Postponement of Avalon Healthcare Solutions Precision Genetic Testing Management Policy Implementation

MVP Health Care® (MVP) previously announced that starting January 1, 2026, it will broaden its collaboration with Avalon to provide a range of laboratory benefit management services, with an emphasis on precision genetic testing management (PGTM).

We want to inform you that this implementation has been postponed until further notice. We will provide updates regarding the new effective date for these policies as soon as able.

If you have questions, please contact your MVP Provider Relations Representative or your Provider Partnership Liaison.
