Note: Retirees and COBRA participants are not considered "employees" and should not be counted to determine group size. ¹ The full-time equivalent (FTE) employee counting method in 26 U.S.C. 4980H(c)(2) must be utilized to determine group size. This method is the same calculation used to determine employer liability under the Shared Responsibility for Employers provisions of the Affordable Care Act (ACA) and Internal Revenue Code. To convert the number of part-time employees to a full-time equivalent, the aggregate number of hours worked for part-time employees is divided by 120. Part-time hours are capped at 120 hours per employee per month.

Section 8: Separate Entities with Multiple Tax ID Numbers					
Only complete this section if you have separate entities with multiple Tax ID numbers. Group size for groups under common ownership is determined based upon the total Full-Time Equivalent Employees (FTEs) for all entities. In order to combine separate groups into one employer group for group insurance purposes, MVP will require documentation showing 80% of each entity is owned by the same person or set of people. Please check if any of the following conditions apply: Multiple Tax ID numbers are listed above This/These groups are owned by another entity This group owns another entity This group is one of multiple groups that are owned by the same entity/entities If any of the above conditions apply, tax documentation certifying that at least 80% common ownership must be submitted.					
Acceptable tax forms are (1) IRS Form 851 (Affiliations Schedule) with name	es of all entities or (2) Schedule K-1 (IR	RS Form 106	5).
