

Update to Applied Behavior Analysis Services

You may have recently received a notice from MVP Health Care® (MVP) indicating that effective October 1, 2021, MVP Managed Medicaid Plans will begin to cover Applied Behavior Analysis services for eligible Members under the age of 21.

New York State Department of Health (NYS DOH) recently announced that this benefit will not be carved into Managed Medicaid Plans as contemplated for October 1, 2021.

Please note that NYS DOH further reiterated that Applied Behavior Analysis services will continue to be covered by Medicaid Fee-For-Service.

MVP will continue to monitor NYS DOH developments in this benefits area and make timely updates available as applicable.
