## **MVP Expands Network Coverage in New York State**

MVP Health Care® (MVP) is excited to share that we will be expanding Medicaid, Health, and Recovery Plan (HARP), Child Health Plus, and Essential Plan coverage options into eight New York State counties: Clinton, Essex, Franklin, Fulton, Hamilton, Herkimer, Montgomery, and St. Lawrence. Individuals can begin enrolling July 1, 2023 for coverage effective August 1, 2023.

With the expansion of the service area, MVP will increase its ability to offer great care for individuals and families. MVP Medicaid, HARP, Child Health Plus, and Essential Plan coverage includes no co-pays for preventive care, including annual physicals and covered immunizations, \$0 virtual care services, access to high quality doctors and hospitals, coverage for prescriptions, emergency coverage, and more.

Along with our trusted Provider Partners, MVP is committed to serving the health and wellness of communities in these new areas. If you have questions about this expansion, please contact your MVP Professional Relations Representative.
