

This communication should be viewed by:

All MVP Providers, Clinical Staff, Front Line Staff, Facilities

Healthy Practices Newsletter is Now Available

Visit mvphealthcare.com/HP to access the MVP Health Care® (MVP) Summer 2025 digital newsletter.

In this issue, you will find the following information and topics:

Introducing Empower Magazine from MVP

MVP proudly introduces Empower, our first full-color magazine. It helps Members connect with MVP and inspires their wellness journey.

Encourage Your Patients to Take Action!

Patients should be informed about the importance of the Medicare Health Outcomes survey and encouraged to complete it if they receive one.

Helping to Improve Patient Outcomes: Authorization to Disclose Information

MVP encourages Providers to obtain patient information releases for a more integrated treatment approach.

Updated Health Access Standard Requirements

Access to health care is important for the overall mental and physical well-being of Members. MVP has updated the information about availability requirements by specialty and plan to simplify the scheduling process.

MVP's Participation with CAQH Provider Data Portal

MVP began working with CAQH on July 1, 2025, enabling credentialed Providers to review and verify their demographic details through the CAQH Provider Data Portal.

August is Immunization Awareness Month

Some parents worry about vaccine side effects. Remind them that in NYS and Vermont, certain vaccines are required for day care and pre-K–12 enrollment.

MVP Insights Powered by Arcadia

Beginning in July, MVP moved from the monthly Standard Reporting Packages (SRP) to MVP Insights Powered by Arcadia (MVP Insights).

Documentation of Juvenile Diabetes

July is recognized as Juvenile Arthritis Awareness Month by the Arthritis Foundation. The goals are to increase awareness, inform families about the early signs and symptoms of Juvenile Arthritis (JA), and offer support for managing the disease.
