MVP® HEALTH CARE

Your Medicaid Managed Care Member Guide

Note: Effective April 1, 2026, this notification replaces the information that is currently in the MVP Health Care® (MVP) member handbook

Children's Home and Community Based Services

New York State covers Children's Home and Community Based Services (HCBS) under the children's waiver. MVP covers children's HCBS for members participating in the children's waiver and provides care management for these services.

Children's HCBS offer personal, flexible services to meet the needs of each child/youth. HCBS are provided where children/youth and families are most comfortable and supports them as they work towards goals and achievements.

Who can get Children's HCBS?

Children's HCBS are for children and youth who:

- Need extra care and support to remain at home/in the community
- Have complex health, developmental and/or behavioral health needs
- Want to avoid going to the hospital or a long-term care facility
- Are eligible for HCBS and participate in the children's waiver

Members under age 21 will be able to get these services from their health plan:

- Community habilitation
- Caregiver/ Family Advocacy and Support Services
- Prevocational services - *must be age 14 and older*
- Supported employment - *must be age 14 and older*
- Respite services (planned respite and crisis respite)
- Palliative Care
    - Expressive Therapy
    - Massage Therapy
    - Bereavement Service
    - Pain and Symptom Management
- Non-medical Transportation

Members under age 21 will access the following services through designated health homes **using your Medicaid card**:

- Environmental Modifications
- Vehicle Modifications

- Adaptive and Assistive Technology
- Transitional Care Coordination
- Transitional Services

Children/youth participating in the Children's Waiver must receive care management. Care management provides a person who can help you find and get the services that are right for you.

- If you are getting care management from a Health Home Care Management Agency (CMA), you can stay with your CMA. [Name of plan] will work with your CMA to help you get the services you need.
- If you are getting care management from the State operated Children and Youth Evaluation Service (C-YES), [Name of plan] will work with the State operated C-YES and provide your care management.

Changes to Service Authorization Timeframes Effective April 1, 2026

YOUR MEMBER HANDBOOK HAS BEEN CHANGED TO INCLUDE UPDATED INFORMATION

Service Authorization

Timeframes for prior authorization requests:

- **Standard review:** We will make a decision within 3 work days of when we have all the information we need, but no later than 7 days after we receive your request. We will tell you by the 7th day if we need more information.

Timeframes for concurrent review requests:

- **Standard review:** We will make a decision within 1 work day of when we have all the information we need, but no later than 7 days after we receive your request. We will tell you by the 7th day if we need more information.

Special timeframes for other requests:

- If you are asking for inpatient rehabilitation services after an inpatient hospital admission, we will make a decision within 1 work day of when we have all the information we need, but no later than 7 days after we receive your request. We will tell you by the 7th day if we need more information.

Non-Discrimination Notice

For Medicaid, Child Health Plus, MVP Harmonious Health Care Plan®, and Essential Plans

MVP Health Care® complies with Federal civil rights laws. MVP does not exclude people or treat them differently because of race, color, national origin, age, disability, or sex (as defined in 45 CFR § 92.101(a)(2)).

MVP Health Care Provides the Following:

Free aids and services to people with disabilities to help you communicate with us, such as:

- Qualified sign language interpreters
- Written information in other formats (large print, audio, accessible electronic formats, other formats)

Free language services to people whose first language is not English, such as:

- Qualified interpreters
- Information written in other languages

If you need these services, call MVP at:

- Medicaid and Child Health Plus members call **1-800-852-7826**
- MVP Harmonious Health Care Plan members call **1-844-946-8002**
- Essential Plan members call **1-888-723-7967**
- TTY users call **711**

How to File a Grievance or Complaint

If you believe that MVP has not given you these services or has treated you differently because of race, color, national origin, age, disability, or sex, you can file a grievance with MVP's Civil Rights Coordinator.

Mail: CIVIL RIGHTS COORDINATOR
MVP HEALTH CARE
625 STATE ST

(TTY 711)

Monday–Friday, 8 am–6 pm

MVP 24/7 Nurse Advice Line

We have a 24/7 Nurse Advice Line that you can call for expert advice if you or a family member has a minor injury or illness. Call **1-800-852-7826** to talk to a nurse anytime.

Visit Us Online

You can visit MVP anytime at **mvphealthcare.com**.

- Search our online health library, Healthwise® Knowledgebase

Sign in to Gia® to:

- Access plan information
- Search for providers/ specialists by location
- View your Member ID cards

MVPMDC0015 (Revised 11/2025) MVP D0000

Where to Find the Information You Want

MVP HEALTH CARE

Welcome to the MVP Medicaid Managed Care Program

We are glad that you have chosen MVP. This handbook will be your guide to the full range of health care services available to you. We want to be sure you get off to a good start as a new member. In order to get to know you better, we will get in touch with you in the next two or three weeks. You can ask us any questions you have, or get help making appointments. If you need to speak with us before we call you, call us at **1-800-852-7826** (TTY 711).

How Managed Care Works

The Plan, Our Providers, and You

Managed care provides a central home for your care.

- We have a group of health care providers to meet your needs. These doctors and specialists, hospitals, labs, and other health care facilities make up our provider network. Our provider network is listed in our provider directory. To get a provider directory, call **1-800-852-7826** (TTY 711) to get a copy or visit our website at **mvphealthcare.com/findadoctor**
- When you join MVP, you will need to select a Primary Care Provider (PCP) from our provider network. If you need to have a test, see a specialist, or go into the hospital, your PCP will arrange it
- Even though your PCP is your main source for health care, in some cases, you can self-refer to certain doctors for some services. See page 9 for details

Your PCP is available to you every day, day and night. If you need to speak to them after hours or weekends, leave a message and how you can be reached. Your PCP will get back to you as soon as possible. See *How to Get Specialty Care* on page 18 of this Handbook for details.

You may be restricted to certain MVP providers if you have been identified as a **restricted recipient**. **You may be restricted if you:**

- Get care from several doctors for the same problem
- Get medical care more often than needed
- Use prescription medicine in a way that may be dangerous to your health
- Allow someone other than yourself to use your MVP Member ID card

Confidentiality

We respect your right to privacy. MVP recognizes the trust needed between you, your family, your doctors, and other care providers. MVP will never give out your medical or behavioral health history without your written approval. The only persons that will have your clinical information will be MVP, your PCP and other providers who give you care, and your authorized representative. Referrals to such providers will always be discussed with you in advance by your PCP or your Health Home Care Manager, if you have one. MVP staff have been trained in keeping strict member confidentiality.

How to Use This Handbook

This handbook will help you when you join a managed care plan. It will tell you how your new health care plan works and how you can get the most from MVP. This handbook is your guide to health and wellness services. It tells you the steps to take to make the plan work for you.

The first several pages will tell you what you need to know right away. The rest of the handbook can wait until you need it. Use it for reference or check it out a bit at a time.

When you have a question, check this Handbook or call MVP Member Services. You can also call the managed care staff at your local Department of Social Services (see *Important Resources* at the front of this Member Guide). You can also call the New York Medicaid Choice Help Line at **1-800-505-5678**.

Help From MVP Member Services

There is someone available to help you in MVP Member Services.

Call **1-800-852-7826**
(TTY 711)
Monday–Friday, 8 am–6 pm

After hours, you can leave a voicemail at the phone numbers listed above—we respond to messages on the next business day.

There is a Nurse Advice Line available 24 hours a day, seven days a week.

Call **1-800-852-7826** (TTY 711)

Use this service to:

- Get information about an illness, medical condition, or injury when your doctor is not available
- Help you to understand your treatment options
- Provide guidance in preparing for doctor visits

You can call MVP Member Services to get help anytime you have a question. You may call us to choose or change your PCP, to ask about benefits and services, to get help with referrals, to replace a lost Member ID card, to report the birth of a new baby, or ask about any change that might affect you or your family's benefits.

If you are or become pregnant, your child will become part of MVP on the day he or she is born. This will happen unless your newborn child is in a group that cannot join managed care. You should call us and your Local Department of Social Services (see Important Resources at the front of this book for phone numbers) right away if you become pregnant and let us help you choose a doctor for your newborn baby before he or she is born.

We offer free sessions to explain our health plan and how we can best help you. It's a great time for you to ask questions and meet other members. If you'd like to come to one of the sessions, call us to find a time and place that is best for you.

If you do not speak English, we can help. We want you to know how to use your health care plan, no matter what language you speak. Just call us and we will find a way to talk to you in your own language. We have a group of people who can help. We will also help you find a PCP who can serve you in your language.

For people with disabilities: if you use a wheelchair, are blind, or have trouble hearing or understanding, call us if you need extra help. We can tell you if a particular provider's office is wheelchair accessible or is equipped with special communications devices.

Also, we have services like:

- TTY machine; our TTY phone number is **711**
- Information in large print
- Case management
- Help in making or getting to appointments

- Names and addresses of providers who specialize in your disability

If you or your child are getting care in your home now, your nurse or attendant may not know you have joined our plan. Call us right away to make sure your home care does not stop unexpectedly.

Your MVP Member ID Card

After you enroll, we'll send you your **MVP Member ID card**. Your card should arrive within 14 days after your enrollment date. Your card has your PCP's name and phone number, and your Client Identification Number (CIN) on it. If anything is wrong on your ID card, call us right away. Your ID card does not show that you have Medicaid or that MVP is a special type of health plan.

Carry your ID card at all times and show it each time you go for care. If you need care before the card comes, call MVP Member Services at **1-800-852-7826** (TTY 711). You should keep your Medicaid benefit card. You will need that card to get services that MVP does not cover.

If you lose your MVP Member ID card and need a replacement, call MVP Member Services.

You will also receive a **DentaQuest Dental ID card** to receive your dental benefits (see *Dental Care* on page 29 of this handbook).

MVP HEALTH CARE

First Things You Should Know

How to Choose Your Primary Care Provider

You may have already picked your Primary Care Provider (PCP) to serve as your regular doctor. This person could be a doctor or a nurse practitioner or other health care provider. **If you have not chosen a PCP for you and your family, you should do so right away.** If you do not choose a doctor within 30 days, we will choose one for you. Each family member can have a different PCP, or you can choose one PCP to take care of the whole family. A pediatrician treats children, a family practice doctor treats the whole family, and an internal medicine doctor treats adults. Members may also choose to have their PCP located in a Behavioral Health Clinic. MVP Member Services can help you choose a PCP or check to see if you already have a PCP.

MVP has a network of providers that includes doctors, clinics, hospitals, labs, and others who work with the MVP Medicaid Managed Care plan. To find providers, addresses, phone numbers, and special training of the doctors, visit **mvphealthcare.com/findadoctor**. If you would like a printed directory of our providers, call MVP Member Services at **1-800-852-7826**.

You may want to find a doctor:

- Whom you have seen before
- Who understands your health problems
- Who is taking new patients
- Who can serve you in your language
- Who is easy to get to

Women can also choose one of our OB/GYN doctors to deal with women's health issues. Women do not need a PCP referral to see a plan OB/GYN doctor. They can have routine check-ups (twice a year), follow-up care if there is a problem, and regular care during pregnancy. If you are pregnant, please remember to call MVP Member Services to enroll in our Little Footprints℠ Program.

MVP also contracts with Federally Qualified Health Centers (FQHCs). All FQHCs give primary and specialty care. Some consumers want to get their care from FQHCs because the centers have a long history in the neighborhood. Maybe you want to try them because they are easy to get to. **You should know that you have a choice.** You can choose any one of the providers listed in our directory or you can sign up with a PCP at one of the FQHCs that we work with listed below. You can find FQHCs by visiting **mvphealthcare.com/findadoctor**. Just call MVP Member Services at **1-800-852-7826** (TTY 711) if you need help.

List of FQHCs

There are four instances when you can still see another provider that you had before you joined MVP. In these cases, your provider must agree to work with MVP.

You can continue to see your doctor if:

- You are more than three months pregnant when you join MVP and you are getting prenatal care. In that case, you can keep your doctor until after your delivery and through postpartum care. This post-partum care continues up to 12 weeks after delivery.
- At the time you join MVP, you have a life threatening disease or condition that gets worse with time. In that case, you can ask to keep your doctor for up to 60 days.
- At the time you join MVP, you are being treated for a behavioral health condition. In most cases, you can still go to the same provider. Some people may have to choose a provider that works with the health plan. Be sure to talk to your provider about this change. MVP will work with you and your provider to make sure you keep getting the care you need.
- At the time you join MVP, regular Medicaid paid for your home care and you need to keep getting that care for at least 120 days. In that case, you can keep your same home care agency, nurse, or attendant, and the same amount of home care for at least 90 days.

MVP must tell you about any changes to your home care before the changes take effect.

If you have a long-lasting illness, like HIV/AIDS or other long term health problems, you may be able to choose a specialist to act as your PCP. To find out if you have such a condition, we will talk with your doctor and consider a number of things, including:

- Your current health
- Anything serious that might happen if you had to change doctors

You may be referred to a specialty care center that will meet your treatment needs. All requests for routine care must be made by you through your PCP. We will review your situation and let you know if your request for this type of specialty care has been approved.

Changing Your Primary Care Provider

If you need to, you can change your PCP in the first 30 days after your first appointment with your PCP. After that, you can change to a new doctor every six months without cause or more often if you have a good reason. To change your PCP, call MVP Member Services. We will help you find a doctor who is right for you. If you do not choose a PCP within 30 days of enrollment and MVP is unable to reach you, we will choose a PCP for you. If you do not wish to keep this PCP, you may change to a new doctor by calling MVP Member Services. You can also change your OB/GYN or a specialist to whom your PCP has referred you.

If your provider leaves MVP, we will tell you within 15 days from when we know about this. If you wish, you may be able to see that provider if you are more than three months pregnant or if you are receiving ongoing treatment for a condition. If you are pregnant, you may continue to see your doctor for up to 12 weeks after delivery. If you

are seeing a doctor regularly for an ongoing condition, you may continue your present course of treatment for up to 90 days. Your doctor must agree to work with MVP during this time.

If any of these conditions apply to you, check with your PCP or call MVP Member Services at **1-800-852-7826** (TTY 711).

How to Get Regular Care

Regular care means exams, regular check-ups, shots, or other treatments to keep you well, give you advice when you need it, and refer you to the hospital or specialists when needed. It means you and your PCP working together to keep you well or to see that you get the care you need.

Day or night, your PCP is only a phone call away. Be sure to call him or her whenever you have a medical question or concern. If you call after hours or weekends, leave a message and where or how you can be reached. Your PCP will call you back as quickly as possible. Remember, your PCP knows you and knows how the health plan works.

Your care must be **medically necessary**. The services you get must be needed to:

- Prevent, or diagnose and correct what could cause more suffering; or
- Deal with a danger to your life; or
- Deal with a problem that could cause illness; or
- Deal with something that could limit your normal activities

Your PCP will take care of most of your health care needs, but you must have an appointment to see your PCP. If ever you can't keep an appointment, call to let your PCP know. If you can, prepare for your first appointment. As soon as you choose a PCP, call to make a first appointment. Your PCP will need to know as much about your medical history as you can tell him or her. Make a list of your medical background, any problems you have now, and the questions you want to ask your PCP. In most cases, your first visit should be within three months of your joining MVP.

If you need care before your first appointment, call your PCP's office to explain the problem. He or she will give you an earlier appointment, but you should still keep the first appointment to discuss your medical history and ask questions.

Use the following list as an appointment guide for our limits on how long you may have to wait after your request for an appointment:

- **Adult baseline and routine physicals:** Within 12 weeks
- **Urgent care:** Within 24 hours
- **Non-urgent sick visits:** Within three days
- **Routine preventive care:** Within four weeks

Use the following list **as the appointment standards for our limits on how long you may have to wait after your request for a behavioral health appointment:**

- **Initial appointment with an outpatient facility or clinic:** 10 business days
- **Initial appointment with a behavioral health care professional who is not employed by or contracted with an outpatient facility or clinic:** 10 business days
- **Follow-up visit after mental health/substance use emergency room (ER) or inpatient visit:** 5 business days
- **Non-urgent mental health or substance use visit:** 5 business days

If you are unable to schedule a behavioral health appointment within the appointment wait times listed above, you, or your designee, may submit an access complaint to MVP by telephone, **1-800-852-7826** (TTY 711) and in writing to MVP Health Care at 625 State St Schenectady, NY 12305-2111 to resolve this issue.

If we are unable to locate a plan participating provider that can treat your behavioral health condition, you can receive a referral to a qualified out-of-network provider who can.

Use the following list as an **appointment guide for our limits on how long you may have to wait after your request for a perinatal appointment**:

- **First trimester**: visit must occur within three weeks of the request for care
- **Second trimester**: visit must occur within two weeks of the request for care
- **Third trimester**: visit must occur within one week of the request for care
- **First newborn visit**: within two weeks of hospital discharge
- **Initial family planning visit** must occur within two weeks of the request for care
- For specialist referrals and urgent matters during pregnancy:
  - **Urgent specialist referrals must be seen as soon as clinically indicated, not to exceed 72 hours**
  - **Non-urgent specialist referrals must be seen as soon as clinically indicated, not to exceed two to four weeks of when the request was made**
  - **For non-emergent, but urgent matters, pregnant persons must be seen within 24-hours of request for care**

How To Get Specialty Care and Referrals

If you need care that your PCP cannot give, he or she will **refer** you to a specialist that can provide the care you need. If your PCP refers you to another doctor, we will pay for your care. Most of these specialists are MVP providers.

Talk with your PCP to be sure you know how referrals work. If you think a specialist does not meet your needs, talk to your PCP. Your PCP can help you if you need to see a different specialist.

There are some treatments and services that your PCP must ask MVP to approve before you can get them. Your PCP will be able to tell you what they are.

If you are having trouble getting a referral you think you need, contact MVP Member Services at **1-800-852-7826** (TTY 711).

If we do not have a specialist in our provider network who can give you the care you need, we will get you the care you need from a specialist outside the MVP network. This is called an **out-of-network referral**. Your PCP or plan provider must ask MVP for approval before you can get an out-of-network referral. If your PCP or plan provider refers you to a provider who is not in our network, you are not responsible for any of the costs except any co-payments as described in this handbook. Ask your PCP to call MVP. We will tell your PCP what information he or she needs to provide for us to determine if an out-of-network specialist is required. A second opinion from an in-plan or in-area provider may be required for medical review purposes. If you have questions about this process or if you are having difficulty getting a referral you think you need, you can call MVP Member Services at **1-800-852-7826** (TTY 711). If you need care right away, we will make a decision within three workdays and notify you and your PCP of our decision by phone and in writing.

Sometimes we may not approve an out-of-network referral because we have a provider in the MVP network that can treat you. If you think our plan provider does not have the right training or experience to treat you, you can ask us to check if your out-of-network referral is medically needed. You will have to ask for

an **plan appeal**. The *Plan Appeals* section on page 48 of this Handbook will tell you how.

You will need to ask your doctor to send with your plan appeal, a statement in writing that says the MVP provider does not have the right training and experience to meet your needs and that s/he recommends an out-of-network provider with the right training and experience who is able to treat you.

If you need to see a specialist for ongoing care, your PCP may be able to refer you for a specified number of visits or length of time. This is called a **standing referral**. If you have a standing referral, you will not need a new referral for each time you need care.

If you have a long-term disease or a disabling illness that gets worse over time, your PCP may be able to arrange for your specialist to act as your PCP, or you can call Member Services to help you access a specialty care center.

Get These Services from MVP Without a Referral

Women's Health Care

You do not need a referral from your PCP to see one of our providers if you:

- Are pregnant
- Need OB/GYN services
- Need family planning services
- Want to see a mid-wife
- Need to have a breast or pelvic exam

Family Planning

You can get the following family planning services without a referral:

- Advice and/or prescription for birth control, including male or female condoms
- Pregnancy tests
- Sterilization
- An abortion

During your visits for these things, you can also get tests for sexually transmitted infections, a breast cancer exam, and a pelvic exam.

You do not need a referral from your PCP to get these services. In fact, you can choose where to get these services. You can use your MVP Member ID card to see one of MVP's family planning providers. Check the MVP Provider Directory or call MVP Member Services for help in finding a provider. Or, you can use your Medicaid card if you want to go to a doctor or clinic outside the MVP provider network. Ask your PCP or call MVP Member Services at **1-800-852-7826** (TTY 711) for a list of places to go to get these services. You can also call the New York State Growing Up Healthy Hotline at **1-800-522-5006** for the names of family planning providers near you.

HIV and Sexually Transmitted Infection Screening

Everyone should know their HIV status. HIV and sexually transmitted infection (STI) screenings are part of your regular health care.

You can get an HIV or STI test any time you have an office or clinic visit. You do not need a referral from your PCP. You can get an HIV or STI test any time you have family planning services. You do not need a referral from your PCP. Just make an appointment with any family planning provider. If you want an HIV or STI test, but not as part of a family planning service, your PCP can provide or arrange it for you.

Or, if you'd rather not see an MVP provider, you can use your Medicaid card to see a family planning provider outside of the MVP network. For help in finding either a Plan provider or a Medicaid

provider for family planning services, call MVP Member Services at **1-800-852-7826** (TTY 711).

Everyone should talk to their doctor about having an HIV test. To get free HIV testing or testing where your name is not given, call **1-800-541-AIDS** (English) or **1-800-233-SIDA** (Spanish).

Some tests are "rapid tests" and the results are ready while you wait. The provider who gives you the test will explain the results and arrange for follow-up care if needed. You will also learn how to protect your partner. If your test is negative, we can help you learn to stay that way.

Eye Care

The covered benefits include the needed services of an ophthalmologist, optometrist, and an ophthalmic dispenser, and include an eye exam and pair of eyeglasses, if needed. Generally, you can get these once every two years, or more often if medically needed. Members diagnosed with diabetes may self-refer for a dilated eye (retinal) examination once in any 12-month period. You just choose one of our participating providers.

New eyeglasses (with Medicaid approved frames) are usually provided once every two years. New lenses may be ordered more often, if, for example, your vision changes more than one-half diopter. If you break your glasses, they can be repaired. Lost eyeglasses, or broken eyeglasses that can't be fixed, will be replaced with the same prescription and style of frames. If you need to see an eye specialist for care of an eye disease or defect, your PCP will refer you.

Behavioral Health (Mental Health and Substance Use)

We want to help you get the mental health and substance use services that you need. If at any time you think you need help with mental health or substance use, you can see behavioral health providers in our network to see what services you may need. This includes services like clinic and detox services. You do not need a referral from your PCP.

Smoking Cessation

You can get medication, supplies, and counseling if you want help to quit smoking. You do not need a referral from your PCP to get these services.

Maternal Depression Screening

If you are pregnant or recently had a baby and think you need help with depression, you can get a screening to see what services you may need. You do not need a referral from your PCP. You can get a screening for depression during pregnancy and for up to a year after your delivery.

Emergencies

You are always covered for emergencies. An emergency means a medical or behavioral condition:

- That comes on all of a sudden, and
- Has pain or other symptoms

An emergency would make an average person fear that they, or someone, will suffer serious harm without care right away.

Examples of an emergency are:

- A heart attack or severe chest pain
- Bleeding that won't stop
- A bad burn
- Broken bones
- Trouble breathing, convulsions, or loss of consciousness
- When you feel you might hurt yourself or others
- If you are pregnant and have signs like pain, bleeding, fever, or vomiting
- Drug overdose

Examples of non-emergencies are:

- A cold or sore throat
- Upset stomach
- Minor cuts and bruises
- Sprained muscles

Non-emergencies may also be family issues, a break up, or wanting to use alcohol or other drugs. These may feel like an emergency, but they are not a reason to go to the emergency room.

If you have an emergency, here's what to do:

If you believe you have an emergency, call 911 or go to the emergency room. You do not need MVP or your PCP's approval before getting emergency care, and you are not required to use our hospitals or doctors.

If you're not sure what to do about an emergency, call your PCP or MVP. Tell the person you speak with what is happening.

Your PCP or an MVP nurse will tell you:

- What to do at home,
- To come to the PCP's office, or
- To go to the nearest emergency room

If you are out of the area when you have an emergency, go to the nearest emergency room.

- Go to the nearest emergency room. If you are discharged from the emergency room with prescriptions, they must be filled at an NYRx Medicaid-enrolled pharmacy.

Remember, you do not need prior approval for emergency services, but use the emergency room only if you have an emergency.

The emergency room should not be used for problems like the flu, sore throats, or ear infections.

If you have questions, call your PCP or MVP at **1-800-852-7826** (TTY 711).

Urgent Care

You may have an injury or an illness that is not an emergency but still needs prompt care. This could be a child with an ear ache who wakes up in the middle of the night and won't stop crying. It could be the flu, you need stitches, a sprained ankle, or a bad splinter you can't remove.

You can get an appointment for an urgent care visit for the same or next day. Whether you are at home or away, call your PCP any time, day or night. If you cannot reach your PCP, call MVP at **1-800-852-7826** (TTY 711). Tell the person who answers what is happening. They will tell you what to do.

Care Outside of the United States

If you travel outside of the United States, you can get urgent and emergency care only in the District of Columbia, Puerto Rico, the Virgin Islands, Guam, the Northern Mariana Islands, and American Samoa. If you need medical care while in any other country, including Canada and Mexico, you will have to pay for it.

We Want to Keep You Healthy

Besides the regular checkups and the shots you and your family need, here are some other ways to keep you in good health:

- Classes for you and your family
- Stop-smoking classes
- Prenatal care and nutrition
- Grief/loss support
- Breastfeeding and baby care
- Stress management
- Weight control

- Cholesterol control
- Diabetes counseling and self-management training
- Asthma counseling and self-management training
- Sexually transmitted infection (STI) testing and protecting yourself from STIs
- Domestic violence services

Call MVP Member Services at **1-800-852-7826** (TTY 711) or visit our website at **mvphealthcare.com/healthandwellness** to find out more and get a list of upcoming classes.

Electronic Notice Option

MVP and our vendors can send you notices about service authorizations, plan appeals, complaints and complaint appeals electronically, instead of by phone or mail.

We can send you these notices through Gia®. You can access Gia online at **my.mvphealthcare.com** or by downloading the *Gia by MVP* Mobile App. To receive these notices electronically, you must register for Gia at **my.mvphealthcare.com** or download the *Gia by MVP* Mobile App.

Once you have registered for Gia and set your communications preferences to paperless, MVP will send these notices to you through this account. If you do not have a digital account, please call the MVP Member Services/ Customer Care Center to help you set up your account. You will receive an email when a new electronic notice is available. You can view and print your electronic notices through Gia by signing in at **my.mvphealthcare.com** or in the *Gia by MVP* Mobile App.

If you want to get these notices electronically, you must ask us. To ask for electronic notices contact us by phone, mail, and through your Gia account:

Phone	**1-800-852-7826** (TTY 711)
Email	**GPEmails@mvphealthcare.com**
Gia	**my.mvphealthcare.com** & *Gia by MVP* Mobile App
Mail To	MVP Health Care ATTN: Member Services/ Customer Care 625 State St Schenectady, New York, 12305

When you contact us, you must:

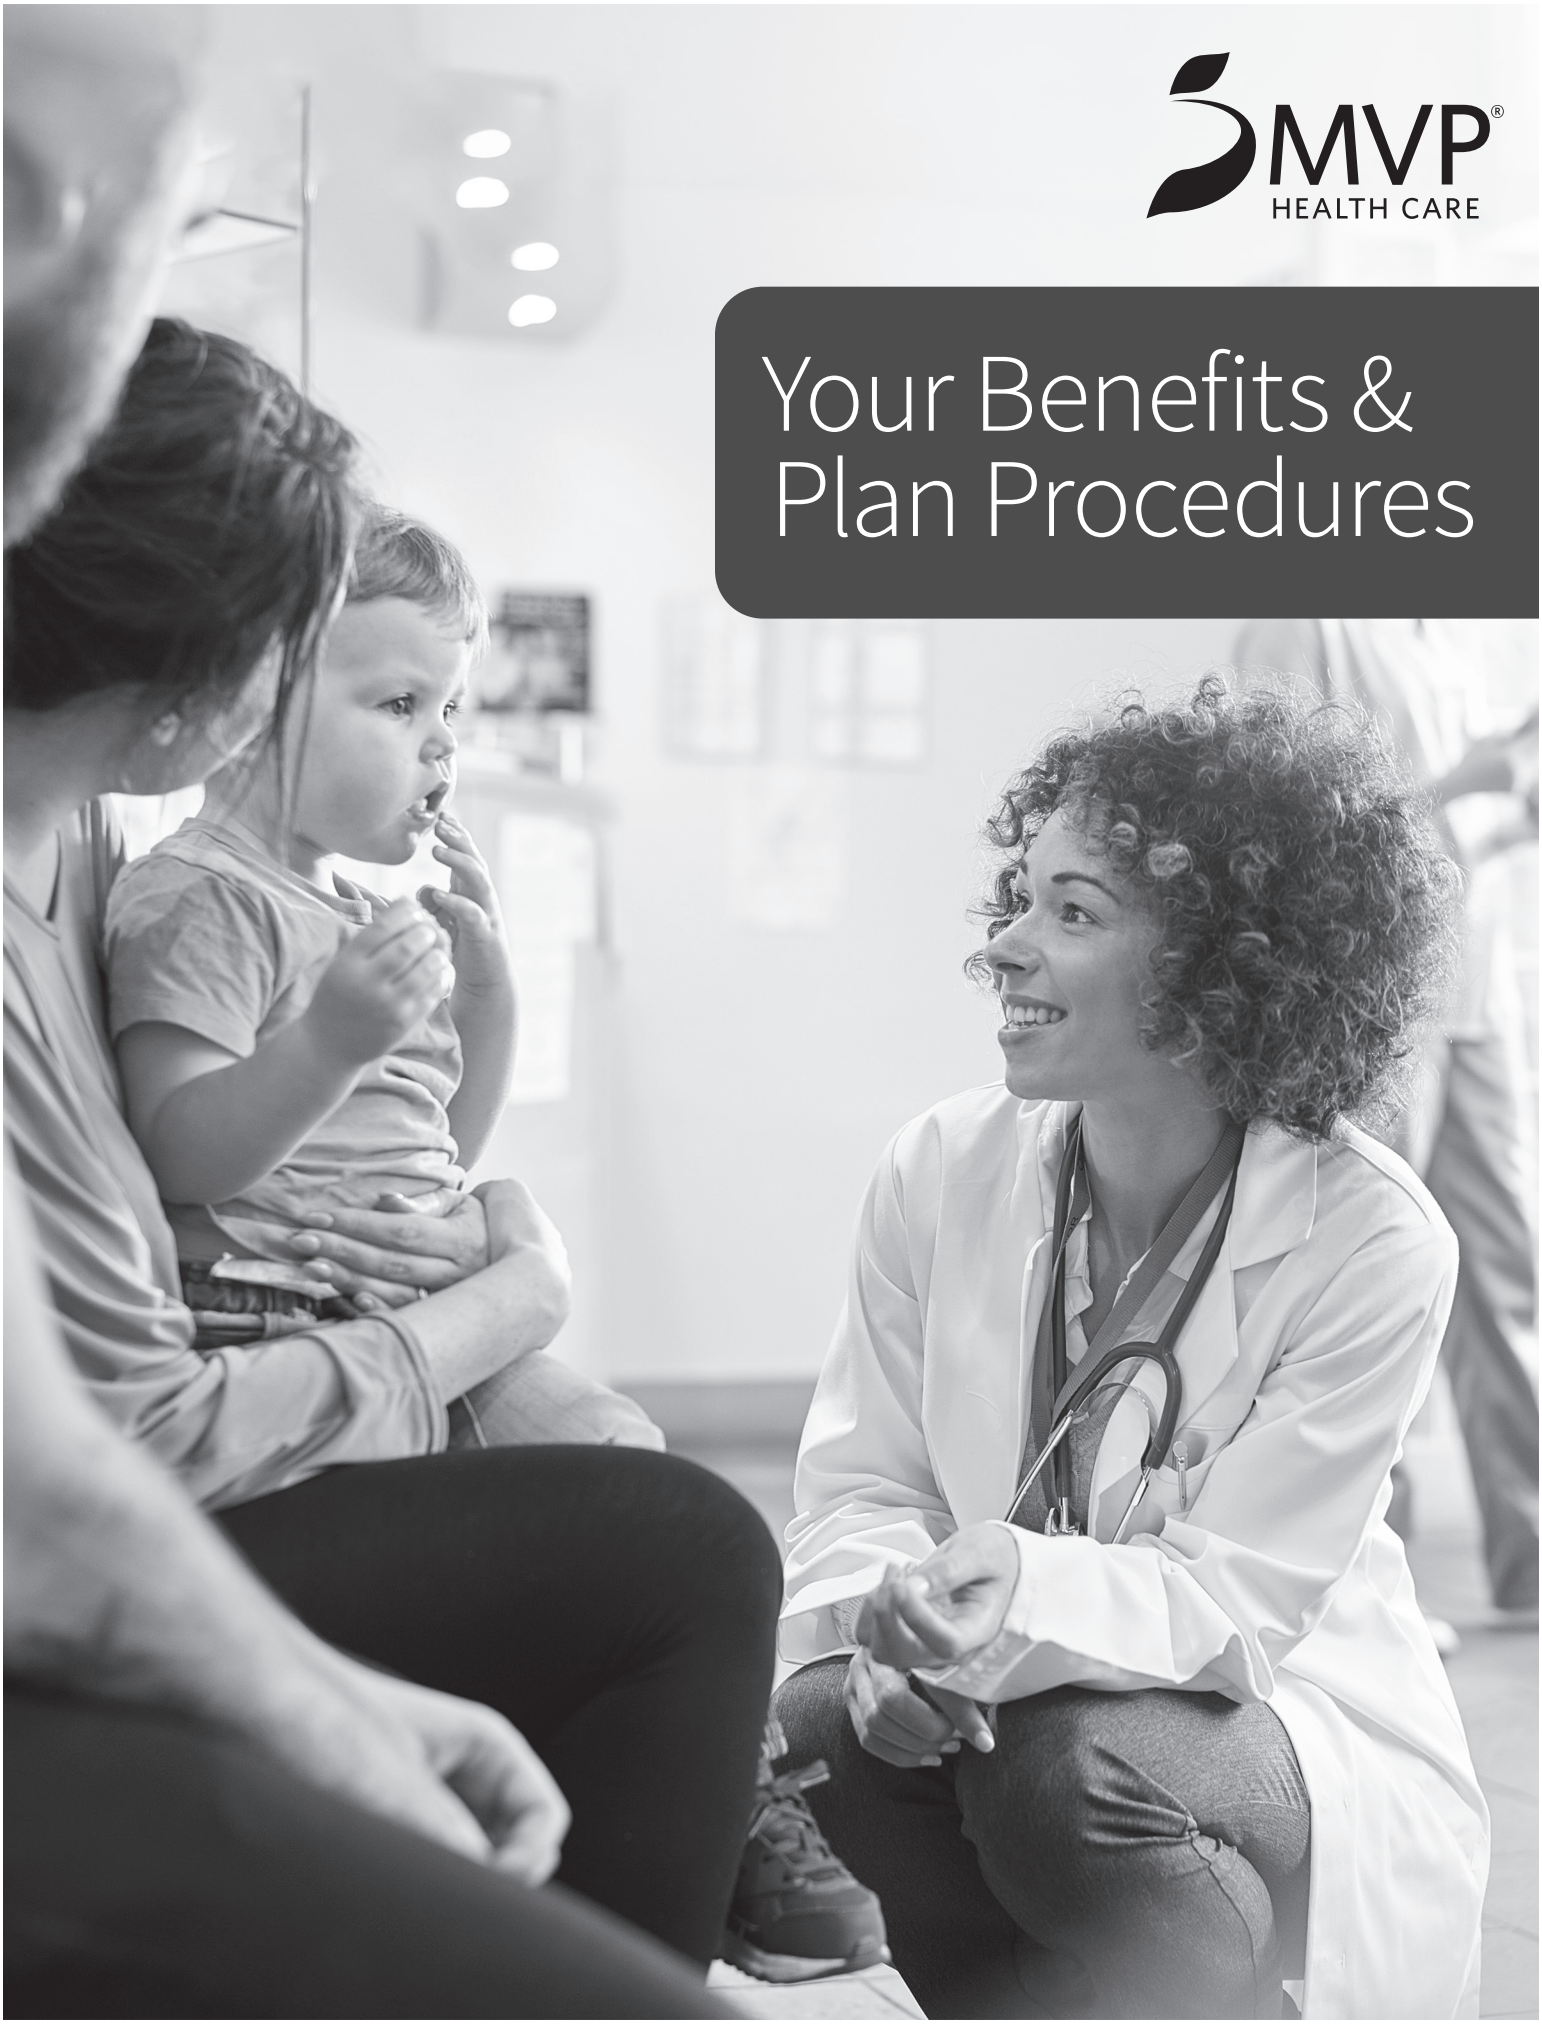
- Tell us how you want to get notices that are normally sent by mail
- Tell us how you want to get notices that are normally made by phone call
- Give us your contact information (MVP Member ID number, mobile phone number, email address, and mailing address)

MVP will let you know by mail that you have asked to get notices electronically.

If you have any questions or need help using Gia, please call the MVP Member Services/Customer Care Center at **1-800-852-7826** (TTY 711).

MVP HEALTH CARE

Your Benefits & Plan Procedures



The rest of this handbook is for your information when you need it. It lists the covered and the non-covered services. If you have a complaint, the handbook tells you what to do. The handbook has other information you may find useful. Keep this handbook handy for when you need it.

Benefits

Medicaid Managed Care provides a number of services you get in addition to those you get with regular Medicaid. MVP will provide or arrange for most services that you will need. You can get a few services, however, without going through your PCP. These include emergency care, family planning/HIV testing and counseling, and specific self-referral services. Please call MVP Member Services at 1-800-852-7826 (TTY 711) if you have any questions or need help with any of the following services.

Services Covered by MVP

You must get these services from the providers who are in MVP Medicaid Managed Care. All services must be medically or clinically necessary and provided or referred by your PCP. Please call MVP Member Services at **1-800-852-7826** (TTY 711) if you have any questions or need help with any of the following services.

Regular Medical Care

- Office visits with your PCP
- Referrals to specialists
- Eye/hearing exams

Preventive Care

- Well-baby care
- Well-child care
- Regular check-ups
- Shots for children from birth through childhood
- Access to Early and Periodic Screening, Diagnosis, and Treatment (EPSDT) services for enrollees from birth until age 21
- Smoking cessation counseling
- Access to free needles and syringes
- HIV education and risk reduction

Maternity Care

- Pregnancy care
- Doctors/mid-wife and hospital services
- Newborn nursery care

Remember to call and enroll in our Little Footprints℠ Program if you are pregnant.

See *Little Footprints Program for Pregnant Members* on page 38 or call **1-866-942-7966** for more information.

Home Health Care

Home Health Care must be medically needed and arranged by MVP, and includes:

- One medically needed postpartum home health visit, additional visits as medically necessary for high-risk women
- At least two visits to high-risk infants (newborns)
- Other home health care visits as needed and ordered by your PCP or specialist

Personal Care/Home Attendant/ Consumer Directed Personal Assistance Service (CDPAS)

Personal Care/CDPAS/home attendant services must be medically needed and arranged by MVP.

- Personal Care/Home Attendant—Help with bathing, dressing and feeding and help with preparing meals and housekeeping

- CDPAS provides help with bathing, dressing and feeding, help preparing meals, and housekeeping, as well as home health aide and nursing tasks. This is provided by an aide chosen and directed by you.

If you want more information about these services, contact MVP at **1-800-852-7826**.

Personal Emergency Response System (PERS)

This is a piece of equipment you wear to get help if you have an emergency. To qualify and receive this service you must be receiving personal care/home attendant or Consumer Directed Personal Assistance Program (CDPAP) services that have been authorized by MVP.

Adult Day Health Care Services

Adult Day Health Care Services provide health education, nutrition and social services, help with daily living, rehabilitative therapy, pharmacy services, plus referrals for dental and other specialty care.

These services must be recommended by your PCP, medically needed, and arranged by MVP.

AIDS Adult Day Health Care Services

AIDS Adult Day Health Care Services coverage provides general medical and nursing care, substance use supportive services, mental health supportive services, nutritional services, plus socialization, recreation, and wellness/health promotion activities.

These services must be recommended by your PCP, medically needed, and arranged by MVP.

Therapy for Tuberculosis

This service provides help taking medication for tuberculosis and follow-up care.

Hospice Care

Hospice helps patients and their families with their special needs that come during the final stages of illness and after death.

Hospice care provides support services and some medical services to patients who are ill and expect to live for one year or less. You can get these services in your home, or in a hospital or nursing home. Hospices services must be medically needed and arranged by MVP.

Children under age 21 who are getting hospice services can also get medically needed curative services and palliative care.

If you have any questions about this benefit, you can call MVP Member Services at **1-800-852-7826**.

Gia®

Get Access to Care Your Way, With Gia®

Gia is your guide to your health and your health plan. Access Gia online or in the app!

Register for Gia at **my.mvphealthcare.com** or download the *Gia by MVP* mobile app to get started. Keep your ID card handy when you set up your account.

To download the *Gia by MVP* mobile app, visit **mvphealthcare.com/getgia**, or visit the App Store® or Google Play™.

Benefit information and access to care—everything you need is right at your fingertips. Learn more about when to use Gia for virtual care at **mvphealthcare.com/UsingGia**.

With Gia, you can:

- View your MVP Member ID Card
- Search your claims history
- Find a participating doctor near you
- Set communication preferences

The *Gia by MVP* mobile app connects you with $0 virtual care 24/7! With the app you can:

- Message a doctor for virtual primary and specialty care
- Get help with an urgent care need
- Easily connect with a behavioral health provider

Gia is your connection to MVP's free virtual care services, including urgently needed care (for issues such as sinusitis, upper respiratory infections/flu, pharyngitis, skin disorders, urinary tract infections (UTI), bronchitis, conjunctivitis, earache, back pain). You can schedule virtual appointments with qualified behavioral health professionals, including psychiatrists, psychologists, and Licensed Clinical Social Workers (LCSW), when and where it's convenient for you. You also can schedule consultations with nutritionists, lactation consultants, and more.

This service is not intended to replace your PCP. It is available 24 hours a day, 365 days a year, and does not require an appointment. For more information, visit **mvphealthcare.com/getgia** or call **1-877-GoAskGia** (1-877-462-7544).

Dental Care

MVP believes that providing you with good dental care is important to your overall health care. We offer dental care through a contract with **DentaQuest**, an expert in providing high quality dental services.

Covered services include regular and routine dental services* such as:

- Preventive dental check-ups
- Cleaning
- X-rays
- Fillings

In certain circumstances, MVP may cover additional services, such as:

- Dentures
- Implants
- Crowns
- Root Canals

You do not need a referral from your PCP to see a dentist.

Our dental network providers are listed in the MVP Find a Doctor Search tool. Please visit mvphealthcare.com/DentaQuest. You can also find or change your dental provider by calling DentaQuest at **1-888-307-6551** (TTY 711), Monday through Friday, 9 am to 6 pm. Customer Service Representatives are there to help you and many speak your language. DentaQuest will find a way to speak to you in your own language.

If you do not select a Primary Care Dentist (PCD), DentaQuest will select one for you. To change your PCD, call DentaQuest at **1-888-307-6551** (TTY 711). You must call DentaQuest to make the change before making an appointment with a new dentist.

If you have a dental emergency, call your PCD. If you are unable to reach your dentist, call DentaQuest at **1-888-307-6551** (TTY 711) to find an emergency treatment site near you.

If your dentist writes you a prescription, use your Medicaid Fee for Service Benefit c**ard** and have the prescription filled at an NYRx Medicaid-enrolled pharmacy that accepts Medicaid Fee for Service.

You can also go to a dental clinic that is run by an academic dental center without a referral. Call MVP Member Services at **1-800-852-7826** (TTY 711) if you need help finding an academic dental center.

** Some services do require authorization. For additional information on covered benefits or any other questions, please contact DentaQuest Customer Care.*

Orthodontic Care

MVP will cover braces for children up to age 21 who have a severe problem with their teeth, such as: can't chew food due to severely crooked teeth, cleft palette, or cleft lip.

Vision Care

Your vision care benefits include:

- Services of an ophthalmologist, ophthalmic dispenser, and optometrist, and coverage for contact lenses, polycarbonate lenses, artificial eyes, and or replacement of lost or destroyed glasses, including repairs, when medically necessary. Artificial eyes are covered as ordered by a plan provider
- Eye exams, generally every two years, unless medically needed more often
- Glasses (new pair of Medicaid approved frames every two years, or more often if medically needed)
- Low vision exam and vision aids ordered by your doctor
- Specialist referrals for eye diseases or defects
- Members diagnosed with diabetes may self-refer for a dilated eye (retinal) examination once in any 12 month period

If you need help finding a vision care provider, you may call MVP at **1-800-852-7826**. Call this number if you have any questions about covered vision care services or participating vision care providers.

Social Care Network (SCN)

You can receive screening and referral to existing local, state and federal services through regional Social Care Networks (SCNs). If you are eligible, these local groups can connect you to services in your community that help with housing, food, transportation, education, employment, and care management at no cost to you.

- After screening through the SCN, you and any interested member(s) in your household can meet with a Social Care Navigator who can confirm eligibility for services that can help with individual health and well-being. They may ask you or members in your household for supporting documentation to determine where extra support may be needed.
- If you or any member(s) in your household qualify for services, the Social Care Navigator can work with you to get the support needed. You may qualify for more than one service, depending on individual eligibility. These services include:
  - Housing and utilities support:
    - Installing home modifications like ramps, handrails, grab bars, pathways, electric door openers, widening of doorways, door and cabinet handles, bathroom facilities, kitchen cabinet or sinks, and non-skid surfaces to make your home accessible and safe.
    - Mold, pest remediation, and asthma remediation services.
    - Providing an air conditioner, heater, humidifier, or dehumidifier to help improve ventilation in your home.
    - Providing small refrigeration units needed for medical treatment.
    - Medical Respite.
    - Helping you find and apply for safe and stable housing in the community which may include assistance with rent and utilities.
  - Nutrition support:
    - Getting help from a nutrition expert who will help you choose healthy foods to meet your health needs and goals.
    - Getting prepared meals, medically tailored meals, food prescriptions, fresh produce, or non-perishable grocery items.

  - Providing cooking supplies like pots, pans, utensils, a microwave, and a refrigerator to prepare meals.
- Transportation services:
  - Helping you with access to public or private transportation to places approved by the SCN such as going to a job interview, parenting classes, housing court to prevent eviction, local farmers' markets, and city or state department offices to obtain important documents.
- Care management services:
  - Getting help with finding a job or job training program, applying for public benefits, managing your finances, and more.
  - Getting connected to services like childcare, counseling, crisis intervention, health homes program, and more.

Getting in Contact with an SCN in your area:

1. You may call the health plan's member services number at **1-800-852-7826** (TTY 711) and we will connect you to the SCN in your area.
2. You may call the SCN serving your county and request a screening or more information. See the SCN contact information in the chart below.
3. You may also visit their website to begin a self-screening.

Once connected with the SCN, a Social Care Navigator will confirm your eligibility by asking questions, requesting supporting documentation (if necessary), tell you more about eligible services, and help you get connected to them.

Hospital Care

Your hospital benefits include:

- Inpatient care
- Outpatient care
- Lab tests, x-rays, and other necessary tests

Emergency Care

Emergency care services are procedures, treatments, or services needed to evaluate or stabilize an emergency.

After you have received emergency care, you may need other care to make sure you remain in stable condition. Depending on the need, you may be treated in the emergency room, in an inpatient hospital room, or in another setting. These are called **Post Stabilization Services**.

For more about emergency services, see *Emergencies* on page 20.

Specialty Care

Your specialty care benefits includes the services of other practitioners, including:

- Physical therapist
- Occupational and speech therapists
- Audiologists
- Midwives
- Cardiac rehabilitation

MVP covers medically necessary physical therapy (PT), occupational therapy (OT), and speech therapy (ST) visits that are ordered by a doctor or other licensed professional. To learn more about these services, call MVP Member Services at **1-800-852-7826** (TTY 711).

Residential Health Care Facility Care Services (Nursing Home)

Covered nursing home services include:

- Short term, or rehab stays, and long term care
- Medical supervision
- 24-hour nursing care
- Assistance with daily living
- Physical therapy
- Occupational therapy
- Speech-language pathology

To get these nursing home services, the services must be ordered by your provider and be authorized by MVP.

Rehabilitation

MVP covers short term rehabilitation (also known as rehab) stays, in a skilled nursing home facility.

Long Term Placement

MVP covers long term placement in a nursing home facility for members 21 years of age and older. **Long term placement means you will live in a nursing home.** When you are eligible for long term placement, you may select one of the nursing homes that are in the MVP network that meets your needs. If you want to live in a nursing home that is not part of the MVP network, you must first transfer to another plan that has your chosen nursing home in its network.

ELIGIBLE VETERANS, SPOUSES OF ELIGIBLE VETERANS, AND GOLD STAR PARENTS OF ELIGIBLE VETERANS may choose to stay in a Veterans' nursing home.

Determining Your Medicaid Eligibility for Long Term Nursing Home Services

You must apply to your local Department of Social Services (LDSS) to have Medicaid and/or MVP pay for long term nursing home services. The LDSS will review your income and assets to determine your eligibility for long term nursing home services. The LDSS will let you know about any costs you may have to contribute toward your long term nursing home care.

If you have any questions about nursing home benefits, call MVP Member Services at **1-800-852-7826** (TTY 711).

Additional Resources

If you have concerns about long term nursing home care, choosing a nursing home, or the effect on your finances, there are additional resources to help.

- **Independent Consumer Advocacy Network (ICAN)** provides free and confidential assistance. Call **1-844-614-8800**, **icna@cssny.org** or visit **icannys.org**.
- **The New York State Office for the Aging's Health Insurance Information, Counseling, and Assistance Program (HIICAP)** provides free counseling and advocacy on health insurance questions. Call HIICAP at **1-800-701-0501**
- **NY CONNECTS** program is a link to long term service and supports. Contact NY CONNECTS at **1-800-342-9871** or visit **nyconnects.ny.gov**.
- **Nursing Home Bill of Rights (NHBOR)** describes your rights and responsibilities as a nursing home resident. To learn more about NHBOR, visit **health.ny.gov/facilities** and select *Nursing Homes and other Long-Term Care Services*, then *Your Rights as a Nursing Home Resident in New York State*.

Behavioral Health Care

Behavioral health care includes mental health and substance use treatment and rehabilitation services. All of our members have access to behavioral health services which include:

Adult Mental Health Care

- Psychiatric services
- Psychological services
- Inpatient and outpatient mental health treatment
- Injections for behavioral health related conditions
- Rehab services if you are in a community home or in family-based treatment
- Individual and group counseling through Office of Mental Health (OMH) clinics

Adult Outpatient Mental Health Care

- Continuing Day Treatment (CDT)
- Partial Hospitalization (PH)

Adult Outpatient Rehabilitative Mental Health Care

- Assertive Community Treatment (ACT)
- Personalized Recovery Oriented Services (PROS)

Adult Mental Health Crisis Services

- Comprehensive Psychiatric Emergency Program (CPEP) including extended observation bed
- Crisis intervention services
  - Mobile Crisis and Telephonic Crisis Services
- Crisis Residential Programs:
  - Residential Crisis Support: This is a program for people who are age 18 or older with symptoms of emotional distress. These symptoms cannot be managed at home or in the community without help.
- Intensive Crisis Residence: This is a treatment program for people who are age 18 or older who are having severe emotional distress.

Substance Use Disorder Services for Adults age 21+

- Crisis Services/Detoxification
  - Medically Managed Withdrawal and Stabilization Services
  - Medically Supervised Inpatient Withdrawal and Stabilization Services
  - Medically Supervised Outpatient Withdrawal and Stabilization Services
- Inpatient Rehabilitation Services
- Residential Addiction Treatment Services
  - Stabilization

  - Rehabilitation
  - Reintegration
- Outpatient Addiction Treatment Services
  - Outpatient Clinic
    - Intensive Outpatient Treatment
    - Ancillary Withdrawal Services
    - Medication Assisted Treatment
  - Outpatient Rehabilitation Services
  - Opioid Treatment Programs (OTP)
- Gambling Disorder Treatment Provided by Office of Addiction Services and Supports (OASAS) Certified Programs
  - MVP covers Gambling Disorder Treatment provided by Office of Addiction Services and Supports (OASAS) certified programs.
  - You can get Gambling Disorder Treatment:
    - face-to-face; or
    - through telehealth.
  - If you need Gambling Disorder Treatment, you can get it from an OASAS outpatient program or if necessary, an OASAS inpatient or residential program.
  - You do not need a referral from your Primary Care Provider (PCP) to get these services. If you need help finding a provider, please call MVP Member Services at **1-800-852-7826** (TTY 711).

Harm Reduction Services

If you need help related to a substance use disorder, Harm Reduction Services can offer a complete patient-oriented approach to your health and well-being. MVP covers services that may help reduce substance use and other related harms. These services include:

- A plan of care developed by a person experienced in working with substance users
- Individual supportive counseling that assists in achieving your goals
- Group supportive counseling in a safe space to talk with others about issues that affect your health and well-being
- Counseling to help you with taking your prescribed medication and continuing treatment
- Support groups to help you better understand substance use and identify coping techniques and skills that will work for you

To learn more about these services, call Member Services at **1-800-852-7826** (TTY 711).

Mental Health Care for Individuals Under Age 21

All eligible children under age 21:

- Comprehensive Psychiatric Emergency Program (CPEP) including Extended Observation bed
- Partial hospitalization
- Inpatient psychiatric services
- Individual and group counseling through OMH clinics
- Children and Family Treatment and Support Services (CFTSS), including:
  - Other Licensed Practitioner (OLP)
  - Psychosocial Rehabilitation (PSR)
  - Community Psychiatric Supports and Treatment (CPST)
  - Family Peer Support Services (FPSS)
  - Crisis Intervention (CI)
  - Youth Peer Support (YPS)
- Psychiatric services
- Psychological services
- Injections for behavioral health related conditions
- Children's Crisis Residence: This is a support and treatment program for people under age 21. These services help people cope with an emotional crisis and return to their home and community.

Mental Health Services for Eligible children under age 21 (ages 18–20)

- Assertive Community Treatment (ACT)
- Continuing Day Treatment (CDT)
- Personalized Recovery Oriented Services (PROS)
- Crisis Residential Programs:
  - Residential Crisis Support: This is a program for people who are age 18 or older with symptoms of emotional distress. These symptoms cannot be managed at home or in the community without help.
  - Intensive Crisis Residence: This is a treatment program for people who are age 18 or older who are having severe emotional distress.

Substance Use Disorder Care for Individuals Under Age 21

- Crisis Services/Detoxification
  - Medically Managed Withdrawal and Stabilization Services
  - Medically Supervised Inpatient Withdrawal and Stabilization Services
  - Medically Supervised Outpatient Withdrawal and Stabilization Services
- Inpatient Rehabilitation Services
- Residential Addiction Treatment Services
  - Stabilization
  - Rehabilitation
  - Reintegration
- Outpatient Addiction Treatment Services
  - Outpatient Clinic
    - Intensive Outpatient Treatment
    - Ancillary Withdrawal Services
    - Medication Assisted Treatment
  - Outpatient Rehabilitation Services
  - Opioid Treatment Programs (OTP)

Infertility Benefits

If you are unable to get pregnant, MVP covers services that may help.

MVP will cover the coordination of care related to limited infertility drugs covered by the Medicaid pharmacy program. The infertility benefit includes:

- Office visits
- X-rays of the uterus and fallopian tubes
- Pelvic ultrasound
- Blood testing

Eligibility

You may be eligible for infertility services if you meet the following criteria:

- You are 21–34 years old and are unable to get pregnant after 12 months of regular, unprotected sex
- You are 35–44 years old and are unable to get pregnant after six months of regular, unprotected sex

National Diabetes Prevention Program (NDPP) Services

If you are at risk of developing Type 2 diabetes, MVP covers services that may help.

MVP will cover diabetes prevention services through the National Diabetes Prevention Program (NDPP). This benefit will cover 22 NDPP group training sessions over the course of 12 months.

The National Diabetes Prevention Program is an educational and support program designed to assist at-risk people from developing Type 2 diabetes. The program consists of group training sessions that focus on the long-term, positive effects of healthy eating and exercise. The goals for these lifestyle changes include modest weight loss and increased physical activity. NDPP sessions are taught using a trained lifestyle coach.

Eligibility

You may be eligible for diabetes prevention services if you have a recommendation by a provider or other licensed practitioner and meet **all** of the following criteria:

- Are at least 18 years old
- Are not currently pregnant
- Are overweight
- Have not been previously diagnosed with Type 1 or Type 2 diabetes

In addition, you must meet **one** of the following criteria:

- You have had a blood test result in the prediabetes range within the past year
- You have been previously diagnosed with gestational diabetes
- You score five or higher on the CDC/American Diabetes Association (ADA) Prediabetes Risk Test.

Talk to your doctor to see if you qualify to take part in the NDPP.

Children's Home and Community Based Services

New York State covers Children's Home and Community Based Services (HCBS) under the children's waiver. MVP covers children's HCBS for members participating in the children's waiver and provides care management for these services.

Children's HCBS offer personal, flexible services to meet the needs of each child or youth. HCBS is provided where children, youth, and families are most comfortable and supports them as they work towards goals and achievements.

Who can get Children's HCBS?

Children's HCBS are for children and youth who:

- Need extra care and support to remain at home/in the community
- Have complex health, developmental and/or behavioral health needs
- Want to avoid going to the hospital or a long-term care facility
- Are eligible for HCBS and participate in the Children's Waiver

MVP members under age 21 will be able to get these services from their health plan:

- Non Medical Transportation
- Community habilitation
- Day habilitation
- Caregiver/Family Advocacy and Support Services
- Prevocational services (children age 14 and older)
- Supported employment (children age 14 and older)
- Respite services (planned respite and crisis respite)
- Palliative care
  - Expressive Therapy
  - Massage Therapy
  - Bereavement Service
  - Pain and Symptom Management
- Environmental modifications
- Vehicle modifications
- Adaptive and Assistive Technology

Children and youth participating in the Children's Waiver must receive care management. Care management provides a person who can help you find and get the services that are right for you.

If you are getting care management from a Health Home Care Management Agency (CMA), you can stay with your CMA. MVP will work with your CMA to help you get the services you need.

If you are getting care management from the Children and Youth Evaluation Service (C-YES), MVP will work with C-YES and provide your care management.

Applied Behavioral Analysis Services

MVP covers Applied Behavior Analysis (ABA) therapy provided by a:

- Licensed Behavioral Analyst (LBA), or
- Certified Behavioral Analyst Assistant (CBAA) under the supervision of an LBA

Who can get ABA services?

Children/youth under the age of 21 with a diagnosis of autism spectrum disorder and/or Rett Syndrome.

If you think you are eligible to get ABA services, talk to your provider about this service. MVP will work with you and your provider to make sure you get the service you need.

ABA services include:

- Assessment and treatment by a provider, licensed behavioral analyst, or certified behavior analyst assistant
- Individual treatments delivered in the home or other setting
- Group adaptive behavior treatment
- Training and support to family and caregivers

To learn more about these services, contact the MVP Member Services/Customer Care Center at **1-800-852-7826** (TTY 711).

Transportation

If you need emergency transportation, call 911.

If you select an MVP network provider located outside of the time and distance standards, you will be responsible to arrange and pay for transportation to and from the PCP's location.

See page 42 for *Transportation Services* you can get using your Medicaid Benefit card only.

Case Management

Our main goal is to assist you in being a partner in your own health care and the health care of your family. Case Management is a service that is available to all MVP Medicaid members. Registered nurses trained to assist you in managing your care are part of our Case Management Department. Our Case Managers can give you information about your health condition (such as asthma, pregnancy, diabetes, lead poisoning, etc), assist you in coordinating your care with your PCP or any specialist in our system that your PCP refers you to, and help you with other health care issues. If you would like to speak to one of MVP's Case Managers, please call MVP Member Services at **1-800-852-7826** and ask for the Case Management Department.

Gambling Disorder Treatment Provided by Office of Addiction Services and Supports Certified Programs

MVP covers Gambling Disorder Treatment that is provided by Office of Addition Services and Supports (OASAS) certified programs.

You can get Gambling Disorder Treatment:

- face-to-face
- through telehealth

If you need Gambling Disorder Treatment services, you can get them from an OASAS outpatient program ,or if necessary, an OASAS inpatient or residential program.

You do not need a referral from your PCP to get these services. To learn more about these services, or if you need help finding a provider, contact the MVP Member Services/Customer Care Center at **1-800-852-7826** (TTY 711).

Health Home Care Management

MVP wants to meet all of your health needs. If you have multiple health issues, you may benefit from Health Home Care Management to help coordinate all of your health services.

A Health Home Care Manager can:

- work with your PCP and other providers to coordinate all of your health care
- work with the people you trust, like family members or friends, to help you plan and get your care
- help with appointments with your PCP and other providers
- help manage ongoing medical issues like diabetes, asthma, and high blood pressure

To learn more about Health Homes, call MVP Member Services at **1-800-852-7826** (TTY 711).

Harm Reduction Services

If you are in need of help related to substance use disorder, Harm Reduction Services can offer a complete patient-oriented approach to your health and well-being. MVP covers services that may help reduce substance use and other related harms.

These services include:

- A plan of care developed by a person experienced in working with substance users
- Individual supportive counseling that assists in achieving your goals
- Group supportive counseling in a safe space to talk with others about issues that affect your health and well-being
- Counseling to help you with taking your prescribed medication and continuing treatment
- Support groups to help you better understand substance use and identify coping techniques and skills that will work for you

To learn more about these services, call MVP Member Services at **1-800-852-7826** (TTY 711).

Little Footprints℠ Program for Pregnant Members

The Little Footprints program is a special MVP Case Management program for pregnant members. The program's services begin as soon as we receive information that someone is pregnant.

We urge our pregnant members to contact us as soon as possible so we can send important health education materials and coordinate care and services with the member's provider to make sure each pregnant member receives the proper prenatal health care. As an added bonus, we have attractive gift items for all pregnant members that are useful to new mothers and their babies.

Mastectomy-Related Services

The Women's Health and Cancer Rights Act of 1998 requires MVP Health Care to provide benefits for mastectomy-related services including reconstruction and surgery to achieve symmetry between the breasts, prostheses, and complications resulting from a mastectomy (including lymphedema). For more information, call MVP Member Services at **1-800-852-7826** (TTY 711).

Article 29-I Voluntary Foster Care Agency (VFCA) Health Facility Services

MVP covers Article 29-I VFCA Health Facility services for children and youth under age 21.

29-I VFCA Health Facilities work with families to promote well-being and positive outcomes for children in their care. 29-I VFCA Health Facilities use trauma informed practices to meet the unique needs of each child.

29-I VFCA Health Facilities may only serve children and youth referred by the local district of social services.

The 29-I VFCA Health Facility services available include:

Core Limited Health-Related Services

- Skill Building
- Nursing Supports and Medication Management
- Medicaid Treatment Planning and Discharge Planning

- Clinical Consultation and Supervision
- Managed Care Liaison/Administration

And Other Limited Health-Related Services

- Screening, diagnosis, and treatment services related to physical health
- Screening, diagnosis, and treatment services related to developmental and behavioral health
- Children and Family Treatment and Support Services (CFTSS)
- Children's Home and Community Based Services (HCBS)

MVP will cover Core Limited Health Related Services for children and youth placed with a 29-I VFCA Health Facility.

MVP will cover Other Limited Health Related Services provided by 29-I VFCA Health Facilities to eligible children and youth.

To learn more about these services, call MVP Member Services at **1-800-852-7826** (TTY 711).

Chronic Disease Self-Management Program (CDSMP) for Arthritis

MVP covers the Chronic Disease Self-Management Program (CDSMP) for adults aged 18 years and older, which aims to increase confidence, physical and mental well-being, and knowledge to manage long term conditions.

This program may help prevent you from:

- going to the emergency room;
- being admitted into the hospital; and/or
- needing other medical care for your arthritis.

Each CDSMP series meets 2.5 hours once per week, for a total of six weeks.

Eligibility

You may be eligible for CDSMP for arthritis services if you have a recommendation by a physician, or other licensed practitioner, and are:

- At least 18 years old; and
- Diagnosed with arthritis.

Talk to your provider to see if you qualify to take part in the CDSMP for arthritis.

Doula Services

MVP covers doula services during pregnancy and up to 12 months after the end of pregnancy, no matter how the pregnancy ends. Currently, members can access doula services by using their Medicaid card. You can use your MVP plan card to receive doula services.

What is a Doula?

Doulas provide physical, emotional, educational, and non-medical support for pregnant and postpartum persons before, during, and after childbirth or end of pregnancy.

What Doula Services are Available?

Doula services can include up to eight (8) visits with a doula during and after pregnancy and continuous support while in labor and during childbirth. If you become pregnant within the 12 months following a prior pregnancy, your eligibility for doula services will start over with the new pregnancy. Any unused doula services from the prior pregnancy will not carry over.

Doula services may include:

- The development of a birth plan;
- Ongoing support throughout the pregnancy;
- Continuous support during labor and childbirth;
- Education and information on pregnancy, childbirth, and early parenting;
- Assisting with communication between you and your medical providers; and
- Connecting you to community-based childbirth and parenting resources.

Eligibility

If you are pregnant or have been pregnant within the last 12 months, you are eligible for doula services. You are eligible for these services with each pregnancy.

If you started to receive doula services with a Medicaid-enrolled doula(s) before April 1, 2025, your doula services will continue to be covered until 12 months after the end of your pregnancy. If you start to receive doula services on or after April 1, 2025, your doula needs to participate with MVP.

Gender Dysphoria Related Care and Services

MVP covers the following gender dysphoria related care and services:

- Gender Reassignment (sex change) Surgeries, Services, and Procedures,
- Puberty Suppressants (medications used to delay the effects of puberty), and
- Cross-Sex Hormone Therapy (hormone medications used to help with sex change).

What is Gender Dysphoria?

Gender Dysphoria is the feeling of discomfort or distress that might occur when there is a conflict between the sex you were assigned at birth and the gender you identify with.

Gender Reassignment Surgery

Prior to surgery for the treatment of gender dysphoria, you must:

- receive a medical necessity determination from a qualified medical professional,
- be 18 years of age or older. Members under 18 years of age will be reviewed on a case-by-case basis for medical necessity and must receive prior approval from MVP as applicable.
- have lived in a gender role consistent with your gender identity for 12 months. During this time, you must have received behavioral health counseling, as deemed necessary by your treating qualified medical professional, and
- have two letters from qualified New York State licensed health professionals recommending surgery based upon their own assessment.

Puberty Suppressants and Cross-Sex Hormones

MVP will provide medically necessary hormone therapy for treatment of gender dysphoria.

Treatment with puberty suppressants, must be:

- based upon a determination from a qualified medical professional.

Treatment with cross-sex hormones, must meet the following age specific criteria:

- Members 16 years of age or older must receive a determination of medical necessity made by a qualified professional
- Members 16 and 17 years of age must also receive a determination from a qualified medical professional that you are eligible and ready for treatment
- Members under 16 years of age, must meet the above criteria and receive prior approval from MVP, as applicable

Talk to your health care provider to see if you qualify for gender dysphoria related care and services. To learn more about these services, call the MVP Member Services/Customer Care Center at **1-800-852-7826** (TTY 711).

Other Covered Services

- Durable medical equipment (DME)/ hearing aids/prosthetics/orthotics
- Court ordered services
- Case management
- Help getting social support services
- Federally Qualified Health Center (FQHC) services

- Services of a Podiatrist as medically necessary

Benefits You Can Get From MVP or With Your Medicaid Benefit Card

For some services, you can choose where to get the care. You can get these services by using your MVP Member ID card. You can also go to providers who will take your Medicaid Benefit card. You do not need a referral from your PCP to get these services. Call us at **1-800-852-7826** (TTY 711) if you have questions.

Family Planning

You can go to any doctor or clinic that takes Medicaid and offers family planning services. You can visit one of our family planning providers as well. You do not need a referral from your PCP.

You can get birth control drugs, birth control devices (IUDs and diaphragms) that are available with a prescription, plus emergency contraception, sterilization, pregnancy testing, prenatal care, and abortion services. You can also see a family planning provider for HIV and sexually transmitted infection (STI) testing and treatment, and counseling related to your test results. Screenings for cancer and other related conditions are also included in family planning visits.

HIV and Sexually Transmitted Infections (STI) Screening

Everyone should know their HIV status. HIV and sexually transmitted infection screenings are part of your regular health care.

- You can get an HIV or STI test any time you have an office or clinic visit
- You can get an HIV or STI test any time you have family planning services. You do not need a referral from your PCP (Primary Care Provider). Just make an appointment with any family planning provider. If you want an HIV or STI test, but not as part of a family planning service, your PCP can provide or arrange it for you
- If you'd rather not see one of our MVP providers, you can use your Medicaid card to see a family planning provider outside MVP. For help in finding either a Plan provider or a Medicaid provider for family planning services call the MVP Member Services/Customer Care Center at **1-800-852-7826** (TTY 711)
- Everyone should talk to their doctor about having an HIV test. To get free HIV testing or testing where your name isn't given, call **1-800-541-AIDS** (English) or **1-800-233-SIDA** (Spanish)

Some tests are "rapid tests" and the results are ready while you wait. The provider who gives you the test will explain the results and arrange for follow up care if needed. You will also learn how to protect your partner. If your test is negative, we can help you learn to stay that way.

You can ask your PCP for a list of places to get these services or call MVP Member Services at **1-800-852-7826** (TTY 711). You can also call the New York State Growing Up Healthy Hotline (1-800-522-5006) for nearby places to get these services.

Tuberculosis Diagnosis and Treatment

You can choose to go either to your PCP or to the county public health agency for diagnosis and/or treatment. You do not need a referral to go to the county public health agency.

Benefits You Can Get Using Your Medicaid Benefit Card Only

There are some services MVP does not provide. You can get the following services from a provider who takes Medicaid by using your Medicaid Benefit card.

Pharmacy

You can get prescriptions, over-the-counter medicines, enteral formulas, and some medical supplies from any pharmacy that takes Medicaid. A co-payment may be required for some people, for some medications and pharmacy items.

Certain medications may require that your doctor get prior authorization from Medicaid before the pharmacy can dispense your medication. Getting prior authorization is a simple process for your doctor and does not prevent you from getting medications that you need.

Do you have questions or need help? The Medicaid Helpline can assist you. They can talk to you in your preferred language. They can be reached at **1-800-541-2831** (TTY 711).

They can answer your call:

Monday–Friday, 8 am–8 pm

Saturday, 9 am–1 pm

Transportation

Emergency and/or non-emergency medical transportation will be covered by regular Medicaid.

Emergency Transportation

It is very important to MVP that our members have access to care when they need it. If you need emergency transportation, call **911**.

Non-Emergency Transportation

If you need assistance arranging transportation for non-emergencies, you or your provider must call **Medical Answering Services** (MAS) at the phone numbers listed in the *Important Resources* at the front of this Member Guide.

If possible, you or your provider should call at least three days before your medical appointment and provide your Medicaid client identification number (example, AB12345C, found on your MVP Member ID card or your Medicaid Benefit card), appointment date and time, address where you are going, and doctor you are seeing. Non-emergency transportation includes personal vehicle, bus, taxi, ambulette, and public transportation.

If you have an emergency and need an ambulance, you must call **911**.

Note: For undocumented non-citizens age 65 and over, non-emergency transportation is not covered.

Developmental Disabilities

Members who need services for developmental disabilities can use their Medicaid Benefit card for:

- Long-term therapies
- Day treatment
- Housing services
- Medicaid Service Coordination (MSC) program

Services Not Covered by MVP or Medicaid

These services are **not** available from MVP or Medicaid. If you get any of these services, you may have to pay the bill.

- Cosmetic surgery if not medically needed
- Personal and comfort items
- Services from a provider that is not part of MVP Medicaid Managed Care, unless it is a provider you are allowed to see as described elsewhere in this handbook, or MVP or your PCP sends you to that provider

- Services for which you need a referral (approval) in advance and you did not get it
- Drugs when used to treat erectile dysfunction or sexual dysfunction

You may have to pay for any service that your PCP does not approve. Also, if before you get a service, you agree to be a private pay or self-pay patient, you will have to pay for the service. This includes:

- Non-covered services (listed above)
- Unauthorized services
- Services provided by providers not part of the Plan

If You Get a Bill

If you get a bill for a treatment or service you do not think you should pay for, do not ignore it. Call MVP Member Services at **1-800-852-7826** (TTY 711) right away. MVP can help you understand why you may have gotten a bill. If you are not responsible for payment, MVP will contact the provider and help fix the problem for you.

You have the right to ask for a plan appeal if you think you are being asked to pay for something Medicaid or MVP should cover. See the *Plan Appeals* on page 52.

If you have any questions, call MVP Member Services at **1-800-852-7826** (TTY 711).

Notification

MVP follows New York State Insurance Laws for inpatient mental health admissions for children ages 0–17, requiring notification within two business days of admission, for in-network, OMH licensed hospitals, and facilities. Authorization for the full duration of admission may be required if notification is not received timely or if provider is not licensed by OMH. Services must be medically necessary.

MVP follows New York State Insurance Laws for inpatient and residential substance use admissions, requiring notification within two business days of admission, for in-network, OASAS licensed hospitals and facilities. Authorization for full duration of admission may be required if notification is not received timely or if provider is not licensed by OASAS. Services must be medically necessary.

Service Authorizations and Actions

Prior Authorization

There are some treatments and services that you need to get approval for before you receive them or in order to be able to continue receiving them. This is called **prior authorization**. You, your provider, or someone you trust can ask for this.

The following treatments and services must be approved before you get them:

- Inpatient services, not related to substance use admissions (emergency services don't need MVP's prior approval)
- Home care services, personal care services, and PERS
- Surgery
- Some specialty services and tests
- Some radiology tests (MRIs, CT Scans, PET scans, some heart scans, and more)
- Durable medical equipment and prosthetics/orthotics
- Some medications
- Experimental and investigational services
- Services from any doctor that is not an MVP Medicaid Managed Care doctor

Asking for approval of a treatment or service is called a **service authorization request**. To get approval for these treatments or services, you need to consult with your PCP or other MVP Medicaid Managed Care doctor. Your PCP or other

MVP Medicaid Managed Care doctor will ask for the approval from MVP. If you have a question about this process or if you are having difficulty getting care you think you need, please call MVP Member Services at **1-800-852-7826** (TTY 711).

You will also need to get prior authorization if you are getting one of these services now, but need to continue or get more of the care. This includes a request for home health care while you are in the hospital or after you have just left the hospital. This is called **concurrent review**.

What Happens After We Get Your Service Authorization Request

MVP has a review team to be sure you get the services we promise. We check that the service you are asking for is covered under your health plan. Doctors and nurses are on the review team. Their job is to be sure the treatment or service you asked for is medically needed and right for you. They do this by checking your treatment plan against medically acceptable standards.

We may decide to deny a service authorization request or to approve it for an amount that is less than requested. These decisions will be made by a qualified health care professional. If we decide that the requested service is not medically necessary, the decision will be made by a clinical peer reviewer, who may be a doctor or may be a health care professional who typically provides the care you requested. You can request the specific medical standards, called **clinical review criteria**, we use to make decisions about medical necessity.

After we get your request we will review it under a **standard** or **fast track review process**. You or your provider can ask for a fast track review if it is believed that a delay will cause serious harm to your health. If your request for a fast track review is denied, we will tell you and your case will be handled under the standard review process.

We will fast track your review if:

- A delay will seriously risk your health, life, or ability to function
- Your provider says the review must be faster
- You are asking for more service than you are getting right now

In all cases, we will review your request as fast as your medical condition requires us to do so but no later than mentioned below.

We will tell you and your provider both by phone and in writing if your request is approved or denied. We will also tell you the reason for the decision. We will explain what options for appeals or fair hearings you will have if you don't agree with our decision (see *Plan Appeals* on page 48 and *Fair Hearings* on page 52).

Time Frames for Prior Authorization Requests

Standard Review

We will make a decision about your request within three workdays of when we have all the information we need, but you will hear from us no later than 14 days after we receive your request. We will tell you by the fourteenth day if we need more information.

Fast Track Review

We will make a decision and you will hear from us within 72 hours. We will tell you within 72 hours if we need more information.

Time Frames for Concurrent Review Requests

Standard Review

We will make a decision within one workday of when we have all the information we need, but you will hear from us no later than 14 days after we received your request. We will tell you by the fourteenth day if we need more information.

Fast Track Review

We will make a decision within one workday of when we have all the information we need. You will hear from us no later than 72 hours after we have received your request. We will tell you within one workday if we need more information.

Special Time Frames for Other Requests

If you are in the hospital or have just left the hospital, and your are asking for home health care, we will make a decision within 72 hours of your request.

If your are getting inpatient substance use disorder treatment and you ask for more services at least 24 hours before you are to be discharged, we will make a decision within 24 hours of your request.

If you are asking for mental health or substance use disorder services that may be related to a court appearance, we will make a decision within 72 hours of your request.

If you are asking for a provider-administered drug when provided in an outpatient hospital, clinic, or doctor's office, we will make a decision within 24 hours of your request, after your health care provider has provided MVP with a completed prior authorization form with all necessary information included to review the request.

A step therapy protocol means we require you to try another drug first before we will approve the drug you are requesting. If you are asking for approval to override a step therapy protocol, we will make a decision within 24 hours for practitioner administered drugs when provided in an outpatient hospital, clinic, or provider's office, after your health care provider has provided MVP with a completed prior authorization form with all necessary information included to review the request.

If we need more information to make either a standard or fast track decision about your service request, we will:

- Write and tell you what information is needed. If your request is in a fast track review, we will call you right away and send a written notice later.
- Tell you why the delay is in your best interest.
- Make a decision no later than 14 days from the day we asked for more information.

You, your provider, or your representative may also ask us to take more time to make a decision. This may be because you have more information to give us to help decide your case. This can be done by calling **1-800-852-7826** or writing to MVP Health Care at 625 State St Schenectady, New York, 12305.

You or your representative can file a complaint with the plan if you don't agree with our decision to take more time to review your request. You or someone you trust can also file a complaint about the review time with the New York State Department of Health by calling **1-800-206-8125**.

We will notify you by the date our time for review has expired. But if for some reason you do not hear from us by that date, it is the same as if we denied your service authorization request. If we do not respond to a request to override a step therapy protocol on time, your request will be approved.

If you think our decision to deny your service authorization request is wrong, you have the right to file a plan appeal with us. See the Plan Appeals section on page 48 in this Handbook.

Other Decisions About Your Care

Sometimes we will do a concurrent review on the care you are receiving to see if you still need the care. We may also review other treatments and services you have already

received. This is called **retrospective review**. We will tell you if we make these decisions.

Time Frames for Other Decisions About Your Care

In most cases, if we make a decision to reduce, suspend, or stop a service we have already approved and you are now getting, we must tell you at least 10 days before we change the service.

We must tell you at least 10 days before we make any decision about long term services and supports, such as home health care, personal care, Consumer Directed Personal Assistance Service (CDPAS), adult day health care, and nursing home care.

If we are checking care that has been given in the past, we will make a decision about paying for it within 30 days of receiving all information we need for the retrospective review. If we deny payment for a service, we will send a notice to you and your provider the day the payment is denied. These notices are not bills. **You will not have to pay for any care you received that was covered by the plan or by Medicaid even if we later deny payment to the provider.**

How Our Providers Are Paid

You have the right to ask us whether we have any special financial arrangement with our providers that might affect your use of health care services. You can call MVP Member Services/Customer Care at **1-800-852-7826** (TTY 711) if you have specific concerns.

We want you to know that most of our providers are paid in one or more of the following ways:

- If our providers work in a clinic or health center, they probably get a salary. The number of patients they see does not affect this
- Our providers who work from their own offices may get a set fee each month for each patient for whom they are the patient's PCP. The fee stays the same whether the patient needs one visit or many—or even none at all. This is called **capitation**
- Providers may get get a set fee for each person on their patient list, but some money (maybe 10%) can be held back for an incentive fund. At the end of the year, PCPs who have met the incentive standards set by MVP receive additional payments.
- Providers may also receive fee-for-service payment. This means they get a set fee for each service they provide

You Can Help with Plan Policies

We value your ideas. You can help us develop policies that best serve our members.

If you have ideas, tell us about them. Please let us know if you would like to work with one of our member advisory boards or committees. Call MVP Member Services at **1-800-852-7826** (TTY 711) to find out how you can help.

Additional Information From MVP Member Services

You can get the following information by calling MVP Member Services at **1-800-852-7826** (TTY 711):

- A list of names, addresses, and titles of the MVP Board of Directors, officers, controlling parties, owners, and partners
- A copy of the most recent financial statements/balance sheets, summaries of income, and expenses
- A copy of the most recent individual direct pay subscriber contract

- Information from the Department of Financial Services about consumer complaints about MVP
- How we keep your medical records and member information private
- In writing, we will tell you how MVP checks on the quality of care to our members
- We will tell you which hospitals our health providers work with
- If you ask us in writing, we will tell you the guidelines we use to review conditions or diseases that are covered by MVP
- If you ask in writing, we will tell you the qualifications needed and how health care providers can apply to be of the MVP network
- If you ask, we will tell you whether our contracts or subcontracts include provider incentive plans that affect the use of referral services, and, if so, information on the type of incentive arrangements used, and whether stop loss protection is provided for providers and provider groups
- Information about how our company is organized and how it works

Keep Us Informed

Call the MVP Member Services/Customer Care at **1-800-852-7826** (TTY 711) whenever these changes happen in your life:

- You change your name, address, or phone number
- You have a change in Medicaid eligibility
- You are pregnant
- You give birth
- There is a change in insurance for you or your children

If you no longer get Medicaid, you may be able to enroll in another program. Contact your local Department of Social Services, or NY State of Health, The Official Health Plan Marketplace, at **1-855-355-5777** or **nystateofhealth.ny.gov**.

Disenrollment Options

If You Want to Leave MVP

You can try us out for 90 days. You may leave MVP and join another health plan at any time during that time. If you do not leave in the first 90 days, however, you must stay in MVP for nine more months, unless you have a good reason (good cause) to leave our Plan.

After 90 days, you must stay in our plan for nine more months, unless you have a good reason (**Good Cause**) to disenroll from our plan.

Some examples of good cause include:

- Our health plan does not meet New York State requirements and members are harmed because of it
- You move out of our service area
- You, the plan, and the local Department of Social Services all agree that disenrollment is best for you
- You are or become exempt or excluded from managed care
- You are or become exempt or excluded from managed care
- We have not been able to provide services to you as we are required to under our contract with the State

If You Want to Change to Another Medicaid Managed Care Plan

Call the managed care staff at your local Department of Social Services. Phone numbers for offices in the MVP service area can be found at the front of this Handbook.

Or call New York Medicaid Choice at **1-800-505-5678**. The New York Medicaid Choice counselors can help you change health plans.

If you've enrolled through your local Department of Social Services (LDSS):

- Call the Managed Care staff at your LDSS

If you've enrolled through NY State of Heath:

- Log your NY State of Health account at **www.nystateofhealth.ny.gov**, or
- Meet with an enrollment assistor to receive assistance with updating your account, or
- Call the NY State of Health Customer Service Center at **1-855-355-5777** (TTY 711)

You may be able to transfer to another plan over the phone. Unless you are excluded or exempt from managed care, you will have to choose another health plan.

It may take between two and six weeks to process your request, depending on when it is received. You will get a notice that the change will take place by a certain date. MVP will provide the care you need until then.

You can ask for faster action if you believe the timing of the regular process will cause added damage to your health. You can also ask for faster action if you have complained because you did not agree to the enrollment. Call your local Social Services Department (see Important Resources at the beginning of this Member Guide) or New York Medicaid Choice at **1-800-505-5678**.

You Could Become Ineligible for Medicaid Managed Care

You or your child may have to leave MVP if you or the child:

- Moves out of the County or service area
- Changes to another managed care plan
- Have access to an Health Maintenance Organization (HMO) or other insurance plan through work
- Goes to prison
- Otherwise lose eligibility

Your child may have to leave MVP or change plans if they:

- Joins a Physically Handicapped Children's Program

If you have to leave MVP or become ineligible for Medicaid, all of your services may stop unexpectedly, including any care you receive at home. Call New York Medicaid Choice at **1-800-505-5678** right away if this happens.

We Can Ask You to Leave MVP

You can also lose your MVP membership, if you often:

- Refuse to work with your PCP in regard to your care
- Don't follow MVP's rules
- Do not fill out forms honestly or do not give true information (commit fraud)
- Cause abuse or harm to plan members, providers, or staff
- Act in ways that make it hard for us to do our best for you and other members even after we have tried to fix the problems

Plan Appeals

There are some treatments and services that you need to get approval for before you receive them or in order to be able to continue receiving them. This is called **prior authorization**. Asking for approval of a treatment or service is called a **service authorization request**. This process is described on page 43 in this Handbook. The notice of our decision to deny a service authorization request or to approve

it for an amount that is less than requested is called an **initial adverse determination**.

If you are not satisfied with our decision about your care, there are steps you can take.

Your provider can ask for reconsideration:

If we made a decision that your service authorization request was not medically necessary or was experimental or investigational, and we did not talk to your doctor about it, your doctor may ask to speak with the plan's Medical Director. The Medical Director will talk with your doctor within one workday.

You Can File a Plan Appeal

If you think our decision about your service authorization request is wrong, you can ask us to look at your case again. This is call a **plan appeal**. You have 60 calendar days from the date of the initial adverse determination notice to ask for a plan appeal.

You can call MVP Member Services at **1-800-852-7826** (TTY 711) if you need help asking for a plan appeal or following the steps of the appeal process. We can help if you have any special needs like a hearing or vision impairment, or if you need translation services.

You can ask for a plan appeal or you can have someone else, like a family member, friend, doctor, or lawyer, ask for you. You and that person will need to sign and date a statement saying you want that person to represent you.

We will not treat you any differently or act badly toward you because you ask for a plan appeal.

Aid to Continue While Appealing a Decision About Your Care

If we decided to reduce, suspend, or stop services you are getting now, you may be able to continue the services while you wait for your plan appeal to be decided. You must ask for your plan appeal within 10 days from being told that your care is changing or by the date the change in services is scheduled to occur, whichever is later.

If your plan appeal results in another denial you may have to pay for the cost of any continued benefits that you received.

Requesting a Plan Appeal

You can call or write us to ask for a plan appeal. When you ask for a plan appeal, or soon after, you will need to give us:

- Your name and address
- Your MVP Member ID number
- The service you asked for and the reason(s) for appealing
- Any information that you want us to review, such as medical records, letters from your providers, or other information that explains why you need the services
- Any specific information we said we needed in the initial adverse determination notice

To help you prepare for your plan appeal, you can ask to see the guidelines, medical records, and other documents we used to make the initial adverse determination. If your plan appeal is fast tracked, there may be a short time to give us information you want us to review. You can ask to see these documents or ask for a free copy of them by calling MVP Member Services at **1-800-852-7826**.

You can give us your information and materials by phone or by calling **1-800-852-7826**, or by mail to:

ATTN: MEMBER APPEALS
MVP HEALTH CARE
625 STATE ST
SCHENECTADY NY 12305-2111

If you are asking for an out-of-network service or out-of-network provider and we said that the

service you asked for is not very different from a service available from an MVP-participating provider, you can ask us to check if the service is medically necessary for you. You will need to ask your provider to send this information to be included with your plan appeal:

- A statement in writing from your provider that the out-of-network service is very different from the service the plan can provide from a participating provider. Your provider must be a board certified or board eligible specialist who treats people who need the service you are asking for
- Two medical or scientific documents that prove the service you are asking for is more helpful to you and will not cause you more harm than the service MVP can provide from a participating provider.

If your provider does not sent this information, we will still review your plan appeal. However, you may not be eligible for an external appeal (see *External Appeals* on page 51 for more information).

What Happens After We Get Your Plan Appeal

Within 15 days, we will send you a letter to let you know we are working on your plan appeal.

We will send you a free copy of the medical records and any other information we will use to make the appeal decision. If your plan appeal is fast tracked, there may be a short time to review this information.

You can also provide information to be used in making the decision in person or in writing. Call MVP Member Services at **1-800-852-7826** (TTY 711) if you are not sure what information to give us.

Plan appeals of clinical matters will be decided by qualified health care professionals who did not make the first decision, at least one of whom will be a clinical peer reviewer. Non-clinical decisions will be handled by persons who work at a higher level than the people who worked on your first decision.

You will be given the reasons for our decision and our clinical rationale, if it applies. The notice of the plan appeal decision to deny your request or to approve it for an amount that is less than requested is called a **final adverse determination**.

If you think our final adverse determination is wrong:

- You can ask for a fair hearing (see *Fair Hearings* on page 52)
- For some decisions, you may be able to ask for an external appeal (see *External Appeals* on page 51)
- You can file a complaint with the New York State Department of Health by calling **1-800-206-8125**

Time Frames for Plan Appeals

Standard Plan Appeals

If we have all the information we need we will tell you our decision in 30 calendar days from when you asked for your plan appeal.

Fast Track Plan Appeals

If we have all the information we need, fast track plan appeal decisions will be made in two days from the time we receive your plan appeal, but not more than 72 hours from when you asked for your plan appeal.

We will tell you within 72 hours after giving us your plan appeal If we need more information to make a decision.

We will make a decision about your appeal within 24 hours if your request was denied when you asked for more inpatient substance use disorder treatment at least 24 hours before you were to leave the hospital.

We will tell you our decision by phone and send a written notice later.

Your plan appeal will be reviewed under the fast track process if:

- You or your doctor asks to have your plan appeal reviewed under the fast track process. Your doctor would have to explain how a delay will cause harm to your health. If your request for fast track is denied, we will tell you and your appeal will be reviewed under the standard process.
- Your request was denied when you asked to continue receiving care that you are now getting or need to extend a service that has been provided
- Your request was denied when you asked for home health care after you were in the hospital
- Your request was denied when you asked for more inpatient substance use disorder treatment at least 24 hours before you were to leave the hospital

If we need more information to make either a standard or fast track decision about your service request we will:

- Write and tell you what information is needed. If your request is in a fast track review, we will call you right away and send a written notice later
- Tell you why the delay is in your best interest
- Make a decision no later than 14 days from the day we asked for more information

You or your representative may also ask us to take more time to make a decision. This may be because you have more information to give MVP to help decide your case. This can be done by calling **1-800-852-7826** (TTY 711) or writing to:

ATTN: MEMBER APPEALS
MVP HEALTH CARE
625 STATE ST
SCHENECTADY NY 12305-2111

You or your representative can file a complaint with the MVP if you don't agree with our decision to take more time to review your plan appeal. You or someone you trust can also file a complaint about the review time with the New York State Department of Health by calling **1-800-206-8125**.

If you don not receive a response to your plan appeal or we do not decide in time, including extensions, you can ask for a fair hearing (see *Fair Hearings* on page 52).

If we do not decide your plan appeal on time, and we said the service you are asking for is; 1) not medically necessary; 2) experimental or investigational; 3) not different from care you can get in MVP's network; or 4) available from a participating provider who has correct training and experience to meet your needs, the original denial against you will be reversed. This means your service authorization request will be approved.

External Appeals

You have other appeal rights if we said the service your are asking for was:

- Not medically necessary
- Experimental or investigational
- Not different from care you can get in the MVP network
- Available from a participating provider who has the correct training and experience to meet your needs

For these types of decisions, you can ask New York State for an independent **external appeal**. This is called an external appeal because it is decided by reviewers who do not work for MVP or New York State. These reviewers are qualified people approved by New York State. The service must be in MVP's benefit package or be an experimental treatment, clinical trial, or treatment for a rare disease. You do not have to pay for an external appeal.

Before you ask for an external appeal:

- You must file a plan appeal with MVP and get our final adverse determination, or

- If you have not gotten the service, and you ask for a fast track plan appeal, you may ask for an expedited external appeal at the same time. Your doctor will have to say an expedited external appeal is necessary, or
- You and MVP may agree to skip our appeals process and go directly to external appeal, or
- You can prove that MVP did not follow the rules correctly when processing your plan appeal.

You have four months after you receive MVP's final adverse determination to ask for an external appeal. If you and MVP agreed to skip MVP's appeals process, then you must ask for the external appeal within four months of when you made that agreement.

To ask for an external appeal, fill out an application and send it to the New York State Department of Financial Services. You can call MVP Member Services at **1-800-852-7826** (TTY 711) if you need help filing an appeal. You and your doctors will have to give information about your medical problem. The external appeal application states what information will be needed.

You can get an external appeal application by:

- Calling the Department of Financial Services at **1-800-400-8882**
- Visiting the Department of Financial Services website at **dfs.ny.gov**
- Contacting MVP at **1-800-852-7826** (TTY 711)

Your external appeal will be decided in 30 workdays. More time (up to five workdays) may be needed if the external appeal reviewer asks for more information. You and the plan will be told the final decision within two days after the decision is made.

You can get a faster decision if your doctor says that a delay will cause serious harm to your health or if you are in the hospital after an emergency room visit and the hospital care is denied by MVP. This is called an **expedited external appeal**. The external appeal reviewer will decide an expedited appeal in 72 hours or less.

If you asked for inpatient substance use disorder treatment at least 24 hours before you were to leave the hospital, MVP will continue to pay for your stay if you ask for a fast track plan appeal within 24 hours **and** you ask for a fast track external appeal at the same time. MVP will continue to pay for your stay until there is a decision made on your appeals. MVP will make a decision about your fast track plan appeal within 24 hours. The fast track external appeal will be decided within 72 hours.

The external appeal reviewer will tell you and the plan the decision right away by phone or fax. Later, a letter will be sent that tells you the decision.

If you ask for a plan appeal and you receive a final adverse determination that denies, reduces, suspends, or stops your service, you can ask for a **fair hearing**. You may ask for a fair hearing, an external appeal, or both. If you ask for both a fair hearing and an external appeal, the decision of the fair hearing officer will be the one that counts.

Fair Hearings

Ask for a Fair Hearing from New York State

You can ask New York State for a fair hearing for any of the following reasons.

You are not happy with a decision your local Department of Social Services or the New York State Department of Health made about your staying or leaving MVP.

You are not happy with a decision we made to restrict your services and you feel the decision limits your Medicaid benefits.

In this case, you have 60 calendar days from the date of the Notice of Intent to Restrict to ask for a fair hearing. If you ask for a fair hearing within 10 days of the Notice of Intent to Restrict, or by the effective date of the restriction, whichever is later, you can continue to get your services until the fair hearing decision. However, if you lose your fair hearing, you may have to pay the cost for the services you received while waiting for the decision.

You are not happy with a decision that your provider would not order services you wanted and you feel the provider's decision stops or limits your Medicaid benefits.

In this case, you must file a complaint with MVP. If MVP agrees with your doctor, you may ask for a Plan Appeal. If you receive a final adverse determination, you will have 120 calendar days from the date of the final adverse determination to ask for a State fair hearing.

You are not happy with a decision that we made about your care and you feel the decision limits your Medicaid benefits.

You are not happy that we decided to reduce, suspend, or stop care you were getting; deny care you wanted; deny payment for care you received; or did not let you dispute a co-pay amount, other amount you owe, or payment you made for your health care.

In this case, you must first ask for a plan appeal and receive a Final Adverse Determination. You will have 120 calendar days from the date of the final adverse determination to ask for a fair hearing.

If you asked for a plan appeal and received a final adverse determination that reduces, suspends, or stops care you are getting now, you can continue to get the services your provider ordered while you wait for your fair hearing to be decided. You must ask for a fair hearing within 10 days from the date of the final adverse determination or by the time the action takes effect, whichever is later. However, if you choose to ask for services to be continued and you lose your fair hearing, you may have to pay the cost for the services your received while waiting for a decision.

You asked for a plan appeal and the time for us to decide your plan appeal has expired, including any extensions.

In this case, if you do not receive a response to your plan appeal or we did not decide in time, you can ask for a fair hearing.

The decision you receive from the fair hearing officer will be final.

Requesting a Fair Hearing

You can request a fair hearing by:

- Calling **1-800-342-3334**
- Faxing your request to **518-473-6735**
- Visiting **otda.ny.gov/hearings** and selecting *Request a Fair Hearing*
- Mailing your request to:
  NYS OFFICE OF TEMPORARY &
  DISABILITY ASSISTANCE
  OFFICE OF ADMINISTRATIVE HEARINGS
  MANAGED CARE HEARING UNIT
  PO BOX 22023
  ALBANY NY 12201-2023

When you ask for a fair hearing about a decision MVP made, we must send you a copy of the evidence packet. This is information we used to make our decision about your care. The plan will give this information to the hearing officer to explain our action. If there is not time enough to mail it to you, we will bring a copy of the evidence packet to the hearing for you. If you do not get

your evidence packet by the week before your hearing, you can call **1-800-852-7826** to ask for it.

Remember, you can complain anytime to the New York State Department of Health by calling **1-800-206-8125**.

Complaint Process

Complaints

We hope our health plan serves you well. If you have a problem, talk with your PCP, or call or write MVP Member Services. Most problems can be solved right away. If you have a problem or dispute with your care or services, you can file a complaint with the plan. Problems that are not solved right away over the phone and any complaint that comes in the mail will be handled according to our complaint procedure.

You can call MVP Member Services at **1-800-852-7826** if you need help filing a complaint or following the steps of the complaint process. We can help if you have any special needs like a hearing or vision impairment, or if you need translation services.

We will not make things hard for you or take any action against you for filing a complaint.

You also have the right to contact the New York State Department of Health about your complaint by calling **1-800-206-8125** or by writing to:

COMPLAINT UNIT
BUREAU OF CONSUMER SERVICES
OHIP DHPCO 1CP-1609
NYS DEPARTMENT OF HEALTH
ALBANY NY 12237

You may also contact your local Department of Social Services with your complaint at any time. You may call the New York State Department of Financial Services at **1-800-342-3736** if your complaint involves a billing problem.

How to File a Complaint with MVP

You can file a complaint or you can have someone else, like a family member, friend, provider, or lawyer, file the complaint for you. You and that person will need to sign and date a statement saying you want that person to represent you.

To file a complaint with MVP, call MVP Member Services at **1-800-852-7826** (TTY 711), Monday–Friday, 8 am–6 pm. If you call us after hours, leave a message. We will call you back the next workday. We will tell you if we need more information to make a decision.

You can write to us with your complaint or call MVP Member Services and request a complaint form. The completed complaint form should be mailed to:

ATTN: MEMBER APPEALS
MVP HEALTH CARE
625 STATE ST
SCHENECTADY NY 12305-2111

What Happens Next With Your Complaint

If we don't solve the problem right away over the phone or after we get your written complaint, we will send you a letter within 15 workdays. The letter will tell you:

- Who is working on your complaint
- How to contact this person
- If we need more information

You can also provide information to be used when reviewing your complaint in person or in writing. Call MVP Member Services at **1-800-852-7826** if you are not sure what information to give us.

Your complaint will be reviewed by one or more qualified people. If your complaint involves clinical matters your case will be reviewed by one or more qualified health care professionals.

After We Review Your Complaint

- We will let you know our decision within 45 days from when we have all the information we need to answer your complaint. You will hear from us in no more than 60 days from the day we get your complaint. We will write you and will tell you the reasons for our decision.
- When a delay would risk your health, we will let you know our decision within 48 hours from when we have all the information we need to answer your complaint. You will hear from us in no more than 7 days from the day we get your complaint. We will call you with our decision. You will get a letter to follow up our communication in 3 work days.
- You will be told how to appeal our decision if you are not satisfied and we will include any forms you may need to complete.
- If we are unable to make a decision about your Complaint because we don't have enough information, we will send a letter and let you know.

Behavioral Health Access Complaint

If you are unable to schedule a behavioral health appointment and you submitted a behavioral health access complaint, MVP must provide you with the name and contact information of a provider that can treat your behavioral health condition. MVP must provide this information within three (3) business days after receiving your complaint.

Complaint Appeals

If you disagree with a decision we made about your complaint, you or someone you trust can file a **complaint appeal** with MVP.

How to Make a Complaint Appeal

- If you are not satisfied with what we decide, you have at least 60 work days after hearing from us to file a complaint appeal.
- You can do this yourself or ask someone you trust to file the complaint appeal for you.

After We Get Your Complaint Appeal

We will send you a letter within 15 workdays. The letter will tell you:

- Who is working on your complaint appeal
- How to contact this person
- If we need more information

Your complaint appeal will be reviewed by one or more qualified people at a higher level than those who made the first decision about your complaint. If your complaint appeal involves clinical matters your case will be reviewed by one or more qualified health professionals, with at least one clinical peer reviewer, that were not involved in making the first decision about your complaint.

If we have all the information we need, you will know our decision in 30 workdays. If a delay would risk your health you will get our decision in two workdays of when we have all the information we need to decide the appeal. You will be given the reasons for our decision and our clinical rationale, if it applies. If you are still not satisfied, you or someone on your behalf can file a complaint at any time with the New York State Department of Health by calling **1-800-206-8125**.

Member Rights and Responsibilities

Your Rights

As a member of MVP, you have a right to:

- Be told where, when, and how to get the services you need from MVP
- Be cared for with respect, without regard for health status, sex, race, color, religion, national origin, age, marital status, or sexual orientation

- Be told by your PCP what is wrong, what can be done for you, and what will likely be the result in language you understand
- Get a second opinion about your care
- Give your OK to any treatment or plan for your care after that plan has been fully explained to you
- Refuse care and be told what you may risk if you do
- Get a copy of your medical record, and talk about it with your PCP, and to ask, if needed, that your medical record be amended or corrected
- Be sure that your medical record is private and will not be shared with anyone except as required by law, contract, or with your approval
- Use the MVP complaint system to settle any complaints, or you can complain to the New York State Department of Health or the local Department of Social Services any time you feel you were not fairly treated
- Use the NYS State Fair Hearing system
- Appoint someone (relative, friend, lawyer, etc.) to speak for you if you are unable to speak for yourself about your care and treatment
- Receive considerate and respectful care in a clean and safe environment free of unnecessary restraints

Your Responsibilities

As a member of MVP, you agree to:

- Work with your PCP to guard and improve your health
- Find out how your health care system works
- Listen to your PCP's advice and ask questions when you are in doubt
- Call or go back to your PCP if you do not get better, or ask for a second opinion
- Treat health care staff with the respect you expect yourself
- Tell us if you have problems with any health care staff. Call MVP Member Services
- Keep your appointments. If you must cancel, call as soon as you can
- Use the emergency room only for real emergencies
- Call your PCP when you need medical care, even if it is after-hours

Advance Directives

There may come a time when you can't decide about your own health care. By planning in advance, you can arrange now for your wishes to be carried out.

First, let family, friends, and your doctor know what kinds of treatment you do or don't want.

Second, you can appoint an adult you trust to make decisions for you. Be sure to talk with your PCP, your family, or others close to you so they will know what you want.

Third, it is best if you put your thoughts in writing. The following documents can help. You do not have to use a lawyer, but you may wish to speak with one about this. You can change your mind and these documents at any time. We can help you understand or get these documents. They do not change your right to quality health care benefits. The only purpose is to let others know what you want if you can't speak for yourself.

Health Care Proxy

A health care proxy form allows you to name another adult that you trust (usually a family member or a friend) to make decisions about your medical care if you are not able to make your own decisions. You should talk with the person you chose so they know about your wishes. To get Health Care Proxy forms, talk to your provider or go to **www.health.ny.gov/forms**.

Cardiopulmonary Resuscitation and Do Not Resuscitate

You have the right to decide if you want any special or emergency treatment to restart your heart or lungs if your breathing or circulation stops. If you do not want special treatment, including cardiopulmonary resuscitation (CPR), you should make your wishes known in writing. Your PCP will provide a DNR (Do Not Resuscitate) order for your medical records. You can also get a DNR form to carry with you and/or a bracelet to wear that will let any emergency medical provider know about your wishes.

Organ Donor Card

This wallet-sized card says that you are willing to donate parts of your body to help others when you die. Also, check the back of your driver license to let others know if and how you want to donate your organs.

MVP HEALTH CARE

Appendix

Additional Information and Important Documents

Authorization to Disclose Information

Protecting your confidentiality is important to MVP Health Care, Inc. and its subsidiaries (collectively, "MVP"). If you would like MVP to share your health information with another party, you must first give your permission to do so.

By completing and signing this form, you give that permission. MVP may then share your health information with the people you have authorized. Please read this form carefully.

Instructions for Completing this Form

There are six sections on this form to complete.

Section 1: Fill in your name, MVP member identification number, address, and date of birth identifying you as the MVP member.

This section may also be used if you are giving MVP permission to share health information of a minor for whom you are the parent or legal guardian.

Section 2: Fill in the name(s), address(es), and phone number(s) of the person(s) with whom you are authorizing MVP to share your health information.

Be sure to write the contact's full name and address. MVP will only share information if the contact correctly verifies the name, address, and phone number you have written.

Section 3: Reason for the disclosure.

This section tells MVP the reason for the disclosure.

Section 4: Select the health information you are authorizing MVP to share.

There are three options:

- The **first** option gives MVP permission to share all of your health information, except for information involving HIV/AIDS, mental health and substance use, family planning and pregnancy, or sexually transmitted diseases. You must specifically authorize MVP to share this information with another party.
- The **second** option gives MVP permission to share only the information you specify, such as eligibility information only, information specific to a particular service, or claims information for a specific provider.
- The **third** option gives MVP permission to share information about HIV/AIDS, mental health and substance use, family planning and pregnancy, or sexually transmitted diseases, and is explained more fully below.

Information for Parents of Minors with Sensitive Diagnoses

MVP has a policy in place to protect the privacy of minors with sensitive diagnoses. MVP has developed this position based upon legal requirements together with MVP's commitment to safeguarding the privacy of its members who receive care for sensitive needs. If a minor 12–18 years old receives services or treatment related to mental health, chemical dependency or substance use, venereal disease, HIV/AIDS, family planning, prenatal care, or abortion-related services, MVP must have an Authorization to Disclose Information form on file from the minor to disclose most information to a parent or guardian.

MVP will not share this information if you have not authorized MVP to do so by initialing the specific items. Please read the special notice from the New York State Department of Health on page 2 of these instructions.

Section 5: Read and make sure you understand your rights under this authorization.

You may use this section to specify an expiration date on this form, otherwise it will remain in effect indefinitely or until you request it to be revoked.

For members covered on plans written in the State of Vermont, this form shall be valid until the expiration date you specify, which in no event shall be more than 24 months.

Section 6: Sign and date the form and print your name underneath your signature.

If you are using this form to give MVP permission to share health information of a minor for whom you are the parent or legal guardian, make sure to write in your relationship to that member.

If you are authorizing a person to act on your behalf, that person must also sign and date the form.

By signing this form electronically, you acknowledge that your electronic signature has the same legal consequences as your written signature.

When completed, please mail or fax the completed *Authorization to Disclose Information* form to the address or fax number on the top of the form.

Your Rights Related to the Authorization to Disclose Information

1. You may authorize someone to appeal an issue on your behalf (with the exception of Medicare members, additional information is required). By doing so you are exercising your right to appeal and will not be permitted to appeal the same issue yourself.
2. MVP shall not condition treatment, payment, enrollment, or eligibility for benefits under its insured plans on receipt of this authorization.
3. Information disclosed pursuant to this authorization may be disclosed by the recipient and may no longer be protected by federal or state law.
4. If information is disclosed from alcohol and drug use records protected by Federal confidentiality rules (42 CFR Part 2), these Federal rules prohibit the recipient from making any further disclosure of this information unless further disclosure is expressly permitted by written consent of the person to whom it pertains or as otherwise permitted by 42 CFR Part 2.

Your Rights Relating to the Release of Confidential HIV* Related Information

Confidential HIV related information is any information indicating that a person had an HIV related test, or has HIV infection, HIV related illness or AIDS, or any information which could indicate that a person has been potentially exposed to HIV.

Under New York State Law, confidential HIV related information can only be given to people you allow to have it by signing a written release, or to people who need to know your HIV status in order to provide medical care and services, including: medical care providers; persons involved with foster care or adoption; parents and guardians who consent to care of minors; jail, prison, probation and parole employees; emergency response workers and other workers in hospitals, other regulated settings or medical offices, who are exposed to blood/body fluids in the course of their employment; and organizations that review the services you receive. State law also allows your HIV information to be released under limited circumstances: by special court order; to public health officials as required by law; and to insurers as necessary to pay for care and treatment. Under State law, anyone who illegally discloses HIV related information may be punished by a fine of up to $5,000 and a jail term of up to one year. However, some re-disclosures of such information are not protected under federal law. For more information about HIV confidentiality, call the New York State Department of Health HIV Confidentiality Hotline at **1-800-962-5065**.

By signing and initialing where indicated on the form, HIV related information can be given to the people listed on the form, and for the reason(s) you may list on the form. You do not have to sign the form, and you can change your mind at any time by indicating your change in writing.

The law protects you from HIV-related discrimination in housing, employment, health care, and other services. For more information, call the New York State Division of Human Rights Office at **1-888-392-3644** or the New York City Commission on Human Rights at **212-306-7450**. These agencies are responsible for protecting your rights.

Authorization to Disclose Information

By completing this form, you allow MVP Health Care® to disclose health information to those identified below.

Return this completed form by mail to:
MVP Health Care
PO Box 2207
Schenectady NY 12301-2207
Or by fax to **1-800-765-3808**

If This Form is Needed for An Appeal
Return this completed form to:
Attn: Appeals
MVP Health Care
PO Box 2207
Schenectady NY 12301-2207
Or by fax to **518-386-7600**

Section 1: Information About the Member Whose Information is to be Released *(please print)*

Member Name | Date of Birth | MVP Member ID No.

Street Address | City | State | Zip Code

Section 2: Information About the Person(s) with Whom Your Health Information is to be Shared

Name | Phone No.

Street Address | City | State | Zip Code

Name | Phone No.

Street Address | City | State | Zip Code

Section 3: Reason for the Disclosure

☐ **Request of Individual** ☐ **Other** *(explain)*:

Section 4: Health Information to be Released *(check all that apply)*

☐ **All health information** *(except the health information that requires your initials below)*

☐ **Other** *(specify the health information you are authorizing MVP to disclose)*:

(***Section 4*** *continued on page 2)*

Member Name *MVP Member ID No.*

*(**Section 4** continued)*

If you initial any items below, MVP can discuss the health information with the appointed person(s).

_____ *(Initials)* HIV/AIDS related information and/or records *(see page 2 of instructions)*

_____ *(Initials)* Mental health information and/or records

_____ *(Initials)* Drug/alcohol diagnosis and treatment information

_____ *(Initials)* Pregnancy, family planning, abortion information

_____ *(Initials)* Sexually transmitted disease information

Information for Parents of Minors with Sensitive Diagnoses: MVP has a policy in place to protect the privacy of minors with sensitive diagnoses. MVP has developed this position based upon legal requirements together with MVP's commitment to safeguarding the privacy of its members who receive care for sensitive needs. If a minor 12–18 years old receives services or treatment related to mental health, chemical dependency or substance use, venereal disease, HIV/AIDS, family planning, prenatal care, or abortion-related services, MVP must have an Authorization to Disclose Information form on file from the minor to disclose most information to a parent or guardian.

Section 5: Read and Understand Your Rights *(see page 2 of instructions)*

This authorization shall be in force and effect until such time as MVP Health Care no longer maintains the health information, or until revoked by the undersigned in the manner described below or until *(insert applicable date or event)* _____ .

I understand that I have the right to revoke this authorization, at any time by sending written notification to the address indicated below. The revocation should clearly state your intent to revoke this authorization and the date such revocation is to take effect.

For members covered on plans written in the State of Vermont, this form shall be valid until the expiration date you specify, which in no event shall be more than 24 months.

Section 6: Sign and Date this Form

By signing this form electronically, you acknowledge that your electronic signature has the same legal consequences as your written signature.

Member Signature *Name (print)* *Signature Date*

Authorized Representative Signature *Name (print)* *Signature Date*

MVP HEALTH CARE

Sexually Transmitted Diseases & HIV Facts

One in four Americans has a sexually transmitted disease (STD). This means that 110 million people in the United States carry an STD and can pass it on to others.

There are Many STDs

Many people think there are only two STDs—syphilis and gonorrhea. In fact, there are many STDs, like herpes, chlamydia, genital warts, vaginitis, hepatitis B, and HIV.

STDs are Passed During Sex

STDs spread from person to person by vaginal sex, anal sex, or oral sex.

Some STDs are also spread by skin-to-skin contact. Even skin that looks normal may be infected. If you have another STD, it's easier for you to get HIV.

HIV is an STD

Most people who have HIV or another STD have no symptoms.

You can't tell by looking at someone that they have an STD. You may not know you have an STD. Even if you have no signs or symptoms, you can still spread an STD to others. The only way to know for sure is to get tested.

You can lower your chances of getting an STD.

Each time you have sex, use a latex condom or a female condom. Make sure you use it the right way. This will lower your chance of getting an STD or HIV. Latex condoms work very well against HIV and many other STDs (like gonorrhea and chlamydia).

The good news is that some STDs can be cured.

Treatment can help if you have HIV or another STD that can't be cured. Getting treated can help you live a longer, healthier life.

Get Tested and Treated

If you think you have an STD, visit your doctor or clinic right away. Call the numbers below to find out where you can get tested for HIV and other STDs.

An untreated STD could lead to brain damage, heart disease, cancer, or death. STDs can make it hard for women to get pregnant. The longer you wait to get tested and treated, the more damage the disease may cause. And, the more chances you can pass the STD to others.

Notice of Privacy Practices

MVP Health Plan, Inc.
MVP Health Services Corp.
MVP Health Insurance Company

Effective Date

This Notice of Privacy Practices is effective as of April 1, 2014 and revised April 21, 2023.

This notice describes how medical information about you may be used and disclosed, and how you can get access to this information. Please review it carefully.

MVP Health Plan, Inc., MVP Health Services Corp., and MVP Health Insurance Company (collectively "MVP", "we", or "us") respect the confidentiality of your health information and will protect your information in a responsible and professional manner. We are required by law to maintain the privacy of your health information, provide you with this notice of our privacy practices and legal duties and to abide by the terms of this notice.

In compliance with the Health Insurance Portability and Accountability Act of 1996 (HIPAA), and state laws and regulations regarding the confidentiality of health information, MVP provides this notice to explain how we may use and disclose your health information to carry out payment and health care operations and for other purposes permitted or required by law. Health information is defined as enrollment, eligibility, benefit, claim, and any other information that relates to your past, present, or future physical or mental health.

The terms and conditions of this privacy notice supplement any other communications, policies, or notices that MVP may have provided regarding your health information. In the event of conflict between this notice and any other MVP communications, policies, or notices, the terms and conditions of this notice shall prevail.

MVP's Duties Regarding Your Health Information

MVP is required by law to:

- Maintain the privacy of information about your health in all forms including oral, written, and electronic
- Train all MVP employees in the protection of oral, written, and electronic protected health information (PHI)
- Limit access to MVP's physical facility and information systems to the required minimum necessary to provide services
- Maintain physical, electronic, and procedural safeguards that comply with federal and state regulations to guard PHI
- Notify you following a breach of unsecured health information
- Provide you with this notice of our legal duties and health information privacy rules
- Abide by the terms of this notice.

We reserve the right to change the terms of this notice at any time, consistent with applicable law, and to make those changes effective for health information we already have about you. Once revised, we will advise you that the notice has been updated, provide you with information on how to obtain the updated notice, and will post it on **mvphealthcare.com**.

How We Use or Disclose Your Heath Information

As a member, you agree to let MVP share information about you for treatment, payment,

and health care operations. The following are ways we may use or disclose your health information.

For Treatment

We may share your health information with another health care provider in order for them to provide you with treatment.

For Payment

We may use and/or disclose your health information to collect premium payments, determine benefit coverage, or to provide payment to health care providers who render treatment on your behalf.

For Health Care Operations

We may use or disclose your health information for health care operations that are necessary to enable us to arrange for the provision of health benefits, the payment of health claims, and to ensure that our members receive quality service. For example, we may use and disclose your health information to conduct quality assessment and improvement activities (including, e.g., surveys), case management and care coordination, licensing, credentialing, underwriting, premium rating, fraud and abuse detection, medical review, and legal services. We will not use or disclose your health information that is genetic information for underwriting purposes. We also use and disclose your health information to assist other health care providers in performing certain health care operations for those health care providers, such as quality assessment and improvement, reviewing the competence and qualifications of health care providers, and conducting fraud detection or investigation, provided that the information used or disclosed pertains to the relationship you had or have with the health care provider.

Health-Related Benefits and Services

We may use or disclose your health information to tell you about alternative medical treatments and programs, or about health-related products and services that may be of interest to you.

Disclosures to a Business Associate

We may disclose your health information to other companies that perform certain functions on our behalf. These companies are called Business Associates. These Business Associates must agree in writing to protect your privacy and follow the same rules we do.

Disclosures to a Plan Sponsor

We may disclose limited information to the plan sponsor of your group health plan (usually your employer) so that the plan sponsor may obtain premium bids, modify, amend, or terminate your group health plan and perform enrollment functions on your behalf.

Disclosures to a Third-Party Representative

We may disclose to a Third-Party Representative (family member, relative, friend, etc.) health information that is directly relevant to that person's involvement with your care or payment for care if we can reasonably infer that the person is involved in your care or payment for care and that you would not object.

Disclosures to a Third-Party Application

You may direct MVP to provide specific information it maintains about you, including health information, through a third-party application chosen by you. If so, MVP may disclose your information to one or more third-party applications as directed by you.

Email or Telephonic Communications to You

You agree that we may communicate as allowed by applicable law via email or phone, including by text message, with you regarding insurance premiums or for other purposes relating to your benefits, claims, or our products/services. Your agreement includes consent to receive email, phone, or text message communications from us to the extent such consent is required or allowed by applicable law, including as may be allowed or required under the Telephone Consumer Protection Act. Further, you understand that such communications (utilizing encryption software for our email transmissions

or other security controls for phone and text message) may contain confidential information, protected health information, or personally identifiable information.

Disclosures Authorized by You

Except for the scenarios described in this notice, HIPAA prohibits the disclosure of your health information without first obtaining your authorization. MVP will not use or disclose your health information to engage in marketing, other than face to face communications, the offering of a promotional gift, or as set forth in this notice, unless you have authorized such use or disclosure. MVP will not use or disclose your health information for any reason other than those described above, unless you have provided authorization. We can accept an *Authorization to Disclose Information* form if you would like us to share your health information with someone for a reason we have not stated above. Using this form, you can designate whom you would like us to share information with, what information you would like us to share, and how long you want us to be able to share your information with that individual. A copy of this form is available by calling the MVP Member Services/Customer Care Center. Or visit **mvphealthcare.com/ADI**. You must complete this form and return it to MVP by mail or fax. You can cancel this Authorization at any time in writing and per the requirements on the form.

Disclosures to Parents (or Other Third-Party Representatives) of Minors

MVP has a policy in place to protect the privacy of minors with sensitive diagnoses. MVP has developed this position based upon legal requirements together with MVP's commitment to safeguarding the privacy of its members who receive care for sensitive needs.

If a minor 12–18 years old receives services or treatment related to mental health, chemical dependency or substance use, venereal disease, HIV/AIDS, family planning, prenatal care, or abortion-related services, MVP must have an *Authorization to Disclose Information* form on file from the minor to disclose most information to a parent, guardian, or other third-party representative. Please note that MVP can always share benefit/eligibility/cost-share information with a subscriber for their dependents.

To download the *Authorization to Disclose Information* form, visit **mvphealthcare.com/ADI**. You can also call the MVP Member Services/Customer Care Center at the phone number listed on the back of your MVP Member ID card (TTY 711).

Special Use and Disclosure Situations

Under certain circumstances, as required by law, MVP would be required to share your information without your permission. Some circumstances include the following:

Uses and Disclosures Required by Law

We may use and disclose health information about you when we are required to do so by federal, state, or local law.

Public Health

We may disclose your health information for public health activities. These activities include preventing or controlling disease, injury, or disability; reporting births or deaths; or reporting reactions to medications or problems with medical products, or to notify people of recalls of products they have been using.

Health Oversight

We may disclose your health information to a health oversight agency that monitors the health care system and government programs for designated oversight activities.

Legal Proceedings

We may disclose your health information in the course of any judicial or administrative proceeding, in response to an order of a court or administrative tribunal (to the extent such disclosure is expressly authorized) and, in certain situations, in response to a subpoena, discovery request, or other lawful process.

Law Enforcement

We may disclose your health information, so long as applicable legal requirements are met, for law enforcement purposes.

Abuse or Neglect

We may disclose your health information to a public health authority, or other government authority authorized by law to receive reports of child abuse, neglect, or domestic violence consistent with the requirements of applicable federal and state laws.

Coroners, Funeral Directors, and Organ Donation

We may disclose your health information to a coroner or medical examiner to identify a deceased person, determine a cause of death, or as authorized by law. We may also disclose your health information to funeral directors as necessary to carry out their duties. If you are an organ donor, we may release your health information for procurement, banking, or transplantation.

Research Purposes

In certain circumstances, we may use and disclose your health information for research purposes.

Criminal Activity

We may disclose your health information when necessary to prevent or lessen serious and imminent threat to the health and safety of a person or the public.

Military Activity

We may disclose your health information to authorized federal officials if you are a member of the military (or a veteran of the military).

National Security

We may disclose your health information to authorized federal officials for national security, intelligence activities, and to enable them to provide protective services for the President and others.

Workers' Compensation

We may disclose your health information as authorized to comply with workers' compensation laws and other similar legally-established programs.

What are your rights?

The following are your rights with respect to your health information. Requests for restrictions, confidential communications, accounting of disclosures, amendments to your health information, to inspect or copy your health information, or questions about this notice can be made by using the Contact Information below.

Right to Request Restrictions

You have the right to request a restriction or limitation on your health information we disclose for payment or health care operations. You also have the right to request a limit on the information we disclose about your health to someone who is involved in your care or the payment for your care, like a family member, relative, or friend. While we will try to honor your request, we are not legally required to agree to restrictions or limitations. If we agree, we will comply with your request or limitations except in emergency situations.

Right to Request Confidential Communications

You have the right to request that we communicate with you about your health information in a certain way or at a certain location if the disclosure of information could endanger you. We will require the reason for the request and will accommodate all reasonable requests.

Right to an Accounting of Disclosures

You have the right to request an accounting of disclosures of your health information made by us other than those necessary to carry out treatment, payment, and health care operations, disclosures made to you or authorized by you, or in certain other situations.

Right to Inspect and Obtain Copies of Your Health Information

You have the right to inspect and obtain a copy of certain health information that we maintain.

In limited circumstances, we may deny your request to inspect or obtain a copy of your health information. If we deny your request, we will notify you in writing of the reason for the denial and if applicable the right to have the denial reviewed.

Right to Amend

If you feel that the health information we maintain about you is incomplete or inaccurate, you may ask us to amend the information. In certain circumstances we may deny your request. If we deny the request, we will explain your right to file a written statement of disagreement. If we approve your request, we will include the change in your health information and tell others that need to know about your changes.

Right to a Copy of the Notice of Privacy Practices

You have the right to obtain a copy of this notice at any time. You can also view this notice at **mvphealthcare.com/privacy-notices**.

Exercising Your Rights

Unless you provide us with a written authorization, we will not use or disclose your health information in any manner not covered by this notice. If you authorize us in writing to use or disclose your health information in a manner other than described in this notice, you may revoke your authorization, in writing, at any time. If you revoke your authorization, we will no longer use or disclose your health information for the reasons covered by your authorization; however, we will not reverse any uses or disclosures already made in reliance on your authorization before it was revoked.

You have a right to receive a copy of this notice at any time. You can also view this notice at **mvphealthcare.com/privacy-notices**.

If you believe that your privacy rights have been violated, you may file a complaint by contacting an MVP Member Services/Customer Care Representative at the address or phone number indicated in the **Contact Information** at the end of this notice.

You may also file a complaint with the Secretary of the U.S. Department of Health and Human Services. Complaints filed directly with the Secretary must: (1) be in writing; (2) contain the name of the entity against which the complaint is lodged; (3) describe the relevant problems; and (4) be filed within 180 days of the time you became or should have become aware of the problem. We will provide you with this address upon request.

We Will Not Take Any Action Against You for Filing a Complaint

We will not retaliate in any way if you choose to file a complaint in good faith with us or with the U.S. Department of Health and Human Services. We support your rights to the privacy of your medical information.

Contact Information

Nonpublic Personal Financial Information Policy

MVP Health Plan, Inc. (except for Medicare Advantage products), MVP Health Services Corp., and MVP Health Insurance Company (collectively "MVP").

Your Privacy is Important to MVP

MVP is committed to safeguarding your information. We want you to understand what information we may gather and how we may share it. This Nonpublic Personal Financial Information Policy (the "Policy") explains MVP's collection, use, retention, and security of nonpublic personal information such as: your social security number, your payment history, your date of birth, and your status as an MVP member.

How MVP collects information. We collect nonpublic personal financial information about you from the following sources:

- Your applications and other forms;
- Your transactions with us, our affiliates, and others; and
- Consumer reporting agencies, in some cases.

Sharing your information. We do not disclose any nonpublic personal financial information about our members or former members to anyone, except as permitted by law. We may disclose the following information to companies that perform marketing services on our behalf or to other companies with which we have joint marketing agreements:

- Information we receive from you on applications or other forms, such as your name, address, or status as an MVP member;
- Information about your transactions with us, our affiliates, or others, such as your health plan coverage, premium and payment history.

Our former members. Even if you are no longer an MVP member, our Policy will continue to apply to you.

Our security practices and information accuracy. We also take steps to safeguard member information. We restrict access to the nonpublic personal financial information of our members to those MVP employees who need to know that information in the course of their job responsibilities. We maintain physical, electronic, and procedural safeguards that comply with federal and state standards to protect member information. We also have internal controls to keep member information as accurate and complete as we can. If you believe that any information about you is not accurate, please let us know.

Other Information

This Policy applies to products or services that are purchased or obtained from MVP. We reserve the right to change this policy and any of the policies described above, at any time. The examples contained within this policy are illustrations; they are not intended to be exclusive or exhaustive.

Contact Information

Members can obtain a copy of our Privacy Notice by visiting **mvphealthcare.com/notices** and selecting *Privacy Notices*, or by calling the MVP Customer Care Center at **1-888-687-6277** (TTY 711).

Help Us Fight
Insurance Fraud

At MVP Health Care®, we are committed to providing access to top-quality, affordable health care. That's why we're tough on fraud.

The MVP Special Investigations Unit

Every year, billions of dollars are spent on fraudulent claims throughout the insurance industry, translating into escalating costs and expenses. The MVP Special Investigations Unit (SIU) deals exclusively with situations regarding potential fraud, waste, and abuse. The SIU works closely with federal and state agencies responsible for identifying and investigating potential insurance fraud, waste, and/or abuse, as well as our many providers and other insurance companies.

Insurance Fraud is More Common than You Might Think

Common forms include:

- A health care provider bills you for services you never received
- Payments are made for services previously covered by another insurance carrier
- Payments are made to or for someone who was not an eligible subscriber or dependent
- Someone uses your MVP Member ID card to obtain medical care, supplies, or equipment

How You Can Help

If you suspect insurance fraud, you should report it right away. Contact the MVP Special Investigations Unit at **1-877-TELL-MVP** (1-877-835-5687). Your privacy will be respected and any information you provide will be kept in strict confidence.

Should you wish to make an anonymous report, contact EthicsPoint at **1-888-357-2687**.

Contact Us

If you have questions, please contact the MVP Member Services/Customer Care Center Monday–Friday, 8 am–6 pm Eastern Time.

Medicaid and Child Health Plus Members

1-800-852-7826 (TTY 711)

MVP Harmonious Health Care Plan® Members

Health Survey

MVP Health Care® wants to help keep you healthy. The information you provide in this survey will only be used to assess the condition of your overall health and to determine if one of our nurses or case managers can assist you with your health care needs. If you would prefer to complete this survey over the phone, please call MVP Member Services/Customer Care Center at **1-800-852-7826** (TTY 711). Your answers will be kept confidential and are not used to determine eligibility for health insurance.

Please complete one survey for each member of your family who has been enrolled in the MVP Medicaid program.

Section 1: MVP Member Information *(please print)*

Member Name	MVP Subscriber ID

Date of Birth	Home Phone No.	Alternate Phone No.

Section 2: Health Questions—these questions apply to you only.

1. What is the primary language spoken in your home? ☐ English ☐ Spanish ☐ Other: _____

If English is not your primary language, is there someone who can interpret for you? ☐ Yes ☐ No

If ***Yes***, who is that person? _____

2. Who is your Primary Care Provider? _____

3. Have you had a recent physical? ☐ Yes ☐ No

If ***Yes***, tell us of any health problems identified that we can help you with.

_____

_____

4. If you have not had a recent physical, do you need help with any of the following to make an appointment?

☐ Transportation ☐ Choosing a new health care provider ☐ Other: _____

5. Are you on any medications at this time? ☐ Yes *(list all below)* ☐ No

Medications Prescribed by Provider	Over-the-Counter Herbal Supplements/Medications

6. Are you receiving any of the following long-term services?

☐ Home care by a nurse ☐ Personal care ☐ Consumer Directed Personal Assistance Services (CDPAS)

☐ Private duty nursing ☐ Adult day care ☐ Other: _____
