Musculoskeletal Management Program

On **March 16, 2018**, you received a communication regarding an MVP Health Care[®] (MVP) management program for non-emergent musculoskeletal (MSK) procedures that was to be postponed until MVP received the necessary regulatory approval. MVP is pleased to announce that all regulatory approvals have been received and a definitive effective date has been set for **January 1, 2019**.

MVP will work with Magellan Healthcare¹ to implement this MSK management program. This program will require prior authorization for MVP members for select non-emergent MSK procedures including outpatient interventional pain management services (IPM), inpatient and outpatient hip, knee, shoulder, lumbar and cervical spine surgeries. Upon implementation of in 2019, this program will include select self-funded plans administered by MVP. Please contact Provider Services to verify if the self-funded plan requires review by Magellan.

MVP will oversee the MSK program and continue to be responsible for claims. There are no changes in the contractual relationship between MVP and its provider network.

Providers can contact Magellan Healthcare by phone or through their RadMD website on **December 1, 2018** to seek prior authorization for procedures scheduled on or after **January 1, 2019**. **RadMD's website is available 24/7** (except for routine maintenance) **at www.RadMD.com or call Toll Free 1-866-249-1578, available 8am-8pm EST.**
