

Annual Review of Clinical Criteria

InterQual® criteria, published by Change Healthcare, is used in many of the MVP Health Care® (MVP) medical review processes to support the medical necessity of health care services. The annual changes to the criteria are published for health care providers to review prior to implementation. MVP has posted a copy of the InterQual criteria changes on our website. For access, go to **mvphealthcare.com**, *Sign In* to your MVP Provider account, then select *Medical Policies* under *Resources*. Select the *InterQual 2022 Clinical Revisions* at the bottom of the page to view changes.

The criteria will be available for Participating Providers to review for 15 days from the date of this communication. If after your review you have questions about these changes, you may speak to an MVP Medical Director by calling the Customer Care Center for Provider Services at **1-800-684-9286**. The effective date of the criteria changes will be communicated following the comment period.
