Credentialing Update for MVP Providers

As of January 1, 2019 MVP Health Care® (MVP) will enter into an agreement with Med Advantage/Advantum Health, a leading organization for provider Credentialing, Payor Enrollment, and Billing/EMR/Revenue cycle services for certain Credentialing and Recredentialing verifications functions.

Med Advantage is both accredited and certified through the National Committee for Quality Assurance (NCQA) and Utilization Review Accreditation Commission (URAC), and has a long standing reputation of delivering top notch Credentialing services to the health care industry for more than 25 years.

To ensure continued network participation with MVP, Med Advantage may reach out to providers directly during the Credentialing and Recredentialing process to obtain any necessary information to complete the application process.

We look forward to this relationship with Med Advantage/Advantum Health.

If you have any questions with respect to this notice, please contact your Professional Relations Representative.
