, performs daily clinical review, and participates in periodic consultation with Us to ensure that the Hospital or Facility is using the OMH-approved evidence-based and peer reviewed clinical review criteria utilized by Us and appropriate to Your age.

If You are 18 years of age or older, coverage is not subject to concurrent review during the first 30 days of the admission if the Hospital or Facility notifies Us of both the admission and the initial treatment plan within two (2) business days of the admission, performs daily clinical review, and participates in periodic consultation with Us to ensure that the Hospital or Facility is using the OMH-approved evidence-based and peer reviewed clinical review criteria utilized by Us and appropriate to Your age. However, We may perform concurrent review during the first 30 days if You meet clinical criteria designated by OMH or where You are admitted to a Hospital or Facility which has been designated by OMH for concurrent review.

Regardless of Your age, We may review the entire stay to determine whether it was Medically Necessary. If any portion of the stay is denied as not Medically Necessary, You are only responsible for the In-Network Cost-Sharing that would otherwise apply to Your admission.

6. **Inpatient Substance Use Disorder Treatment at Participating Facilities Licensed, Certified or Otherwise Authorized by OASAS.** Inpatient substance use disorder treatment at a participating Facility that is licensed, certified or otherwise authorized by OASAS is not subject to Preauthorization. Coverage will not be subject to concurrent review for the first 28 days of the inpatient admission if the Facility notifies Us of both the admission and the initial treatment plan within two (2) business days of the admission. After the first 28 days of the inpatient admission, We may review the entire stay to determine whether it is Medically Necessary and We will use clinical review tools designated by OASAS. If any portion of the stay is denied as not Medically Necessary, You are only responsible for the In-Network Cost-Sharing that would otherwise apply to Your inpatient admission.

7. **Outpatient Substance Use Disorder Treatment at Participating Facilities Licensed,**

Certified or Otherwise Authorized by OASAS. Outpatient, intensive outpatient, outpatient rehabilitation and opioid treatment at a participating Facility that is licensed, certified or otherwise authorized by OASAS is not subject to Preauthorization. Coverage will not be subject to concurrent review for the first four (4) weeks of continuous treatment, not to exceed 28 visits, if the Facility notifies Us of both the start of treatment and the initial treatment plan within two (2) business days. After the first four (4) weeks of continuous treatment, not to exceed 28 visits, We may review the entire outpatient treatment to determine whether it is Medically Necessary and We will use clinical review tools designated by OASAS. If any portion of the outpatient treatment is denied as not Medically Necessary, You are only responsible for the In-Network Cost-Sharing that would otherwise apply to Your outpatient treatment.

D. Retrospective Reviews.

If We have all information necessary to make a determination regarding a retrospective claim, We will make a determination and notify You and Your Provider within 30 calendar days of the receipt of the request. If We need additional information, We will request it within 30 calendar days. You or Your Provider will then have 45 calendar days to provide the information. We will make a determination and provide notice to You and Your Provider in writing within 15 calendar days of the earlier of Our receipt of all or part of the requested information or the end of the 45-day period.

Once We have all the information to make a decision, Our failure to make a Utilization Review determination within the applicable time frames set forth above will be deemed an adverse determination subject to an internal Appeal.

E. Retrospective Review of Preauthorized Services.

We may only reverse a preauthorized treatment, service or procedure on retrospective review when:

- The relevant medical information presented to Us upon retrospective review is materially different from the information presented during the Preauthorization review;
- The relevant medical information presented to Us upon retrospective review existed at the time of the Preauthorization but was withheld or not made available to Us;
- We were not aware of the existence of such information at the time of the Preauthorization review; and
- Had We been aware of such information, the treatment, service or procedure being requested would not have been authorized. The determination is made using the same specific standards, criteria or procedures as used during the Preauthorization review.

F. Reconsideration.

If We did not attempt to consult with Your Provider who recommended the Covered Service before making an adverse determination, the Provider may request reconsideration by the same clinical peer reviewer who made the adverse determination or a designated clinical peer reviewer if the original clinical peer reviewer is unavailable. For Preauthorization and concurrent reviews, the reconsideration will take place within one (1) business day of the request for reconsideration. If the adverse determination is upheld, a notice of adverse determination will be given to You and Your Provider, by telephone and in writing.

G. Utilization Review Internal Appeals.

You, Your designee, and, in retrospective review cases, Your Provider, may request an internal Appeal of an adverse determination, either by phone, in person, or in writing.

You have up to 180 calendar days after You receive notice of the adverse determination to file an Appeal. We will acknowledge Your request for an internal Appeal within 15 calendar days of receipt. This acknowledgment will include the name, address, and phone number of the person handling Your Appeal and, if necessary, inform You of any additional information needed before a decision can be made. The Appeal will be decided by a clinical peer reviewer who is not subordinate to the clinical peer reviewer who made the initial adverse determination and who is 1) a Physician or 2) a Health Care Professional in the same or similar specialty as the Provider who typically manages the disease or condition at issue.

1. **Out-of-Network Service Denial.** You also have the right to Appeal the denial of a Preauthorization request for an out-of-network health service when We determine that the out-of-network health service is not materially different from an available in-network health service. A denial of an out-of-network health service is a service provided by a Non-Participating Provider, but only when the service is not available from a Participating Provider. For a Utilization Review Appeal of denial of an out-of-network health service, You or Your designee must submit:
 - A written statement from Your attending Physician, who must be a licensed, board-certified or board-eligible Physician qualified to practice in the specialty area of practice appropriate to treat Your condition, that the requested out-of-network health service is materially different from the alternate health service available from a Participating Provider that We approved to treat Your condition; and
 - Two (2) documents from the available medical and scientific evidence that the out-of-network service: 1) is likely to be more clinically beneficial to You than the alternate in-network service; and 2) that the adverse risk of the out-of-network service would likely not be substantially increased over the in-network health service.

2. **Out-of-Network Referral Denial.** You also have the right to Appeal the denial of a request for a Referral to a Non-Participating Provider when We determine that We have a Participating Provider with the appropriate training and experience to meet Your particular health care needs who is able to provide the requested health care service. For a Utilization Review Appeal of an out-of-network Referral denial, You or Your designee must submit a written statement from Your attending Physician, who must be a licensed, board-certified or board-eligible Physician qualified to practice in the specialty area of practice appropriate to treat Your condition:
 - That the Participating Provider recommended by Us does not have the appropriate training and experience to meet Your particular health care needs for the health care service; and
 - Recommending a Non-Participating Provider with the appropriate training and experience to meet Your particular health care needs who is able to provide the requested health care service.

H. First Level Appeal.

1. **Preatuthorization Appeal.** If Your Appeal relates to a Preatuthorization request, We will decide the Appeal within 15 calendar days of receipt of the Appeal request. Written notice of the determination will be provided to You (or Your designee), and where appropriate, Your Provider, within two (2) business days after the determination is made, but no later than 15 calendar days after receipt of the Appeal request.
2. **Retrospective Appeal.** If Your Appeal relates to a retrospective claim, We will decide the Appeal within 30 calendar days of receipt of the Appeal request. Written notice of the determination will be provided to You (or Your designee), and where appropriate, Your Provider, within two (2) business days after the determination is made, but no later than 30 calendar days after receipt of the Appeal request.
3. **Expedited Appeal.** An Appeal of a review of continued or extended health care services, additional services rendered in the course of continued treatment, home health care services following discharge from an inpatient Hospital admission, services in which a Provider requests an immediate review, mental health and/or substance use disorder services that may be subject to a court order, or any other urgent matter will be handled on an expedited basis. An expedited Appeal is not available for retrospective reviews. For an expedited Appeal, Your Provider will have reasonable access to the clinical peer reviewer assigned to the Appeal within one (1) business day of receipt of the request for an Appeal. Your Provider and a clinical peer reviewer may exchange information by

telephone or fax. An expedited Appeal will be determined within the earlier of 72 hours of receipt of the Appeal or two (2) business days of receipt of the information necessary to conduct the Appeal. Written notice of the determination will be provided to You (or Your designee) within 24 hours after the determination is made, but no later than 72 hours after receipt of the Appeal request.

If You are not satisfied with the resolution of Your expedited Appeal, You may file a standard internal Appeal or an external appeal.

Our failure to render a determination of Your Appeal within 60 calendar days of receipt of the necessary information for a standard Appeal or within two (2) business days of receipt of the necessary information for an expedited Appeal will be deemed a reversal of the initial adverse determination.

4. **Substance Use Appeal.** If We deny a request for inpatient substance use disorder treatment that was submitted at least 24 hours prior to discharge from an inpatient admission, and You or Your Provider file an expedited internal Appeal of Our adverse determination, We will decide the Appeal within 24 hours of receipt of the Appeal request. If You or Your Provider file the expedited internal Appeal and an expedited external appeal within 24 hours of receipt of Our adverse determination, We will also provide coverage for the inpatient substance use disorder treatment while a determination on the internal Appeal and external appeal is pending.

I. Full and Fair Review of an Appeal.

We will provide You, free of charge, with any new or additional evidence considered, relied upon, or generated by Us or any new or additional rationale in connection with Your Appeal. The evidence or rationale will be provided as soon as possible and sufficiently in advance of the date on which the notice of final adverse determination is required to be provided to give You a reasonable opportunity to respond prior to that date.

J. Second Level Appeal.

If You disagree with the first level Appeal determination, You or Your designee can file a second level Appeal. You or Your designee can also file an external appeal. **The four (4) month timeframe for filing an external appeal begins on receipt of the final adverse determination on the first level of Appeal. By choosing to file a second level Appeal, the time may expire for You to file an external appeal.**

A second level Appeal must be filed within 45 days of receipt of the final adverse determination

on the first level Appeal. We will acknowledge Your request for an internal Appeal within 15 calendar days of receipt. This acknowledgment will include the name, address, and phone number of the person handling Your Appeal and inform You, if necessary, of any additional information needed before a decision can be made.

1. **Preauthorization Appeal.** If Your Appeal relates to a Preauthorization request, We will decide the Appeal within 15 calendar days of receipt of the Appeal request. Written notice of the determination will be provided to You (or Your designee), and where appropriate, Your Provider, within two (2) business days after the determination is made, but no later than 15 calendar days after receipt of the Appeal request.
2. **Retrospective Appeal.** If Your Appeal relates to a retrospective claim, We will decide the Appeal within 30 calendar days of receipt of the Appeal request. Written notice of the determination will be provided to You (or Your designee), and where appropriate, Your Provider, within two (2) business days after the determination is made, but no later than 30 calendar days after receipt of the Appeal request.
3. **Expedited Appeal.** If Your Appeal relates to an urgent matter, We will decide the Appeal and provide written notice of the determination to You (or Your designee), and where appropriate, Your Provider, within 72 hours of receipt of the Appeal request.

SECTION XX. External Appeal

A. Your Right to an External Appeal.

In some cases, You have a right to an external appeal of a denial of coverage. If We have denied coverage on the basis that a service is not Medically Necessary (including appropriateness, health care setting, level of care or effectiveness of a Covered benefit); or is an experimental or investigational treatment (including clinical trials and treatments for rare diseases); or is an out-of-network treatment, or is an emergency service or a surprise bill (including whether the correct Cost-Sharing was applied), You or Your representative may appeal that decision to an External Appeal Agent, an independent third party certified by the State to conduct these appeals.

In order for You to be eligible for an external appeal You must meet the following two (2) requirements:

- The service, procedure, or treatment must otherwise be a Covered Service under this Certificate; and
- In general, You must have received a final adverse determination through the first level of Our internal Appeal process. But, You can file an external appeal even though You have not received a final adverse determination through the first level of Our internal Appeal process if:
 - We agree in writing to waive the internal Appeal. We are not required to agree to Your request to waive the internal Appeal; or
 - You file an external appeal at the same time as You apply for an expedited internal Appeal; or
 - We fail to adhere to Utilization Review claim processing requirements (other than a minor violation that is not likely to cause prejudice or harm to You, and We demonstrate that the violation was for good cause or due to matters beyond Our control and the violation occurred during an ongoing, good faith exchange of information between You and Us).

B. Your Right to Appeal a Determination that a Service is Not Medically Necessary.

If We have denied coverage on the basis that the service is not Medically Necessary, You may appeal to an External Appeal Agent if You meet the requirements for an external appeal in paragraph "A" above.

C. Your Right to Appeal a Determination that a Service is Experimental or Investigational.

If We have denied coverage on the basis that the service is an experimental or investigational treatment (including clinical trials and treatments for rare diseases), You must satisfy the two (2) requirements for an external appeal in paragraph "A" above and Your attending Physician must certify that Your condition or disease is one for which:

1. Standard health services are ineffective or medically inappropriate; or
2. There does not exist a more beneficial standard service or procedure Covered by Us; or
3. There exists a clinical trial or rare disease treatment (as defined by law).

In addition, Your attending Physician must have recommended one (1) of the following:

1. A service, procedure or treatment that two (2) documents from available medical and scientific evidence indicate is likely to be more beneficial to You than any standard Covered Service (only certain documents will be considered in support of this recommendation – Your attending Physician should contact the State for current information as to what documents will be considered or acceptable); or
2. A clinical trial for which You are eligible (only certain clinical trials can be considered); or
3. A rare disease treatment for which Your attending Physician certifies that there is no standard treatment that is likely to be more clinically beneficial to You than the requested service, the requested service is likely to benefit You in the treatment of Your rare disease, and such benefit outweighs the risk of the service. In addition, Your attending Physician must certify that Your condition is a rare disease that is currently or was previously subject to a research study by the National Institutes of Health Rare Disease Clinical Research Network or that it affects fewer than 200,000 U.S. residents per year.

For purposes of this section, Your attending Physician must be a licensed, board-certified or board eligible Physician qualified to practice in the area appropriate to treat Your condition or disease. In addition, for a rare disease treatment, the attending Physician may not be Your treating Physician.

D. Your Right to Appeal a Determination that a Service is Out-of-Network.

If We have denied coverage of an out-of-network treatment because it is not materially different than the health service available in-network, You may appeal to an External Appeal Agent if You meet the two (2) requirements for an external appeal in paragraph "A" above, and You have requested Preauthorization for the out-of-network treatment.

In addition, Your attending Physician must certify that the out-of-network service is materially different from the alternate recommended in-network health service, and based on two (2) documents from available medical and scientific evidence, is likely to be more clinically beneficial than the alternate in-network treatment and that the adverse risk of the requested health service would likely not be substantially increased over the alternate in-network health service.

For purposes of this section, Your attending Physician must be a licensed, board certified or board eligible Physician qualified to practice in the specialty area appropriate to treat You for the health service.

E. Your Right to Appeal an Out-of-Network Referral Denial to a Non-Participating Provider.

If We have denied coverage of a request for a Referral to a Non-Participating Provider because We determine We have a Participating Provider with the appropriate training and experience to meet Your particular health care needs who is able to provide the requested health care service, You may appeal to an External Appeal Agent if You meet the two (2) requirements for an external appeal in paragraph "A" above.

In addition, Your attending Physician must: 1) certify that the Participating Provider recommended by Us does not have the appropriate training and experience to meet Your particular health care needs; and 2) recommend a Non-Participating Provider with the appropriate training and experience to meet Your particular health care needs who is able to provide the requested health care service.

For purposes of this section, Your attending Physician must be a licensed, board certified or board eligible Physician qualified to practice in the specialty area appropriate to treat You for the health service.

F. Your Right to Appeal a Formulary Exception Denial.

If We have denied Your request for coverage of a non-formulary Prescription Drug through Our formulary exception process, You, Your designee or the prescribing Health Care Professional may appeal the formulary exception denial to an External Appeal Agent. See Your Prescription Drug Coverage Rider for more information on the formulary exception process.

G. The External Appeal Process.

You have four (4) months from receipt of a final adverse determination or from receipt of a waiver of the internal Appeal process to file a written request for an external appeal. If You are

filing an external appeal based on Our failure to adhere to claim processing requirements, You have four (4) months from such failure to file a written request for an external appeal.

We will provide an external appeal application with the final adverse determination issued through the first level of Our internal Appeal process or Our written waiver of an internal Appeal. You may also request an external appeal application from the New York State Department of Financial Services at 1-800-400-8882. Submit the completed application to the Department of Financial Services at the address indicated on the application. If You meet the criteria for an external appeal, the State will forward the request to a certified External Appeal Agent.

You can submit additional documentation with Your external appeal request. If the External Appeal Agent determines that the information You submit represents a material change from the information on which We based Our denial, the External Appeal Agent will share this information with Us in order for Us to exercise Our right to reconsider Our decision. If We choose to exercise this right, We will have three (3) business days to amend or confirm Our decision. Please note that in the case of an expedited external appeal (described below), We do not have a right to reconsider Our decision.

In general, the External Appeal Agent must make a decision within 30 days of receipt of Your completed application. The External Appeal Agent may request additional information from You, Your Physician, or Us. If the External Appeal Agent requests additional information, it will have five (5) additional business days to make its decision. The External Appeal Agent must notify You in writing of its decision within two (2) business days.

If Your attending Physician certifies that a delay in providing the service that has been denied poses an imminent or serious threat to Your health; or if Your attending Physician certifies that the standard external appeal time frame would seriously jeopardize Your life, health or ability to regain maximum function; or if You received Emergency Services and have not been discharged from a Facility and the denial concerns an admission, availability of care or continued stay, You may request an expedited external appeal. In that case, the External Appeal Agent must make a decision within 72 hours of receipt of Your completed application. Immediately after reaching a decision, the External Appeal Agent must notify You and Us by telephone or facsimile of that decision. The External Appeal Agent must also notify You in writing of its decision.

If Your internal formulary exception request received a standard review through Our formulary exception process, the External Appeal Agent must make a decision on Your external appeal and notify You or Your designee and the prescribing Health Care Professional by telephone within 72 hours of receipt of Your completed application. The External Appeal Agent will notify You or

Your designee and the prescribing Health Care Professional in writing within two (2) business days of making a determination. If the External Appeal Agent overturns Our denial, We will Cover the Prescription Drug while You are taking the Prescription Drug, including any refills.

If Your internal formulary exception request received an expedited review through Our formulary exception process, the External Appeal Agent must make a decision on Your external appeal and notify You or Your designee and the prescribing Health Care Professional by telephone within 24 hours of receipt of Your completed application. The External Appeal Agent will notify You or Your designee and the prescribing Health Care Professional in writing within 72 hours of receipt of Your completed application. If the External Appeal Agent overturns Our denial, We will Cover the Prescription Drug while You suffer from the health condition that may seriously jeopardize Your health, life or ability to regain maximum function or for the duration of Your current course of treatment using the non-formulary Prescription Drug.

If the External Appeal Agent overturns Our decision that a service is not Medically Necessary or approves coverage of an experimental or investigational treatment or an out-of-network treatment, We will provide coverage subject to the other terms and conditions of this Certificate. Please note that if the External Appeal Agent approves coverage of an experimental or investigational treatment that is part of a clinical trial, We will only Cover the cost of services required to provide treatment to You according to the design of the trial. We will not be responsible for the costs of investigational drugs or devices, the costs of non-health care services, the costs of managing the research, or costs that would not be Covered under this Certificate for non-investigational treatments provided in the clinical trial.

The External Appeal Agent's decision is binding on both You and Us. The External Appeal Agent's decision is admissible in any court proceeding.

We will charge You a fee of \$25 for each external appeal, not to exceed \$75 in a single Plan Year. The external appeal application will explain how to submit the fee. We will waive the fee if We determine that paying the fee would be a hardship to You. If the External Appeal Agent overturns the denial of coverage, the fee will be refunded to You.

H. Your Responsibilities.

It is Your responsibility to start the external appeal process. You may start the external appeal process by filing a completed application with the New York State Department of Financial Services. You may appoint a representative to assist You with Your application; however, the Department of Financial Services may contact You and request that You confirm in writing that You have appointed the representative.

Under New York State law, Your completed request for external appeal must be filed within four (4) months of either the date upon which You receive a final adverse determination, or the date upon which You receive a written waiver of any internal Appeal, or Our failure to adhere to claim processing requirements. We have no authority to extend this deadline.

SECTION XXI. Coordination of Benefits

This section applies when You also have group health coverage with another plan. When You receive a Covered Service, We will coordinate benefit payments with any payment made by another plan. The primary plan will pay its full benefits and the other plan may pay secondary benefits, if necessary, to cover some or all of the remaining expenses. This coordination prevents duplicate payments and overpayments.

A. Definitions.

1. **“Allowable expense”** is the necessary, reasonable, and customary item of expense for health care, when the item is covered at least in part under any of the plans involved, except where a statute requires a different definition. When a plan provides benefits in the form of services, the reasonable cash value of each service will be considered as both an allowable expense and a benefit paid.
2. **“Plan”** is other group health coverage with which We will coordinate benefits. The term “plan” includes:
 - Group health benefits and group blanket or group remittance health benefits coverage, whether insured, self-insured, or self-funded. This includes group HMO and other prepaid group coverage, but does not include blanket school accident coverage or coverages issued to a substantially similar group (e.g., Girl Scouts, Boy Scouts) where the school or organization pays the premiums.
 - Medical benefits coverage, in group and individual automobile “no-fault” and traditional liability “fault” type contracts.
 - Hospital, medical, and surgical benefits coverage of Medicare or a governmental plan offered, required, or provided by law, except Medicaid or any other plan whose benefits are by law excess to any private insurance coverage.
3. **“Primary plan”** is one whose benefits must be determined without taking the existence of any other plan into consideration. A plan is primary if either: 1) the plan has no order of benefits rules or its rules differ from those required by regulation; or 2) all plans which cover the person use the order of benefits rules required by regulation and under those rules the plan determines its benefits first. More than one plan may be a primary plan (for example, two plans which have no order of benefit determination rules).

4. “**Secondary plan**” is one which is not a primary plan. If a person is covered by more than one secondary plan, the order of benefit determination rules decide the order in which their benefits are determined in relation to each other.

B. Rules to Determine Order of Payment.

The first of the rules listed below in paragraphs 1-6 that applies will determine which plan will be primary:

1. If the other plan does not have a provision similar to this one, then the other plan will be primary.
2. If the person receiving benefits is the Subscriber and is only covered as a Dependent under the other plan, this Certificate will be primary.
3. If a child is covered under the plans of both parents and the parents are not separated or divorced, the plan of the parent whose birthday falls earlier in the year will be primary. If both parents have the same birthday, the plan which covered the parent longer will be primary. To determine whose birthday falls earlier in the year, only the month and day are considered. However, if the other plan does not have this birthday rule, but instead has a rule based on the sex of the parent and as a result the plans do not agree on which is primary, then the rule in the other plan will determine which plan is primary.
4. If a child is covered by both parents’ plans, the parents are separated or divorced, and there is no court decree between the parents that establishes financial responsibility for the child’s health care expenses:
 - The plan of the parent who has custody will be primary;
 - If the parent with custody has remarried, and the child is also covered as a child under the step-parent’s plan, the plan of the parent with custody will pay first, the step-parent’s plan will pay second, and the plan of the parent without custody will pay third; and
 - If a court decree between the parents says which parent is responsible for the child’s health care expenses, then that parent’s plan will be primary if that plan has actual knowledge of the decree.
5. If the person receiving services is covered under one plan as an active employee or member (i.e., not laid-off or retired), or as the spouse or child of such an active employee, and is also covered under another plan as a laid-off or retired employee or as the spouse or child of such a laid-off or retired employee, the plan that covers such person as an active employee or spouse or child of an active employee will be primary. If

the other plan does not have this rule, and as a result the plans do not agree on which will be primary, this rule will be ignored.

6. If none of the above rules determine which plan is primary, the plan that covered the person receiving services longer will be primary.

C. Effects of Coordination.

When this plan is secondary, its benefits will be reduced so that the total benefits paid by the primary plan and this plan during a claim determination period will not exceed Our maximum available benefit for each Covered Service. Also, the amount We pay will not be more than the amount We would pay if We were primary. As each claim is submitted, We will determine Our obligation to pay for allowable expenses based upon all claims that have been submitted up to that point in time during the claim determination period.

D. Right to Receive and Release Necessary Information.

We may release or receive information that We need to coordinate benefits. We do not need to tell anyone or receive consent to do this. We are not responsible to anyone for releasing or obtaining this information. You must give Us any needed information for coordination purposes, in the time frame requested.

E. Our Right to Recover Overpayment.

If We made a payment as a primary plan, You agree to pay Us any amount by which We should have reduced Our payment. Also, We may recover any overpayment from the primary plan or the Provider receiving payment and You agree to sign all documents necessary to help Us recover any overpayment.

F. Coordination with "Always Excess," "Always Secondary," or "Non-Complying" Plans.

Except as described below, We will coordinate benefits with plans, whether insured or self-insured, that provide benefits that are stated to be always excess or always secondary or use order of benefit determination rules that are inconsistent with the rules described above in the following manner:

1. If this Certificate is primary, as defined in this section, We will pay benefits first.
2. If this Certificate is secondary, as defined in this section, We will pay only the amount We would pay as the secondary insurer.
3. If We request information from a non-complying plan and do not receive it within 30 days, We will calculate the amount We should pay on the assumption that the non-

complying plan and this Certificate provide identical benefits. When the information is received, We will make any necessary adjustments.

If a blanket accident insurance policy issued in accordance with Section 1015.11 of the General Business Law contains a provision that its benefits are excess or always secondary, then this Certificate is primary.

SECTION XXII. Termination of Coverage

Coverage under this Certificate will automatically be terminated on the first of the following to apply:

1. The Group and/or Subscriber has failed to pay Premiums within 30 days of when Premiums are due. Coverage will terminate as of the last day for which Premiums were paid.
2. The date on which the Subscriber ceases to meet the eligibility requirements as defined by the Group.
3. Upon the Subscriber's death, coverage will terminate unless the Subscriber has coverage for Dependents. If the Subscriber has coverage for Dependents, then coverage will terminate as of the last day of the month for which the Premium had been paid.
4. For Spouses in cases of divorce, the date of the divorce.
5. For Children, until the end of the month in which the Child turns 26 years of age.
6. For all other Dependents, the end of the month in which the Dependent ceases to be eligible.
7. The end of the month following the 30th day after the Group's provision of written notice of termination of coverage to Us; or such later termination date requested by the Group's notice.
8. If the Subscriber or the Subscriber's Dependent has performed an act that constitutes fraud or the Subscriber has made an intentional misrepresentation of material fact in writing on his or her enrollment application, or in order to obtain coverage for a service, coverage will terminate immediately upon written notice of termination delivered by Us to the Subscriber and/or the Subscriber's Dependent, as applicable. If termination is a result of the Subscriber's action, coverage will terminate for the Subscriber and any Dependents. If termination is a result of the Dependent's action, coverage will terminate for the Dependent.

9. If the Subscriber makes an intentional misrepresentation of material fact in writing on his or her enrollment application, We will rescind coverage, after 30 days' prior written notice, if the facts misrepresented would have led Us to refuse to issue the coverage. Rescission means that the termination of Your coverage will have a retroactive effect of up to one (1) year; Your enrollment under the Certificate.
10. The date that the Group Contract is terminated. If We decide to stop offering a particular class of group contracts, without regard to claims experience or health related status, to which this Certificate belongs, We will provide the Group and Subscribers at least 90 days' prior written notice.
11. If We decide to stop offering all hospital, surgical and medical expense coverage in the large group market in this state, We will provide written notice to the Group and Subscriber at least 180 days prior to when the coverage will cease.
12. The Group has performed an act or practice that constitutes fraud or made an intentional misrepresentation of material fact under the terms of the coverage.
13. The Group has failed to comply with a material plan provision relating to group participation rules. We will provide written notice to the Group and Subscriber at least 30 days prior to when the coverage will cease.
14. The Group ceases to meet the statutory requirements to be defined as a group for the purposes of obtaining coverage. We will provide written notice to the Group and Subscriber at least 30 days prior to when the coverage will cease.
15. The date there is no longer any Subscriber who lives, resides, or works in Our Service Area.

No termination shall prejudice the right to a claim for benefits which arose prior to such termination.

See the Continuation of Coverage section of this Certificate for Your right to continuation of this coverage. See the Conversion Right to a New Contract after Termination section of this Certificate for Your right to conversion to an individual Contract.

SECTION XXIII. Extension of Benefits

When Your coverage under this Certificate ends, benefits stop. But, if You are totally disabled on the date the Group Contract terminates, or on the date Your coverage under this Certificate terminates, continued benefits may be available for the treatment of the injury or sickness that is the cause of the total disability.

For purposes of this section, "total disability" means You are prevented because of injury or disease from engaging in any work or other gainful activity. Total disability for a minor means that the minor is prevented because of injury or disease from engaging in substantially all of the normal activities of a person of like age and sex who is in good health.

A. When You May Continue Benefits.

When Your coverage under this Certificate ends, We will provide benefits during a period of total disability for a Hospital stay commencing, or surgery performed, within 31 days from the date Your coverage ends. The Hospital stay or surgery must be for the treatment of the injury, sickness, or pregnancy causing the total disability.

If Your coverage ends because You are no longer employed, We will provide benefits during a period of total disability for up to 12 months from the date Your coverage ends for Covered services to treat the injury, sickness, or pregnancy that caused the total disability, unless these services are covered under another group health plan.

B. Termination of Extension of Benefits.

Extended benefits will end on the earliest of the following:

- The date You are no longer totally disabled;
- The date the contractual benefit has been exhausted;
- 12 months from the date extended benefits began (if Your benefits are extended based on termination of employment); or
- With respect to the 12-month extension of coverage, the date You become eligible for benefits under any group policy providing medical benefits.

C. Limits on Extended Benefits.

We will not pay extended benefits:

- For any Member who is not totally disabled on the date coverage under this Certificate ends; or
- Beyond the extent to which We would have paid benefits under this Certificate if coverage had not ended.

SECTION XXIV. Continuation of Coverage

Under the continuation of coverage provisions of the federal Consolidated Omnibus Budget Reconciliation Act of 1985 ("COBRA"), most employer-sponsored group health plans must offer employees and their families the opportunity for a temporary continuation of health insurance coverage when their coverage would otherwise end. If You are not entitled to temporary continuation of coverage under COBRA, You may be entitled to temporary continuation coverage under the New York Insurance Law as described below. Call or write Your employer to find out if You are entitled to temporary continuation of coverage under COBRA or under the New York Insurance Law. Any period of continuation of coverage will terminate automatically at the end of the period of continuation provided under COBRA or the New York Insurance Law.

A. Qualifying Events.

Pursuant to federal COBRA and state continuation coverage laws, You, the Subscriber, Your Spouse and Your Children may be able to temporarily continue coverage under this Certificate in certain situations when You would otherwise lose coverage, known as qualifying events.

1. If Your coverage ends due to voluntary or involuntary termination of employment or a change in Your employee class (e.g., a reduction in the number of hours of employment), You may continue coverage. Coverage may be continued for You, Your Spouse and any of Your covered Children.
2. If You are a covered Spouse, You may continue coverage if Your coverage ends due to:
 - Voluntary or involuntary termination of the Subscriber's employment;
 - Reduction in the hours worked by the Subscriber or other change in the Subscriber's class;
 - Divorce or legal separation from the Subscriber; or
 - Death of the Subscriber.
3. If You are a covered Child, You may continue coverage if Your coverage ends due to:
 - Voluntary or involuntary termination of the Subscriber's employment;
 - Reduction in the hours worked by the Subscriber or other change in the Subscriber's class;
 - Loss of covered Child status under the plan rules; or
 - Death of the Subscriber.

If You want to continue coverage, You must request continuation from the Group in writing and make the first Premium payment within the 60-day period following the later of:

1. The date coverage would otherwise terminate; or
2. The date You are sent notice by first class mail of the right of continuation by the Group.

The Group may charge up to 102% of the Group Premium for continued coverage.

Continued coverage under this section will terminate at the earliest of the following:

1. The date 36 months after the Subscriber's coverage would have terminated because of termination of employment;
2. If You are a covered Spouse or Child, the date 36 months after coverage would have terminated due to the death of the Subscriber, divorce or legal separation, the Subscriber's eligibility for Medicare, or the failure to qualify under the definition of "Children";
3. The date You become covered by an insured or uninsured arrangement that provides group hospital, surgical or medical coverage;
4. The date You become entitled to Medicare;
5. The date to which Premiums are paid if You fail to make a timely payment; or
6. The date the Group Contract terminates. However, if the Group Contract is replaced with similar coverage, You have the right to become covered under the new Group Contract for the balance of the period remaining for Your continued coverage.

When Your continuation of coverage ends, You may have a right to conversion. See the Conversion Right to a New Contract after Termination section of this Certificate.

B. Supplementary Continuation, Conversion, and Temporary Suspension Rights During Active Duty.

If You, the Subscriber, are a member of a reserve component of the armed forces of the United States, including the National Guard, You have the right to continuation, conversion, or a temporary suspension of coverage during active duty and reinstatement of coverage at the end of active duty if Your Group does not voluntarily maintain Your coverage and if:

1. Your active duty is extended during a period when the president is authorized to order units of the reserve to active duty, provided that such additional active duty is at the request and for the convenience of the federal government; and
2. You serve no more than four (4) years of active duty.

When Your Group does not voluntarily maintain Your coverage during active duty, coverage under this Certificate will be suspended unless You elect to continue coverage in writing within 60 days of being ordered to active duty and You pay the Group the required Premium payment but not more frequently than on a monthly basis in advance. This right of continuation extends

to You and Your eligible Dependents. Continuation of coverage is not available for any person who is eligible to be covered under Medicare; or any person who is covered as an employee, member or dependent under any other insured or uninsured arrangement which provides group hospital, surgical or medical coverage, except for coverage available to active duty members of the uniformed services and their family members.

Upon completion of active duty:

1. Your coverage under this Certificate may be resumed as long as You are reemployed or restored to participation in the Group upon return to civilian status. The right of resumption extends to coverage for Your covered Dependents. For coverage that was suspended while on active duty, coverage under the Group plan will be retroactive to the date on which active duty terminated.
2. If You are not reemployed or restored to participation in Your Group upon return to civilian status, You will be eligible for continuation and conversion as long as You apply to Us for coverage within 31 days of the termination of active duty or discharge from a Hospitalization resulting from active duty as long as the Hospitalization was not in excess of one (1) year.

C. Availability of Age 29 Dependent Coverage Extension – Young Adult Option.

The Subscriber's Child may be eligible to purchase continuation coverage under the Group's Contract through the age of 29 if he or she:

1. Is under the age of 30;
2. Is not married;
3. Is not insured by or eligible for coverage under an employer-sponsored health benefit plan covering him or her as an employee or member, whether insured or self-insured;
4. Lives, works or resides in New York State or Our Service Area; and
5. Is not covered by Medicare.

The Child may purchase continuation coverage even if he or she is not financially dependent on his or her parent(s) and does not need to live with his or her parent(s).

The Subscriber's Child may elect this coverage:

1. Within 60 days of the date that his or her coverage would otherwise end due to reaching the maximum age for Dependent coverage, in which case coverage will be retroactive to the date that coverage would otherwise have terminated;
2. Within 60 days of newly meeting the eligibility requirements, in which case coverage will be prospective and start within 30 days of when the Group or the Group's designee receives notice and We receive Premium payment; or

3. During an annual 30-day open enrollment period, in which case coverage will be prospective and will start within 30 days of when the Group or the Group's designee receives notice of election and We receive Premium payment.

The Subscriber or Subscriber's Child must pay the Premium rate that applies to individual coverage. Coverage will be the same as the coverage provided under this Certificate. The Child's children are not eligible for coverage under this option.

SECTION XXV. Conversion Right to a New Contract after Termination

A. Circumstances Giving Rise to Right to Conversion.

You have the right to convert to a new Contract if coverage under this Certificate terminates under the circumstances described below.

- 1. Termination of the Group Contract.** If the Group Contract between Us and the Group is terminated as set forth in the Termination of Coverage section of this Certificate, and the Group has not replaced the coverage with similar and continuous health care coverage, whether insured or self-insured, You are entitled to purchase a new Contract as a direct payment member.
- 2. If You Are No Longer Covered in a Group.** If Your coverage terminates under the Termination of Coverage section of this Certificate because You are no longer a member of a Group, You are entitled to purchase a new Contract as a direct payment member.
- 3. On the Death of the Subscriber.** If coverage terminates under the Termination of Coverage section of this Certificate because of the death of the Subscriber, the Subscriber's Dependents are entitled to purchase a new Contract as direct payment members.
- 4. Termination of Your Marriage.** If a Spouse's coverage terminates under the Termination of Coverage section of this Certificate because the Spouse becomes divorced from the Subscriber or the marriage is annulled, that former Spouse is entitled to purchase a new Contract as a direct payment member.
- 5. Termination of Coverage of a Child.** If a Child's coverage terminates under the Termination of Coverage section of this Certificate because the Child no longer qualifies as a Child, the Child is entitled to purchase a new Contract as a direct payment member.
- 6. Termination of Your Temporary Continuation of Coverage.** If coverage terminates under the Termination of Coverage section of this Certificate because You are no longer eligible for continuation of coverage, You are entitled to purchase a new Contract as a direct payment member.
- 7. Termination of Your Young Adult Coverage.** If a Child's young adult coverage terminates under the Termination of Coverage section of this Certificate, the Child is

entitled to purchase a new Contract as a direct payment member.

B. When to Apply for the New Contract.

If You are entitled to purchase a new Contract as described above, You must apply to Us for the new Contract within 60 days after termination of coverage under this Certificate. You must also pay the first Premium of the new Contract at the time You apply for coverage.

C. The New Contract.

We will offer You an individual direct payment Contract at each level of coverage (i.e., bronze, silver, gold or platinum) that Covers all benefits required by state and federal law. You may choose among any of the four (4) Contracts offered by Us. The coverage may not be the same as Your current coverage. If You are age 65 or over and enrolled in Medicare, We will also offer You contracts issued to Medicare-enrolled individuals.

SECTION XXVI. General Provisions

1. Agreements Between Us and Participating Providers.

Any agreement between Us and Participating Providers may only be terminated by Us or the Providers. This Certificate does not require any Provider to accept a Member as a patient. We do not guarantee a Member's admission to any Participating Provider or any health benefits program.

2. Assignment.

You cannot assign any benefits under this Certificate to any person, corporation or other organization and any such assignment will be void and unenforceable. You cannot assign any monies due under this Certificate to any person, corporation or other organization unless it is an assignment to Your Non-Participating Provider licensed under New York Public Health Law Article 30 for services described in the Ambulance and Pre-Hospital Emergency Medical Services Section of this Certificate.

Assignment means the transfer to another person, corporation or other organization of Your right to the services provided under this Certificate or Your right to collect money from Us for those services. Nothing in this paragraph shall affect Your right to appoint a designee or representative as otherwise permitted by applicable law.

3. Changes in this Certificate.

We may unilaterally change this Certificate upon renewal, if We give the Group 60 days' prior written notice.

4. Choice of Law.

This Certificate shall be governed by the laws of the State of New York.

5. Clerical Error.

Clerical error, whether by the Group or Us, with respect to this Certificate, or any other documentation issued by Us in connection with this Certificate, or in keeping any record pertaining to the coverage hereunder, will not modify or invalidate coverage otherwise validly in force or continue coverage otherwise validly terminated.

6. Conformity with Law.

Any term of this Certificate which conflicts with New York State law or with any applicable federal law that imposes additional requirements from what is required under New York State law will be amended to conform with the minimum requirements of such law.

7. Continuation of Benefit Limitations.

Some of the benefits in this Certificate may be limited to a specific number of visits, and/or subject to a Deductible. You will not be entitled to any additional benefits if Your coverage status should change during the year. For example, if Your coverage status changes from covered family member to Subscriber, all benefits previously utilized when You were a covered family member will be applied toward Your new status as a Subscriber.

8. Enrollment ERISA.

The Group will develop and maintain complete and accurate payroll records, as well as any other records of the names, addresses, ages, and social security numbers of all Group Members covered under this Certificate, and any other information required to confirm their eligibility for coverage.

The Group will provide Us with this information upon request. The Group may also have additional responsibilities as the "plan administrator" as defined by the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. The "plan administrator" is the Group, or a third party appointed by the Group. We are not the ERISA plan administrator.

9. Entire Agreement.

This Certificate, including any endorsements, riders and the attached applications, if any, constitutes the entire Certificate.

10. Fraud and Abusive Billing.

We have processes to review claims before and after payment to detect fraud and abusive billing. Members seeking services from Non-Participating Providers could be balance billed by the Non-Participating Provider for those services that are determined to be not payable as a result of a reasonable belief of fraud or other intentional misconduct or abusive billing.

11. Furnishing Information and Audit.

The Group and all persons covered under this Certificate will promptly furnish Us with all information and records that We may require from time to time to perform Our obligations under this Certificate. You must provide Us with information over the telephone for reasons such as the following: to allow Us to determine the level of care You need; so that We may certify care authorized by Your Physician; or to make decisions regarding the Medical Necessity of Your care. The Group will, upon reasonable notice, make available to Us, and We may audit and make copies of, any and all records relating to Group enrollment at the Group's New York office.

12. Identification Cards.

Identification ("ID") cards are issued by Us for identification purposes only. Possession of any ID card confers no right to services or benefits under this Certificate. To be entitled to such services or benefits, Your Premiums must be paid in full at the time the services are sought to be received.

13. Incontestability.

No statement made by You will be the basis for avoiding or reducing coverage unless it is in writing and signed by You. All statements contained in any such written instrument shall be deemed representations and not warranties.

14. Independent Contractors.

Participating Providers are independent contractors. They are not Our agents or employees. We and Our employees are not the agent or employee of any Participating Provider. We are not liable for any claim or demand on account of damages arising out of, or in any manner connected with, any injuries alleged to be suffered by You, Your covered Spouse or Children while receiving care from any Participating Provider or in any Participating Provider's Facility.

15. Input in Developing Our Policies.

Subscribers may participate in the development of Our policies by sending a letter to the President of MVP Health Plan, Inc., PO Box 2207, Schenectady, New York 12301-2207. If you prefer, you may call a Customer Care Center Representative and give us your suggestions by phone. MVP Senior Management will review all suggestions received.

16. Material Accessibility.

We will give the Group, and the Group will give You ID cards, Certificates, riders and other necessary materials.

17. More Information about Your Health Plan.

You can request additional information about Your coverage under this Certificate. Upon Your request, We will provide the following information:

- A list of the names, business addresses and official positions of Our board of directors, officers and members; and Our most recent annual certified financial statement which includes a balance sheet and a summary of the receipts and disbursements.
- The information that We provide the State regarding Our consumer complaints.
- A copy of Our procedures for maintaining confidentiality of Member information.

- A copy of Our drug formulary. You may also inquire if a specific drug is Covered under this Certificate.
- A written description of Our quality assurance program.
- A copy of Our medical policy regarding an experimental or investigational drug, medical device or treatment in clinical trials.
- Provider affiliations with participating Hospitals.
- A copy of Our clinical review criteria (e.g., Medical Necessity criteria), and where appropriate, other clinical information We may consider regarding a specific disease, course of treatment or Utilization Review guidelines, including clinical review criteria relating to a step therapy protocol override determination.
- Written application procedures and minimum qualification requirements for Providers.
- Documents that contain the processes, strategies, evidentiary standards, and other factors used to apply a treatment limitation with respect to medical/surgical benefits and mental health or substance use disorder benefits under the Certificate.

18. Notice.

Any notice that We give You under this Certificate will be mailed to Your address as it appears in Our records. You agree to provide Us with notice of any change of Your address. If You have to give Us any notice, it should be sent by U.S. mail, first class, postage prepaid to: the address on Your ID card.

19. Premium Refund.

We will give any refund of Premiums, if due, to the Group.

20. Recovery of Overpayments.

On occasion, a payment may be made to You when You are not covered, for a service that is not Covered, or which is more than is proper. When this happens, We will explain the problem to You and You must return the amount of the overpayment to Us within 60 days after receiving notification from Us. However, We shall not initiate overpayment recovery efforts more than 24 months after the original payment was made unless We have a reasonable belief of fraud or other intentional misconduct.

21. Renewal Date.

The renewal date for this Certificate is the anniversary of the effective date of the Group Contract of each year. This Certificate will automatically renew each year on the renewal date, unless otherwise terminated by Us or the Group as permitted by this Certificate.

22. Right to Develop Guidelines and Administrative Rules.

We may develop or adopt standards that describe in more detail when We will or will not make payments under this Certificate. Examples of the use of the standards are to determine whether: Hospital inpatient care was Medically Necessary; surgery was Medically Necessary to treat Your illness or injury; or certain services are skilled care. Those standards will not be contrary to the descriptions in this Certificate. If You have a question about the standards that apply to a particular benefit, You may contact Us and We will explain the standards or send You a copy of the standards. We may also develop administrative rules pertaining to enrollment and other administrative matters. We shall have all the powers necessary or appropriate to enable Us to carry out Our duties in connection with the administration of this Certificate.

23. Right to Offset.

If We make a claim payment to You or on Your behalf in error or You owe Us any money, You must repay the amount You owe Us. Except as otherwise required by law, if We owe You a payment for other claims received, We have the right to subtract any amount You owe Us from any payment We owe You.

24. Severability.

The unenforceability or invalidity of any provision of this Certificate shall not affect the validity and enforceability of the remainder of this Certificate.

25. Significant Change in Circumstances.

If We are unable to arrange for Covered Services as provided under this Certificate as the result of events outside of Our control, We will make a good faith effort to make alternative arrangements. These events would include a major disaster, epidemic, the complete or partial destruction of facilities, riot, civil insurrection, disability of a significant part of Participating Providers' personnel, or similar causes. We will make reasonable attempts to arrange for Covered Services. We and Our Participating Providers will not be liable for delay, or failure to provide or arrange for Covered Services if such failure or delay is caused by such an event.

26. Subrogation and Reimbursement.

These paragraphs apply when another party (including any insurer) is, or may be found to be, responsible for Your injury, illness or other condition and We have provided benefits related to that injury, illness or condition. As permitted by applicable state law, unless preempted by federal law, We may be subrogated to all rights of recovery against any such party (including Your own insurance carrier) for the benefits We have provided to You under this Certificate. Subrogation means that We have the right, independently of You, to proceed directly against the other party to recover the benefits that We have provided.

Subject to applicable state law, unless preempted by federal law, We may have a right of reimbursement if You or anyone on Your behalf receives payment from any responsible party (including Your own insurance carrier) from any settlement, verdict or insurance proceeds, in connection with an injury, illness, or condition for which We provided benefits. Under New York General Obligations Law Section 5-335, Our right of recovery does not apply when a settlement is reached between a plaintiff and defendant, unless a statutory right of reimbursement exists. The law also provides that, when entering into a settlement, it shall be deemed that You did not take any action against Our rights or violate any contract between You and Us. The law conclusively presumes that the settlement between You and the responsible party does not include any compensation for the cost of health care services for which We provided benefits.

We request that You notify Us within 30 days of the date when any notice is given to any party, including an insurance company or attorney, of Your intention to pursue or investigate a claim to recover damages or obtain compensation due to injury, illness or condition sustained by You for which We have provided benefits. You must provide all information requested by Us or Our representatives including, but not limited to, completing and submitting any applications or other forms or statements as We may reasonably request.

27. Third Party Beneficiaries.

No third party beneficiaries are intended to be created by this Certificate and nothing in this Certificate shall confer upon any person or entity other than You or Us any right, benefit, or remedy of any nature whatsoever under or by reason of this Certificate.
