- Generally not useful to a person in the absence of disease or injury; and
- Appropriate for use in the home.

**Emergency Condition:** A medical or behavioral condition that manifests itself by Acute symptoms of sufficient severity, including severe pain, such that a prudent layperson, possessing an average knowledge of medicine and health, could reasonably expect the absence of immediate medical attention to result in:

- Placing the health of the person afflicted with such condition or, with respect to a pregnant woman, the health of the woman or her unborn child in serious jeopardy, or in the case of a behavioral condition, placing the health of such person or others in serious jeopardy;

The NYSOH is a marketplace where individuals, families and small businesses can learn about their health insurance options; compare plans based on cost, benefits and other important features; apply for and receive financial help with premiums and cost-sharing based on income; choose a plan; and enroll in coverage. The NYSOH also helps eligible consumers enroll in other programs, including Medicaid, Child Health Plus, and the Essential Plan.

## SECTION II

### How Your Coverage Works

#### **A. Your Coverage Under this Contract.**

You, or the Responsible Adult on your behalf, have purchased a HMO Contract from Us. This Contract is issued to cover Members (referred to as "You") who are less than 21 years of age. We will provide the benefits described in this Contract to You. Coverage lasts until the end of the year in which You turn 21 years of age. You or the Responsible Adult should keep this Contract with other important papers so that it is available for future reference.

#### **B. Covered Services.**

You will receive Covered Services under the terms and conditions of this Contract only when the Covered Service is:

- Medically Necessary;
- Provided by a Participating Provider;
- Listed as a Covered Service;
- Not in excess of any benefit limitations described in the Schedule of Benefits section of this Contract; and
- Received while Your Contract is in force.

When You are outside Our Service Area, coverage is limited to Emergency Services, Pre-Hospital Emergency Medical Services and ambulance services to treat Your Emergency Condition and Urgent Care.

#### **C. Participating Providers.**

To find out if a Provider is a Participating Provider, and for details about licensure and training:

- Check Your Provider directory, available at Your request;
- Call the number on Your ID card; or
- Visit Our website at [www.mvphealthcare.com](http://www.mvphealthcare.com).

#### **D. The Role of Primary Care Physicians.**

This Contract does not have a gatekeeper, usually known as a Primary Care Physician (“PCP”). This Contract requires that You select a Primary Care Physician (“PCP”). Although You are encouraged to receive care from Your PCP, You do not need a Referral from a PCP before receiving Specialist care from a Participating Provider.

You may select any participating PCP who is available from the list of PCPs in the HMO Network. Each Member may select a different PCP. Children covered under this Contract may designate a participating PCP who specializes in pediatric care. In certain circumstances, You may designate a Specialist as Your PCP. See the Access to Care and Transitional Care section of this Contract for more information about designating a Specialist. To select a PCP, visit Our website at [www.mvphealthcare.com](http://www.mvphealthcare.com). If You do not select a PCP, We will assign one to You.

For purposes of Cost-Sharing, if You seek services from a PCP (or a Physician covering for a PCP) who has a primary or secondary specialty other than general practice, family practice, internal medicine, pediatrics and OB/GYN, You must pay the specialty office visit Cost-Sharing in the Schedule of Benefits section of this Contract when the services provided are related to specialty care.

**1. Services Not Requiring a Referral from Your PCP.** Your PCP is responsible for determining the most appropriate treatment for Your health care needs. You do not need a Referral from Your PCP to a Participating Provider for the following services:

- Primary and preventive obstetric and gynecologic services including annual examinations, care resulting from such annual examinations, treatment of Acute gynecologic conditions, or for any care related to a pregnancy from a qualified Participating Provider of such services;
- Emergency Services;
- Pre-Hospital Emergency Medical Services and emergency ambulance transportation;
- Maternal depression screening;
- Urgent Care;
- Chiropractic services;
- Outpatient mental health care;
- Refractive eye exams from an optometrist;
- Diabetic eye exams from an ophthalmologist; and
- All other services from Participating Providers.

However, the Participating Provider must discuss the services and treatment plan with Your PCP; agree to follow Our policies and procedures including any procedures regarding Referrals or Preauthorization for services other than obstetric and gynecologic services rendered by such Participating Provider; and

agree to provide services pursuant to a treatment plan (if any) approved by Us. See the Schedule of Benefits section of this Contract for the services that require a Referral.

You may need to request Preauthorization before You receive certain services. See the Schedule of Benefits section of this Contract for the services that require Preauthorization.

- 2. Access to Providers and Changing Providers.** Sometimes Providers in Our Provider directory are not available. Prior to notifying Us of the PCP You selected, You should call the PCP to make sure he or she is a Participating Provider and is accepting new patients.

To see a Provider, call his or her office and tell the Provider that You are a MVP Health Plan, Inc. HMO network Member, and explain the reason for Your visit. Have Your ID card available. The Provider's office may ask You for Your Member ID number. When You go to the Provider's office, bring Your ID card with You.

You may change Your PCP by calling the Customer Care Center number listed on the back of Your ID card or visiting Our website at [www.mvphealthcare.com](http://www.mvphealthcare.com). This can be done by clicking on the members tab; enter Your username and password on the left. Once You have logged in select "change/Select PCP". Your Health Plan summary will be displayed. Click the "Change" icon next to Your current Physician's name to search for and choose a new Provider. You will need to tell us why You would like a new PCP before You can begin Your search. This will help us make sure You receive the care You need. This can be done at any time.

**E. Services Subject to Preauthorization.**

Our Preauthorization is required before You receive certain Covered Services. Your PCP is responsible for requesting Preauthorization for in-network services

**F. Preauthorization / Notification Procedure.**

If You seek coverage for services that require Preauthorization or notification, Your Provider must call Us at the number on Your ID card.

Your Provider must contact Us to request Preauthorization as follows:

- At least two (2) weeks prior to a planned admission or surgery when Your Provider recommends inpatient Hospitalization. If that is not possible, then as soon as reasonably possible during regular business hours prior to the admission.
- At least two (2) weeks prior to ambulatory surgery or any ambulatory care procedure when Your Provider recommends the surgery or procedure be performed in an ambulatory surgical unit of a Hospital or in an Ambulatory

Surgical Center. If that is not possible, then as soon as reasonably possible during regular business hours prior to the surgery or procedure.

- Within the first three (3) months of a pregnancy, or as soon as reasonably possible and again within 48 hours after the actual delivery date if Your Hospital stay is expected to extend beyond 48 hours for a vaginal birth or 96 hours for cesarean birth.
- Before air ambulance services are rendered for a non-Emergency Condition.

You must contact Us to provide notification as follows:

- As soon as reasonably possible when air ambulance services are rendered for an Emergency Condition.
- If You are hospitalized in cases of an Emergency Condition, You must call Us within 48 hours after Your admission or as soon thereafter as reasonably possible.

### **G. Medical Management.**

The benefits available to You under this Contract are subject to pre-service, concurrent and retrospective reviews to determine when services should be Covered by Us. The purpose of these reviews is to promote the delivery of cost-effective medical care by reviewing the use of procedures and, where appropriate, the setting or place the services are performed. Covered Services must be Medically Necessary for benefits to be provided.

### **H. Medical Necessity.**

We Cover benefits described in this Contract as long as the health care service, procedure, treatment, test, device, Prescription Drug or supply (collectively, “service”) is Medically Necessary. The fact that a Provider has furnished, prescribed, ordered, recommended, or approved the service does not make it Medically Necessary or mean that We have to Cover it.

We may base Our decision on a review of:

- Your medical records;
- Our medical policies and clinical guidelines;
- Medical opinions of a professional society, peer review committee or other groups of Physicians;
- Reports in peer-reviewed medical literature;
- Reports and guidelines published by nationally-recognized health care organizations that include supporting scientific data;
- Professional standards of safety and effectiveness, which are generally-recognized in the United States for diagnosis, care, or treatment;
- The opinion of Health Care Professionals in the generally-recognized health specialty involved;
- The opinion of the attending Providers, which have credence but do not overrule contrary opinions.

Services will be deemed Medically Necessary only if:

- They are clinically appropriate in terms of type, frequency, extent, site, and duration, and considered effective for Your illness, injury, or disease;
- They are required for the direct care and treatment or management of that condition;
- Your condition would be adversely affected if the services were not provided;
- They are provided in accordance with generally-accepted standards of medical practice;
- They are not primarily for the convenience of You, Your family, or Your Provider;
- They are not more costly than an alternative service or sequence of services, that is at least as likely to produce equivalent therapeutic or diagnostic results;
- When setting or place of service is part of the review, services that can be safely provided to You in a lower cost setting will not be Medically Necessary if they are performed in a higher cost setting. For example, We will not provide coverage for an inpatient admission for surgery if the surgery could have been performed on an outpatient basis or an infusion or injection of a specialty drug provided in the outpatient department of a Hospital if the drug could be provided in a Physician's office or the home setting.

See the Utilization Review and External Appeal sections of this Contract for Your right to an internal Appeal and external appeal of Our determination that a service is not Medically Necessary.

#### **I. Protection from Surprise Bills.**

1. A surprise bill is a bill You receive for Covered Services in the following circumstances:
  - For services performed by a non-participating Physician at a participating Hospital or Ambulatory Surgical Center, when:
    - A participating Physician is unavailable at the time the health care services are performed;
    - A non-participating Physician performs services without Your knowledge; or
    - Unforeseen medical issues or services arise at the time the health care services are performed.

A surprise bill does not include a bill for health care services when a participating Physician is available and You elected to receive services from a non-participating Physician.

- You were referred by a participating Physician to a Non-Participating Provider without Your explicit written consent acknowledging that the referral is to a Non-Participating Provider and it may result in costs not covered by Us. For a surprise bill, a referral to a Non-Participating Provider means:
  - Covered Services are performed by a Non-Participating Provider in the participating Physician's office or practice during the same visit;
  - The participating Physician sends a specimen taken from You in the participating Physician's office to a non-participating laboratory

- or pathologist; or
- For any other Covered Services performed by a Non-Participating Provider at the participating Physician's request, when Referrals are required under Your Contract.

You will be held harmless for any Non-Participating Provider charges for the surprise bill that exceed Your Copayment, Deductible or Coinsurance if You assign benefits to the Non-Participating Provider in writing. In such cases, the Non-Participating Provider may only bill You for Your Copayment, Deductible or Coinsurance.

The assignment of benefits form for surprise bills is available at [www.dfs.ny.gov](http://www.dfs.ny.gov) or You can visit Our website at [www.mvphealthcare.com](http://www.mvphealthcare.com) for a copy of the form. You need to mail a copy of the assignment of benefits form to Us at the address on Your ID card and to Your Provider.

- 2. Independent Dispute Resolution Process.** Either We or a Provider may submit a dispute involving a surprise bill to an independent dispute resolution entity ("IDRE") assigned by the state. Disputes are submitted by completing the IDRE application form, which can be found at [www.dfs.ny.gov](http://www.dfs.ny.gov). The IDRE will determine whether Our payment or the Provider's charge is reasonable within 30 days of receiving the dispute.

#### **J. Delivery of Covered Services Using Telehealth.**

If Your Provider offers Covered Services using telehealth, We will not deny the Covered Services because they are delivered using telehealth. Covered Services delivered using telehealth may be subject to utilization review and quality assurance requirements and other terms and conditions of the Contract that are at least as favorable as those requirements for the same service when not delivered using telehealth. "Telehealth" means the use of electronic information and communication technologies by a Provider to deliver Covered Services to You while Your location is different than Your Provider's location.

## SECTION III

### Access to Care and Transitional Care

#### **A. Referral to a Non-Participating Provider.**

If We determine that We do not have a Participating Provider that has the appropriate training and experience to treat Your condition, We will approve a Referral to an appropriate Non-Participating Provider. Your Participating Provider must request prior approval of the Referral to a specific Non-Participating Provider. Approvals of Referrals to Non-Participating Providers will not be made for the convenience of You or another treating Provider and may not necessarily be to the specific Non-Participating Provider You requested. If We approve the Referral, all services performed by the Non-Participating Provider are subject to a treatment plan approved by Us in consultation with Your PCP, the Non-Participating Provider and You. Covered Services rendered by the Non-Participating Provider will be paid as if they were provided by a Participating Provider. You will be responsible only for any applicable in-network Cost-Sharing. In the event a Referral is not approved, any services rendered by a Non-Participating Provider will not be Covered.

#### **B. When a Specialist Can Be Your Primary Care Physician.**

If You have a life-threatening condition or disease or a degenerative and disabling condition or disease that requires specialty care over a long period of time, You may

ask that a Specialist who is a Participating Provider be Your PCP. We will consult with the Specialist and Your PCP and decide whether the Specialist should be Your PCP. Any Referral will be pursuant to a treatment plan approved by Us in consultation with Your PCP, the Specialist and You. We will not approve a non-participating Specialist unless We determine that We do not have an appropriate Provider in Our network. If We approve a non-participating Specialist, Covered Services rendered by the non-participating Specialist pursuant to the approved treatment plan will be paid as if they were provided by a Participating Provider. You will only be responsible for any applicable in-network Cost-Sharing.

**C. Standing Referral to a Participating Specialist.**

If You need ongoing specialty care, You may receive a standing Referral to a Specialist who is a Participating Provider. This means that You will not need a new Referral from Your PCP every time You need to see that Specialist. We will consult with the Specialist and Your PCP and decide whether You should have a standing Referral. Any Referral will be pursuant to a treatment plan approved by Us in consultation with Your PCP, the Specialist and You. The treatment plan may limit the number of visits, or the period during which the visits are authorized and may require the Specialist to provide Your PCP with regular updates on the specialty care provided as well as all necessary medical information. We will not approve a standing Referral to a non-participating Specialist unless We determine that We do not have an appropriate Provider in Our network. If We approve a standing Referral to a non-participating Specialist, Covered Services rendered by the non-participating Specialist pursuant to the approved treatment plan will be paid as if they were provided by a Participating Provider. You will be responsible only for any applicable in-network Cost-Sharing.

**D. Specialty Care Center.**

If You have a life-threatening condition or disease or a degenerative and disabling condition or disease that requires specialty care over a long period of time, You may request a Referral to a specialty care center with expertise in treating Your condition or disease. A specialty care center is a center that has an accreditation or designation from a state agency, the federal government or a national health organization as having special expertise to treat Your disease or condition. We will consult with Your PCP, Your Specialist, and the specialty care center to decide whether to approve such a Referral. Any Referral will be pursuant to a treatment plan developed by the specialty care center, and approved by Us in consultation with Your PCP or Specialist and You. We will not approve a Referral to a non-participating specialty care center unless We determine that We do not have an appropriate specialty care center in Our network. If We approve a Referral to a non-participating specialty care center, Covered Services rendered by the non-participating specialty care center pursuant to the approved treatment plan will be paid as if they were provided by a participating specialty care center. You will be responsible only for any applicable in-network Cost-Sharing.

**E. When Your Provider Leaves the Network.**

If You are in an ongoing course of treatment when Your Provider leaves Our network, then You may be able to continue to receive Covered Services for the ongoing

treatment from the former Participating Provider for up to 90 days from the date Your Provider's contractual obligation to provide services to You terminates. If You are pregnant and in Your second or third trimester, You may be able to continue care with a former Participating Provider through delivery and any postpartum care directly related to the delivery.

In order for You to continue to receive Covered Services for up to 90 days or through a pregnancy with a former Participating Provider, the Provider must agree to accept as payment the negotiated fee that was in effect just prior to the termination of Our relationship with the Provider. The Provider must also agree to provide Us necessary medical information related to Your care and adhere to our policies and procedures, including those for assuring quality of care, obtaining Preauthorization, Referrals, and a treatment plan approved by Us. If the Provider agrees to these conditions, You will receive the Covered Services as if they were being provided by a Participating Provider. You will be responsible only for any applicable in-network Cost-Sharing. Please note that if the Provider was terminated by Us due to fraud, imminent harm to patients or final disciplinary action by a state board or agency that impairs the Provider's ability to practice, continued treatment with that Provider is not available.

#### **F. New Members In a Course of Treatment.**

If You are in an ongoing course of treatment with a Non-Participating Provider when Your coverage under this Contract becomes effective, You may be able to receive Covered Services for the ongoing treatment from the Non-Participating Provider for up to 60 days from the effective date of Your coverage under this Contract. This course of treatment must be for a life-threatening disease or condition or a degenerative and disabling condition or disease. You may also continue care with a Non-Participating Provider if You are in the second or third trimester of a pregnancy when Your coverage under this Contract becomes effective. You may continue care through delivery and any post-partum services directly related to the delivery.

In order for You to continue to receive Covered Services for up to 60 days or through pregnancy, the Non-Participating Provider must agree to accept as payment Our fees for such services. The Provider must also agree to provide Us necessary medical information related to Your care and to adhere to Our policies and procedures including those for assuring quality of care, obtaining Preauthorization, Referrals, and a treatment plan approved by Us. If the Provider agrees to these conditions, You will receive the Covered Services as if they were being provided by a Participating Provider. You will be responsible only for any applicable in-network Cost-Sharing.

## **SECTION IV**

### **Cost-Sharing Expenses and Allowed Amount**

**A. Deductible.**

Except where stated otherwise, You must pay the amount in the Schedule of Benefits section of this Contract for Covered Services during each Plan Year before We provide coverage. If You have other than individual coverage, the individual Deductible applies to each person covered under this Contract. Once a person within a family meets the individual Deductible, no further Deductible is required for the person that has met the individual Deductible for that Plan Year. However, after Deductible payments for persons covered under this Contract collectively total the family Deductible amount in the Schedule of Benefits section of this Contract in a Plan Year, no further Deductible will be required for any person covered under this Contract for that Plan Year.

The Deductible runs from January 1 to December 31 of each calendar year.

**B. Copayments.**

Except where stated otherwise, after You have satisfied the Deductible as described above, You must pay the Copayments, or fixed amounts, in the Schedule of Benefits section of this Contract for Covered Services. However, when the Allowed Amount for a service is less than the Copayment, You are responsible for the lesser amount.

**C. Coinsurance.**

Except where stated otherwise, after You have satisfied the Deductible described above, You must pay a percentage of the Allowed Amount for Covered Services. We will pay the remaining percentage of the Allowed Amount as Your benefit as shown in the Schedule of Benefits section of this Contract.

**D. Out-of-Pocket Limit.**

When You have met Your Out-of-Pocket Limit in payment of Copayments, Deductibles and Coinsurance for a Plan Year in the Schedule of Benefits section of this Contract, We will provide coverage for 100% of the Allowed Amount for Covered Services for the remainder of that Plan Year. If You have other than individual coverage, once a person within a family meets the individual Out-of-Pocket Limit in the Schedule of Benefits section of this Contract, We will provide coverage for 100% of the Allowed Amount for the rest of that Plan Year for that person. If other than individual coverage applies, when persons in the same family covered under this Contract have collectively met the family Out-of-Pocket Limit in payment of Copayments, Deductibles and Coinsurance for a Plan Year in the Schedule of Benefits section of this Contract, We will provide coverage for 100% of the Allowed Amount for the rest of that Plan Year for the entire family.

Cost-Sharing for out-of-network services, except for Emergency Services and out-of-network dialysis, does not apply toward Your Out-of-Pocket Limit. The Out-of-Pocket Limit runs from January 1 to December 31 of each calendar year.

**E. Allowed Amount.**

“Allowed Amount” means the maximum amount We will pay for the services or supplies Covered under this Contract, before any applicable Copayment, Deductible and Coinsurance amounts are subtracted. We determine Our Allowed Amount as follows:

The Allowed Amount for Participating Providers will be the amount We have negotiated with the Participating Provider.

See the Emergency Services and Urgent Care section of this Contract for the Allowed Amount for Emergency Services rendered by Non-Participating Providers. See the Ambulance and Pre-Hospital Emergency Medical Services section of this Contract for the Allowed Amount for Pre-Hospital Emergency Medical Services rendered by Non-Participating Providers.

## **SECTION V**

### **Who is Covered**

#### **A. Who is Covered Under this Contract.**

This Contract is issued to cover Members (known as “You”) who are under 21 years of age. Coverage lasts until the end of the year in which You turn 21 years of age. You must live or reside in Our Service Area to be covered under this Contract. If You are enrolled in Medicare, You are not eligible to purchase this Contract.

A proposed adopted Child is eligible for coverage on the same basis as a natural Child during any waiting period prior to the finalization of the Child’s adoption. Coverage also includes Children for whom the Responsible Adult is a legal guardian if the Children are chiefly dependent upon the Responsible Adult for support and the Responsible Adult has been appointed the legal guardian by a court order. Foster Children and grandchildren of the Responsible Adult are not covered.

We have the right to request and be furnished with such proof as may be needed to determine eligibility status of a prospective or covered Subscriber and all other prospective or covered Members in relation to eligibility for coverage under this Contract at any time.

#### **C. Special Enrollment Periods.**

Outside of the annual open enrollment period, You can enroll for coverage within 60 days prior to or after the occurrence of one (1) of the following events:

1. You involuntarily lose minimum essential coverage, including COBRA or state continuation coverage; including if You are enrolled in a non-calendar year group health plan or individual health insurance coverage, even if You have the option to renew the coverage;
2. You are determined newly eligible for advance payments of the Premium Tax Credit because the coverage You are enrolled in will no longer be employer-sponsored minimum essential coverage, including as a result of Your employer discontinuing or changing available coverage within the next 60 days, provided that You are allowed to terminate existing coverage;
3. You lose eligibility for Medicaid coverage, including Medicaid coverage for pregnancy-related services and Medicaid coverage for the medically needy, but not including other Medicaid programs that do not provide coverage for primary and specialty care; or
4. You become eligible for new qualified health plans because of a permanent move and You had minimum essential coverage for one (1) or more days during the 60 days before the move; or
5. You are no longer incarcerated.

Outside of the annual open enrollment period, You can enroll for coverage within 60 days after the occurrence of one (1) of the following events:

1. Your enrollment or non-enrollment in another qualified health plan was unintentional, inadvertent or erroneous and was the result of the error, misrepresentation, or inaction of an officer, employee, or agent of the NYSOH, or a non-NYSOH entity providing enrollment assistance or conducting enrollment activities, as evaluated and determined by the NYSOH;
2. You adequately demonstrate to the NYSOH that another qualified health plan in which You were enrolled substantially violated a material provision of its contract;
3. The Responsible Adult gains a Child through birth, adoption or placement for adoption or foster care, or through a child support order or other court order, however, foster Children and Children for whom the Responsible Adult is a legal guardian are not covered under this Contract;

11. You apply for coverage during the annual open enrollment period or due to a qualifying event, are assessed by the NYSOH as potentially eligible for Medicaid or Child Health Plus, but are determined ineligible for Medicaid or Child Health Plus after open enrollment ended or more than 60 days after the qualifying event;
12. You apply for Medicaid or Child Health Plus coverage during the annual open enrollment period and are determined ineligible for Medicaid or Child Health Plus coverage after open enrollment has ended; or
13. You adequately demonstrate to the NYSOH that a material error related to plan benefits, service area, or premium influenced Your decision to purchase a qualified health plan through the NYSOH.

The NYSOH must receive notice and We must receive any Premium payment within 60 days of one (1) of these events.

If You are applying due to a permanent move or marriage, You can meet the requirement to demonstrate coverage in the 60 days prior to the permanent move or marriage by having minimum essential coverage for one (1) or more days during the 60 days before the move or marriage; living in a foreign country or in a United States territory for one (1) or more days during the 60 days before the move or marriage; or You are an Indian as defined in 25 U.S.C. 450b(d).

#### **D. Plan Selection Limitations for Certain Special Enrollment Periods.**

If You become newly eligible for Cost-Sharing Reductions and are not enrolled in a silver level qualified health plan, You can only change to a silver level qualified health plan.

If You gain a Dependent, You must add the Dependent to Your current qualified health plan, or, if the current qualified health plan's rules do not allow the Dependent to enroll, You and Your Dependents may change to another qualified health plan within the same level of coverage (or to one (1) metal level higher or lower if no qualified health plan is available at Your current metal level). Your Dependent may also enroll in any separate qualified health plan.

You may only make enrollment changes in the same qualified health plan or change to another qualified health plan within the same metal level of coverage (or to one (1) metal level higher or lower if no qualified health plan is available at Your current metal level) for any special enrollment triggering event listed above except the following:

1. You involuntarily loses minimum essential coverage;

2. Your enrollment or non-enrollment in another qualified health plan was unintentional, inadvertent or erroneous and was the result of the error, misrepresentation, or inaction of an officer, employee, or agent of the NYSOH, or a non-NYSOH entity providing enrollment assistance or conducting enrollment activities, as evaluated and determined by the NYSOH;
3. You are determined newly eligible or newly ineligible for advance payments of the Premium Tax Credit or have a change in eligibility for Cost-Sharing Reductions;
4. You are an Indian, as defined in 25 U.S.C. 450b(d);
5. You demonstrate to the NYSOH that You meet other exceptional circumstances as the NYSOH may provide; or
6. You are a victim of domestic abuse or spousal abandonment, including a Dependent or unmarried victim within a household, are enrolled in minimum essential coverage, and You seek to enroll in coverage separate from the perpetrator of the abuse or abandonment.

#### **E. Effective Dates of Coverage for Special Enrollment Periods.**

If You enroll because You are losing minimum essential coverage within the next 60 days, or You are determined newly eligible for advance payments of the Premium Tax Credit because the coverage You are enrolled in will no longer be employer-sponsored minimum essential coverage, or You gain access to new qualified health plans because You are moving, and Your selection is made on or before the triggering event, then Your coverage will begin on the first day of the month following Your loss of coverage.

If You enroll because the Responsible Adult gains a Child through adoption or placement for adoption, Your coverage will begin on the date of the adoption or placement for adoption. If You enroll because of a court order, Your coverage will begin on the date the court order is effective. If You enroll because of the death of the Responsible Adult, Your coverage will begin on the first day of the month following Your selection.

If the Responsible Adult has a newborn or adopted newborn Child and the NYSOH receives notice of such birth within 60 days thereafter, coverage for such newborn starts at the moment of birth; otherwise coverage begins on the date on which the NYSOH receives notice. An adopted newborn Child will be covered from the moment of birth if the Responsible Adult takes physical custody of the infant as soon as the infant is released from the Hospital after birth and the Responsible Adult files a petition pursuant to Section 115-c of the New York Domestic Relations Law within 60 days of the infant's birth; and provided further that no notice of revocation to the adoption has been filed pursuant to Section 115-b of the New York Domestic Relations Law, and consent to the adoption has not been revoked. However, We will not provide Hospital benefits for the adopted newborn's initial Hospital stay if one of the infant's natural parents has coverage for the newborn's initial Hospital stay. The Responsible Adult must pay any additional Premium within 60 days of the birth or adoption in order for coverage to start at the moment of birth. Otherwise, coverage begins on the date on which the NYSOH

receives notice, provided that the Responsible Adult pays any additional Premium when due.

Advance payments of any Premium Tax Credit and Cost-Sharing Reductions are not effective until the first day of the following month, unless the birth, adoption, or placement for adoption occurs on the first day of the month.

In all other cases, the effective date of Your coverage will depend on when the NYSOH receives Your selection. If Your selection is received between the first and fifteenth day of the month, Your coverage will begin on the first day of the following month, as long as Your applicable Premium payment is received by then. If Your selection is received between the sixteenth day and the last day of the month, Your coverage will begin on the first day of the second month, as long as Your applicable Premium payment is received by then.

#### **F. Special Enrollment Period for Pregnant Women**

If You are pregnant as certified by a Health Care Professional, You may enroll in coverage at any time during Your pregnancy. You must provide Us with the certification from Your Health Care Professional that You are pregnant. Coverage will be effective on the first day of the month in which You received the certification from Your Health Care Professional that You are pregnant unless You elect for coverage to be effective on the first day of the month following certification. You must pay all Premiums due from the first day of the month in which You received the certification that You are pregnant for Your coverage to begin. However, if You elect for coverage to be effective on the first day of the month following certification, You must pay all Premiums due from the first day of the month in which Your coverage is effective.

If You are eligible, advance payments of any Premium Tax Credit and Cost-Sharing Reductions will apply on the first day of the month following Your enrollment with NYSOH.

- Serious impairment to such person’s bodily functions;

Please follow the instructions listed below regardless of whether or not You are in Our Service Area at the time Your Emergency Condition occurs:

- 1. Hospital Emergency Department Visits.** In the event that You require treatment for an Emergency Condition, seek immediate care at the nearest Hospital emergency department or call 911. Emergency Department Care does not require Preauthorization. **However, only Emergency Services for the treatment of an Emergency Condition are Covered in an emergency department.** If You are uncertain whether a Hospital emergency department is the most appropriate place to receive care, You can call Us before You seek treatment.

1. You must show Your ID card to a retail pharmacy at the time You obtain Your Prescription Drug or You must provide the pharmacy with identifying information that can be verified by Us during regular business hours.
2. **Drug Utilization, Cost Management and Rebates.** We conduct various utilization management activities designed to ensure appropriate Prescription Drug usage, to avoid inappropriate usage, and to encourage the use of cost-effective drugs. Through these efforts, You benefit by obtaining appropriate Prescription Drugs in a cost-effective manner. The cost savings resulting from these activities are reflected in the premiums for Your coverage. We may also, from time to time, enter into agreements that result in Us receiving rebates or other funds ("rebates") directly or indirectly from Prescription Drug manufacturers, Prescription Drug distributors or others. Any rebates are based upon utilization of Prescription Drugs across all of Our business and not solely on any one Member's utilization of Prescription Drugs. Any rebates received by Us may or may not be applied, in whole or part, to reduce premiums either through an adjustment to claims costs or as an adjustment to the administrative expenses component of Our Prescription Drug premiums. Instead, any such rebates may be retained by Us, in whole or part, in order to fund such activities as new utilization management activities, community benefit activities and increasing reserves for the protection of Members. Rebates will not change or reduce the amount of any Copayment or Coinsurance applicable under Our Prescription Drug coverage.

8. **Prescription Drug Cost:** The amount, including a dispensing fee and any sales tax, for a Covered Prescription Drug dispensed at a Participating Pharmacy. If We need additional information, We will request it within 30 calendar days. You or Your Provider will then have 45 calendar days to provide the information. We will make a determination and provide notice to You and Your Provider in writing within 15 calendar days of the earlier of Our receipt of the information or the end of the 45-day period.

Once We have all the information to make a decision, Our failure to make a Utilization Review determination within the applicable time frames set forth above will be deemed an adverse determination subject to an internal Appeal.

#### **E. Retrospective Review of Preauthorized Services.**

We may only reverse a preauthorized treatment, service or procedure on retrospective review when:

- The relevant medical information presented to Us upon retrospective review is materially different from the information presented during the Preauthorization review;

- The relevant medical information presented to Us upon retrospective review existed at the time of the Preauthorization but was withheld or not made available to Us;
- We were not aware of the existence of such information at the time of the Preauthorization review; and
- Had We been aware of such information, the treatment, service or procedure being requested would not have been authorized. The determination is made using the same specific standards, criteria or procedures as used during the Preauthorization review.

## **F. Step Therapy Override Determinations.**

You, Your designee, or Your Health Care Professional may request a step therapy protocol override determination for Coverage of a Prescription Drug selected by Your Health Care Professional. When conducting Utilization Review for a step therapy protocol override determination, We will use recognized evidence-based and peer reviewed clinical review criteria that is appropriate for You and Your medical condition.

**1. Supporting Rationale and Documentation.** A step therapy protocol override determination request must include supporting rationale and documentation from a Health Care Professional, demonstrating that:

- The required Prescription Drug(s) is contraindicated or will likely cause an adverse reaction or physical or mental harm to You;
- The required Prescription Drug(s) is expected to be ineffective based on Your known clinical history, condition, and Prescription Drug regimen;
- You have tried the required Prescription Drug(s) while covered by Us or under Your previous health insurance coverage, or another Prescription Drug in the same pharmacologic class or with the same mechanism of action, and that Prescription Drug(s) was discontinued due to lack of efficacy or effectiveness, diminished effect, or an adverse event;
- You are stable on a Prescription Drug(s) selected by Your Health Care Professional for Your medical condition, provided this does not prevent Us from requiring You to try an AB-rated generic equivalent; or
- The required Prescription Drug(s) is not in Your best interest because it will likely cause a significant barrier to Your adherence to or compliance with Your plan of care, will likely worsen a comorbid condition, or will likely decrease Your ability to achieve or maintain reasonable functional ability in performing daily activities.

**2. Standard Review.** We will make a step therapy protocol override determination and provide notification to You (or Your designee) and where appropriate, Your Health Care Professional, within 72 hours of receipt of the supporting rationale and documentation.

**3. Expedited Review.** If You have a medical condition that places Your health in serious jeopardy without the Prescription Drug prescribed by Your Health Care Professional, We will make a step therapy protocol override determination and

provide notification to You (or Your designee) and Your Health Care Professional within 24 hours of receipt of the supporting rationale and documentation.

If the required supporting rationale and documentation are not submitted with a step therapy protocol override determination request, We will request the information within 72 hours for Preauthorization and retrospective reviews, the lesser of 72 hours or one (1) business day for concurrent reviews, and 24 hours for expedited reviews. You or Your Health Care Professional will have 45 calendar days to submit the information for Preauthorization, concurrent and retrospective reviews, and 48 hours for expedited reviews. For Preauthorization reviews, We will make a determination and provide notification to You (or Your designee) and Your Health Care Professional within the earlier of 72 hours of Our receipt of the information or 15 calendar days of the end of the 45-day period if the information is not received. For concurrent reviews, We will make a determination and provide notification to You (or Your designee) and Your Health Care Professional within the earlier of 72 hours or one (1) business day of Our receipt of the information or 15 calendar days of the end of the 45-day period if the information is not received. For retrospective reviews, We will make a determination and provide notification to You (or Your designee) and Your Health Care Professional within the earlier of 72 hours of Our receipt of the information or 15 calendar days of the end of the 45-day period if the information is not received. For expedited reviews, We will make a determination and provide notification to You (or Your designee) and Your Health Care Professional within the earlier of 24 hours of Our receipt of the information or 48 hours of the end of the 48-hour period if the information is not received.

If We do not make a determination within 72 hours (or 24 hours for expedited reviews) of receipt of the supporting rationale and documentation, the step therapy protocol override request will be approved.

If We determine that the step therapy protocol should be overridden, We will authorize immediate coverage for the Prescription Drug prescribed by Your treating Health Care Professional. An adverse step therapy override determination is eligible for an Appeal.

#### **G. Reconsideration.**

If We did not attempt to consult with Your Provider who recommended the Covered Service before making an adverse determination, the Provider may request reconsideration by the same clinical peer reviewer who made the adverse determination or a designated clinical peer reviewer if the original clinical peer reviewer is unavailable. For Preauthorization and concurrent reviews, the reconsideration will take place within one (1) business day of the request for reconsideration. If the adverse determination is upheld, a notice of adverse determination will be given to You and Your Provider, by telephone and in writing.

#### **H. Utilization Review Internal Appeals.**

You, Your designee, and, in retrospective review cases, Your Provider, may request an internal Appeal of an adverse determination, either by phone, in person, or in writing.

You have up to 180 calendar days after You receive notice of the adverse determination to file an Appeal. We will acknowledge Your request for an internal Appeal within 15 calendar days of receipt. This acknowledgment will include the name, address, and phone number of the person handling Your Appeal and, if necessary, inform You of any additional information needed before a decision can be made. The Appeal will be decided by a clinical peer reviewer who is not subordinate to the clinical peer reviewer who made the initial adverse determination and who is 1) a Physician or 2) a Health Care Professional in the same or similar specialty as the Provider who typically manages the disease or condition at issue.

1. **Out-of-Network Service Denial.** You also have the right to Appeal the denial of a Preauthorization request for an out-of-network health service when We determine that the out-of-network health service is not materially different from an available in-network health service. A denial of an out-of-network health service is a service provided by a Non-Participating Provider, but only when the service is not available from a Participating Provider. For a Utilization Review Appeal of denial of an out-of-network health service, You or Your designee must submit:
  - A written statement from Your attending Physician, who must be a licensed, board-certified or board-eligible Physician qualified to practice in the specialty area of practice appropriate to treat Your condition, that the requested out-of-network health service is materially different from the alternate health service available from a Participating Provider that We approved to treat Your condition; and
  - Two (2) documents from the available medical and scientific evidence that the out-of-network service: 1) is likely to be more clinically beneficial to You than the alternate in-network service; and 2) that the adverse risk of the out-of-network service would likely not be substantially increased over the in-network health service.
  
2. **Out-of-Network Referral Denial.** You also have the right to Appeal the denial of a request for a Referral to a Non-Participating Provider when We determine that We have a Participating Provider with the appropriate training and experience to meet Your particular health care needs who is able to provide the requested health care service. For a Utilization Review Appeal of an out-of-network Referral denial, You or Your designee must submit a written statement from Your attending Physician, who must be a licensed, board-certified or board-eligible Physician qualified to practice in the specialty area of practice appropriate to treat Your condition:
  - That the Participating Provider recommended by Us does not have the appropriate training and experience to meet Your particular health care needs for the health care service; and
  - Recommending a Non-Participating Provider with the appropriate training and experience to meet Your particular health care needs who is able to provide the requested health care service.

## **I. Standard Appeal.**

1. **Preauthorization Appeal.** If Your Appeal relates to a Preauthorization request,

We will decide the Appeal within 30 calendar days of receipt of the Appeal request. Written notice of the determination will be provided to You (or Your designee), and where appropriate, Your Provider, within two (2) business days after the determination is made, but no later than 30 calendar days after receipt of the Appeal request.

2. **Retrospective Appeal.** If Your Appeal relates to a retrospective claim, We will decide the Appeal within 60 calendar days of receipt of the Appeal request. Written notice of the determination will be provided to You (or Your designee), and where appropriate, Your Provider, within two (2) business days after the determination is made, but no later than 60 calendar days after receipt of the Appeal request.
3. **Expedited Appeal.** An Appeal of a review of continued or extended health care services, additional services rendered in the course of continued treatment, home health care services following discharge from an inpatient Hospital admission, services in which a Provider requests an immediate review, mental health and/or substance use disorder services that may be subject to a court order, or any other urgent matter will be handled on an expedited basis. An expedited Appeal is not available for retrospective reviews. For an expedited Appeal, Your Provider will have reasonable access to the clinical peer reviewer assigned to the Appeal within one (1) business day of receipt of the request for an Appeal. Your Provider and a clinical peer reviewer may exchange information by telephone or fax. An expedited Appeal will be determined within the earlier of 72 hours of receipt of the Appeal or two (2) business days of receipt of the information necessary to conduct the Appeal. Written notice of the determination will be provided to You (or Your designee) within 24 hours after the determination is made, but no later than 72 hours after receipt of the Appeal request.

Our failure to render a determination of Your Appeal within 60 calendar days of receipt of the necessary information for a standard Appeal or within two (2) business days of receipt of the necessary information for an expedited Appeal will be deemed a reversal of the initial adverse determination.

4. **Substance Use Appeal.** If We deny a request for inpatient substance use disorder treatment that was submitted at least 24 hours prior to discharge from an inpatient admission, and You or Your Provider file an expedited internal Appeal of Our adverse determination, We will decide the Appeal within 24 hours of receipt of the Appeal request. If You or Your Provider file the expedited internal Appeal and an expedited external appeal within 24 hours of receipt of Our adverse determination, We will also provide coverage for the inpatient substance use disorder treatment while a determination on the internal Appeal and external appeal is pending.

## SECTION XX

### External Appeal

#### **A. Your Right to an External Appeal.**

In some cases, You have a right to an external appeal of a denial of coverage. If We have denied coverage on the basis that a service is not Medically Necessary (including appropriateness, health care setting, level of care or effectiveness of a Covered benefit); or is an experimental or investigational treatment (including clinical trials and treatments for rare diseases); or is an out-of-network treatment, You or Your representative may appeal that decision to an External Appeal Agent, an independent third party certified by the State to conduct these appeals.

In order for You to be eligible for an external appeal You must meet the following two (2) requirements:

- The service, procedure, or treatment must otherwise be a Covered Service under this Contract; and
- In general, You must have received a final adverse determination through Our internal Appeal process. But, You can file an external appeal even though You have not received a final adverse determination through Our internal Appeal process if:
  - We agree in writing to waive the internal Appeal. We are not required to agree to Your request to waive the internal Appeal; or
  - You file an external appeal at the same time as You apply for an expedited internal Appeal; or
  - We fail to adhere to Utilization Review claim processing requirements (other than a minor violation that is not likely to cause prejudice or harm to You, and We demonstrate that the violation was for good cause or due to matters beyond Our control and the violation occurred during an ongoing, good faith exchange of information between You and Us).

#### **B. Your Right to Appeal a Determination that a Service is Not Medically Necessary.**

If We have denied coverage on the basis that the service is not Medically Necessary, You may appeal to an External Appeal Agent if You meet the requirements for an external appeal in paragraph “A” above.

### **C. Your Right to Appeal a Determination that a Service is Experimental or Investigational.**

If We have denied coverage on the basis that the service is an experimental or investigational treatment (including clinical trials and treatments for rare diseases), You must satisfy the two (2) requirements for an external appeal in paragraph “A” above and Your attending Physician must certify that Your condition or disease is one for which:

1. Standard health services are ineffective or medically inappropriate; or
2. There does not exist a more beneficial standard service or procedure Covered by Us; or
3. There exists a clinical trial or rare disease treatment (as defined by law).

In addition, Your attending Physician must have recommended one (1) of the following:

1. A service, procedure or treatment that two (2) documents from available medical and scientific evidence indicate is likely to be more beneficial to You than any standard Covered Service (only certain documents will be considered in support of this recommendation – Your attending Physician should contact the State for current information as to what documents will be considered or acceptable); or
2. A clinical trial for which You are eligible (only certain clinical trials can be considered); or
3. A rare disease treatment for which Your attending Physician certifies that there is no standard treatment that is likely to be more clinically beneficial to You than the requested service, the requested service is likely to benefit You in the treatment of Your rare disease, and such benefit outweighs the risk of the service. In addition, Your attending Physician must certify that Your condition is a rare disease that is currently or was previously subject to a research study by the National Institutes of Health Rare Disease Clinical Research Network or that it affects fewer than 200,000 U.S. residents per year.

For purposes of this section, Your attending Physician must be a licensed, board-certified or board eligible Physician qualified to practice in the area appropriate to treat Your condition or disease. In addition, for a rare disease treatment, the attending Physician may not be Your treating Physician.

### **D. Your Right to Appeal a Determination that a Service is Out-of-Network.**

If We have denied coverage of an out-of-network treatment because it is not materially different than the health service available in-network, You may appeal to an External Appeal Agent if You meet the two (2) requirements for an external appeal in paragraph “A” above, and You have requested Preauthorization for the out-of-network treatment.

In addition, Your attending Physician must certify that the out-of-network service is materially different from the alternate recommended in-network health service, and based on two (2) documents from available medical and scientific evidence, is likely to be more clinically beneficial than the alternate in-network treatment and that the adverse risk of the requested health service would likely not be substantially increased over the alternate in-network health service.

For purposes of this section, Your attending Physician must be a licensed, board certified or board eligible Physician qualified to practice in the specialty area appropriate to treat You for the health service.

**E. Your Right to Appeal an Out-of-Network Referral Denial to a Non-Participating Provider.**

If We have denied coverage of a request for a Referral to a Non-Participating Provider because We determine We have a Participating Provider with the appropriate training and experience to meet Your particular health care needs who is able to provide the requested health care service, You may appeal to an External Appeal Agent if You meet the two (2) requirements for an external appeal in paragraph "A" above.

In addition, Your attending Physician must: 1) certify that the Participating Provider recommended by Us does not have the appropriate training and experience to meet Your particular health care needs; and 2) recommend a Non-Participating Provider with the appropriate training and experience to meet Your particular health care needs who is able to provide the requested health care service.

For purposes of this section, Your attending Physician must be a licensed, board certified or board eligible Physician qualified to practice in the specialty area appropriate to treat You for the health service.

**F. Your Right to Appeal a Formulary Exception Denial.**

If We have denied Your request for coverage of a non-formulary Prescription Drug through Our formulary exception process, You, Your designee or the prescribing Health Care Professional may appeal the formulary exception denial to an External Appeal Agent. See the Prescription Drug Coverage section of this Contract for more information on the formulary exception process.

**G. The External Appeal Process.**

You have four (4) months from receipt of a final adverse determination or from receipt of a waiver of the internal Appeal process to file a written request for an external appeal. If You are filing an external appeal based on Our failure to adhere to claim processing requirements, You have four (4) months from such failure to file a written request for an external appeal.

We will provide an external appeal application with the final adverse determination issued through Our internal Appeal process or Our written waiver of an internal Appeal. You may also request an external appeal application from the New York State Department of Financial Services at 1-800-400-8882. Submit the completed application to the Department of Financial Services at the address indicated on the application. If You meet the criteria for an external appeal, the State will forward the request to a certified External Appeal Agent.

You can submit additional documentation with Your external appeal request. If the

External Appeal Agent determines that the information You submit represents a material change from the information on which We based Our denial, the External Appeal Agent will share this information with Us in order for Us to exercise Our right to reconsider Our decision. If We choose to exercise this right, We will have three (3) business days to amend or confirm Our decision. Please note that in the case of an expedited external appeal (described below), We do not have a right to reconsider Our decision.

In general, the External Appeal Agent must make a decision within 30 days of receipt of Your completed application. The External Appeal Agent may request additional information from You, Your Physician, or Us. If the External Appeal Agent requests additional information, it will have five (5) additional business days to make its decision. The External Appeal Agent must notify You in writing of its decision within two (2) business days.

If Your attending Physician certifies that a delay in providing the service that has been denied poses an imminent or serious threat to Your health; or if Your attending Physician certifies that the standard external appeal time frame would seriously jeopardize Your life, health or ability to regain maximum function; or if You received Emergency Services and have not been discharged from a Facility and the denial concerns an admission, availability of care or continued stay, You may request an expedited external appeal. In that case, the External Appeal Agent must make a decision within 72 hours of receipt of Your completed application. Immediately after reaching a decision, the External Appeal Agent must notify You and Us by telephone or facsimile of that decision. The External Appeal Agent must also notify You in writing of its decision.

If Your internal formulary exception request received a standard review through Our formulary exception process, the External Appeal Agent must make a decision on Your external appeal and notify You or Your designee and the prescribing Health Care Professional within 72 hours of receipt of Your completed application. If the External Appeal Agent overturns Our denial, We will Cover the Prescription Drug while You are taking the Prescription Drug, including any refills.

If Your internal formulary exception request received an expedited review through Our formulary exception process, the External Appeal Agent must make a decision on Your external appeal and notify You or Your designee and the prescribing Health Care Professional within 24 hours of receipt of Your completed application. If the External Appeal Agent overturns Our denial, We will Cover the Prescription Drug while You suffer from the health condition that may seriously jeopardize Your health, life or ability to regain maximum function or for the duration of Your current course of treatment using the non-formulary Prescription Drug.

If the External Appeal Agent overturns Our decision that a service is not Medically Necessary or approves coverage of an experimental or investigational treatment or an out-of-network treatment, We will provide coverage subject to the other terms and conditions of this Contract. Please note that if the External Appeal Agent approves

coverage of an experimental or investigational treatment that is part of a clinical trial, We will only Cover the cost of services required to provide treatment to You according to the design of the trial. We will not be responsible for the costs of investigational drugs or devices, the costs of non-health care services, the costs of managing the research, or costs that would not be Covered under this Contract for non-investigational treatments provided in the clinical trial.

The External Appeal Agent's decision is binding on both You and Us. The External Appeal Agent's decision is admissible in any court proceeding.

We will charge You a fee of \$25 for each external appeal, not to exceed \$75 in a single Plan Year. The external appeal application will explain how to submit the fee. We will waive the fee if We determine that paying the fee would be a hardship to You. If the External Appeal Agent overturns the denial of coverage, the fee will be refunded to You.

#### **H. Your Responsibilities.**

**It is Your responsibility to start the external appeal process.** You may start the external appeal process by filing a completed application with the New York State Department of Financial Services. You may appoint a representative to assist You with Your application; however, the Department of Financial Services may contact You and request that You confirm in writing that You have appointed the representative.

**Under New York State law, Your completed request for external appeal must be filed within four (4) months of either the date upon which You receive a final adverse determination, or the date upon which You receive a written waiver of any internal Appeal, or Our failure to adhere to claim processing requirements. We have no authority to extend this deadline.**

## **SECTION XXI**

### **Termination of Coverage**

Coverage under this Contract may be terminated as follows:

#### **A. Automatic Termination of this Contract.**

This Contract shall automatically terminate upon Your death. If this Contract covers more than one (1) Child, then this Contract will remain in force for the remaining Children.

#### **B. Automatic Termination of Your Coverage.**

Coverage under this Contract shall automatically terminate at the end of the year in which You turn 21 years of age.

Eligibility or enrollment in Medicare is not a basis for termination under this Contract.

### **C. Termination by You.**

You or the Responsible Adult may terminate this Contract at any time by giving the NYSOH at least 14 days' prior written notice.

### **D. Termination by Us.**

We may terminate this Contract with 30 days' written notice as follows:

#### **1. Non-Payment of Premiums.**

Premiums are to be paid by You or the Responsible Adult to Us by each Premium due date. While each Premium is due by the due date, there is a grace period for each Premium payment. If the Premium payment is not received by the end of the grace period, coverage will terminate as follows:

- If You or the Responsible Adult do not receive advanced payments of the Premium Tax Credit for coverage in the NYSOH and fails to pay the required Premium within a 30-day grace period, this Contract will terminate retroactively back to the last day Premiums were paid. You or the Responsible Adult will be responsible for paying any claims submitted during the grace period if this Contract terminates.
- If You or the Responsible Adult receive advanced payments of the Premium Tax Credit and have paid at least one (1) full month's Premium, this Contract will terminate one (1) month after the last day Premiums were paid. That is, retroactive termination will not exceed 61 days. We may pend claims incurred during the 61-day grace period. You or the Responsible Adult will be responsible for paying any claims incurred during the 61-day grace period if this Contract terminates.

#### **2. Fraud or Intentional Misrepresentation of Material Fact.**

If You or the Responsible Adult have performed an act that constitutes fraud or made an intentional misrepresentation of material fact in writing on Your enrollment application, or in order to obtain coverage for a service, this Contract will terminate immediately upon written notice to You or the Responsible Adult from the NYSOH. However, if You or the Responsible Adult makes an intentional misrepresentation of material fact in writing on Your enrollment application, We will rescind this Contract if the facts misrepresented would have led Us to refuse to issue this Contract and the application is attached to this Contract. Rescission means that the termination of Your coverage will have a retroactive effect of up to the issuance of this Contract.

#### **3. If You or the Responsible Adult no longer live or reside in Our Service Area.**

#### **4. The date the Contract is terminated because We stop offering the class of contracts to which this Contract belongs, without regard to claims experience or health related status of this Contract. We will provide You or the Responsible Adult with at least 90 days' prior written notice.**

5. The date the Contract is terminated because We terminate or cease offering all hospital, surgical and medical expense coverage in the individual market, in this State. We will provide You or the Responsible Adult with at least 180 days' prior written notice.

No termination shall prejudice the right to a claim for benefits which arose prior to such termination.

See the Conversion Right to a New Contract after Termination section of this Contract for Your right to conversion to another individual Contract.

## **SECTION XXII**

### **Extension of Benefits**

When Your coverage under this Contract ends, benefits stop. But, if You are totally disabled on the date the Contract terminates, continued benefits may be available for the treatment of the injury or sickness that is the cause of the total disability.

For purposes of this section, "total disability" means You are prevented because of injury or disease from engaging in any work or other gainful activity. Total disability for a minor means that the minor is prevented because of injury or disease from engaging in substantially all of the normal activities of a person of like age and sex who is in good health.

#### **A. When You May Continue Benefits.**

If You are totally disabled on the date Your coverage under this Contract terminates, We will continue to pay for Your care under this Contract during an uninterrupted period of total disability until the first of the following:

- The date You are no longer totally disabled; or
- 12 months from the date this Contract terminated.

#### **B. Limits on Extended Benefits.**

We will not pay extended benefits:

- For any Member who is not totally disabled on the date coverage under this Contract ends; or
- Beyond the extent to which We would have paid benefits under this Contract if coverage had not ended.

## **SECTION XXIII**

### **Conversion Right to a New Contract after Termination**

#### **A. Circumstances Giving Rise to Right to Conversion.**

You have the right to convert to a new Contract if Your coverage under this Contract terminates under the Termination of Coverage section of this Contract because You turn 21 years of age. You are entitled to purchase a new Contract as a direct payment member.

#### **B. When to Apply for the New Contract.**

If You are entitled to purchase a new Contract as described above, You must apply to Us for the new Contract within 60 days after termination of Your coverage under this Contract. You must also pay the first Premium of the new Contract at the time You apply for coverage.

#### **C. The New Contract.**

We will offer You an individual direct payment Contract at each level of coverage (i.e., bronze, silver, gold or platinum) that Covers all benefits required by state and federal law. You may choose among any of the four (4) Contracts offered by Us.

## **SECTION XXIV**

### **Temporary Suspension Rights for Armed Forces' Members**

If You, the Subscriber, are a member of a reserve component of the armed forces of the United States, including the National Guard, You have the right to temporary suspension of coverage during active duty and reinstatement of coverage at the end of active duty if:

1. Your active duty is extended during a period when the president is authorized to order units of the reserve to active duty, provided that such additional active duty is at the request and for the convenience of the federal government; and
2. You serve no more than five (5) years of active duty.

You must make written request to Us to have Your coverage suspended during a period of active duty. Your unearned Premiums will be refunded during the period of such suspension.

Upon completion of active duty, Your coverage may be resumed as long as You:

1. Make written application to Us; and
2. Remit the Premium within 60 days of the termination of active duty.

The right of resumption extends to coverage for Your Dependents. For coverage that was suspended while on active duty, coverage will be retroactive to the date on which active duty terminated.

## **SECTION XXV**

### **General Provisions**

#### **1. Agreements Between Us and Participating Providers.**

Any agreement between Us and Participating Providers may only be terminated by Us or the Providers. This Contract does not require any Provider to accept a Member as a patient. We do not guarantee a Member's admission to any Participating Provider or any health benefits program.

#### **2. Assignment.**

You cannot assign any benefits under this Contract or legal claims based on a denial of benefits to any person, corporation or other organization. You cannot assign any monies due under this Contract to any person, corporation or other organization unless it is an assignment to Your Provider for a surprise bill. See the How Your Coverage Works section of this Contract for more information about surprise bills. Any assignment of benefits or legal claims based on a denial of benefits by You other than for monies due for a surprise bill will be void. Assignment means the transfer to another person or to an organization of Your right to the services provided under this Contract or Your right to collect money from Us for those services. Nothing in this paragraph shall affect Your right to appoint a designee or representative as otherwise permitted by applicable law.

#### **3. Changes in this Contract.**

We may unilaterally change this Contract upon renewal, if We give You 45 days' prior written notice.

#### **4. Choice of Law.**

This Contract shall be governed by the laws of the State of New York.

#### **5. Clerical Error.**

Clerical error, whether by You or Us, with respect to this Contract, or any other documentation issued by Us in connection with this Contract, or in keeping any record pertaining to the coverage hereunder, will not modify or invalidate coverage otherwise validly in force or continue coverage otherwise validly terminated.

#### **6. Conformity with Law.**

Any term of this Contract which is in conflict with New York State law or with any applicable federal law that imposes additional requirements from what is required under

New York State law will be amended to conform with the minimum requirements of such law.

**7. Continuation of Benefit Limitations.**

Some of the benefits in this Contract may be limited to a specific number of visits, and/or subject to a Deductible. You will not be entitled to any additional benefits if Your coverage status should change during the year. For example, if Your coverage status changes from covered family member to Subscriber, all benefits previously utilized when You were a covered family member will be applied toward Your new status as a Subscriber.

**8. Entire Agreement.**

This Contract, including any endorsements, riders and the attached applications, if any, constitutes the entire Contract.

**9. Fraud and Abusive Billing.**

We have processes to review claims before and after payment to detect fraud and abusive billing. Members seeking services from Non-Participating Providers could be balance billed by the Non-Participating Provider for those services that are determined to be not payable as a result of a reasonable belief of fraud or other intentional misconduct or abusive billing.

**10. Furnishing Information and Audit.**

All persons covered under this Contract will promptly furnish Us with all information and records that We may require from time to time to perform Our obligations under this Contract. You must provide Us with information over the telephone for reasons such as the following: to allow Us to determine the level of care You need; so that We may certify care authorized by Your Physician; or to make decisions regarding the Medical Necessity of Your care.

**11. Identification Cards.**

Identification ("ID") cards are issued by Us for identification purposes only. Possession of any ID card confers no right to services or benefits under this Contract. To be entitled to such services or benefits, Your Premiums must be paid in full at the time the services are sought to be received.

**12. Incontestability.**

No statement made by the Subscriber in an application for coverage under this Contract shall avoid the Contract or be used in any legal proceeding unless the application or an exact copy is attached to this Contract.

**13. Independent Contractors.**

Participating Providers are independent contractors. They are not Our agents or employees. We and Our employees are not the agent or employee of any Participating Provider. We are not liable for any claim or demand on account of damages arising out of, or in any manner connected with, any injuries alleged to be suffered by You, Your

covered Spouse or Children while receiving care from any Participating Provider or in any Participating Provider's Facility.

#### **14. Input in Developing Our Policies.**

Subscribers may participate in the development of Our policies by calling the number on Your ID card and speaking with a representative in our Member Services Center.

#### **15. Material Accessibility.**

We will give You ID cards, Contracts, riders and other necessary materials.

#### **16. More Information about Your Health Plan.**

You can request additional information about Your coverage under this Contract. Upon Your request, We will provide the following information:

- A list of the names, business addresses and official positions of Our board of directors, officers and members; and Our most recent annual certified financial statement which includes a balance sheet and a summary of the receipts and disbursements.
- The information that We provide the State regarding Our consumer complaints.
- A copy of Our procedures for maintaining confidentiality of Member information.
- A copy of Our drug formulary. You may also inquire if a specific drug is Covered under this Contract.

- A copy of Our medical policy regarding an experimental or investigational drug, medical device or treatment in clinical trials.
- Provider affiliations with participating Hospitals.

We will give any refund of Premiums, if due, to the Subscriber.

**20. Recovery of Overpayments.**

On occasion, a payment will be made to You when You are not covered, for a service that is not Covered, or which is more than is proper. When this happens, We will explain the problem to You and You must return the amount of the overpayment to Us within 60 days after receiving notification from Us. However, We shall not initiate overpayment recovery efforts more than 24 months after the original payment was made unless We have a reasonable belief of fraud or other intentional misconduct.

**21. Renewal Date.**

The renewal date for this Contract is January 1 of each year. This Contract will automatically renew each year on the renewal date, unless otherwise terminated by Us as permitted by this Contract or by the Subscriber upon 30 days' prior written notice to Us.

**22. Reinstatement after Default.**

If the Subscriber defaults in making any payment under this Contract, the subsequent acceptance of payment by Us or by one of Our authorized agents or brokers shall reinstate the Contract.

**23. Right to Develop Guidelines and Administrative Rules.**

We may develop or adopt standards that describe in more detail when We will or will not make payments under this Contract. Examples of the use of the standards are to determine whether: Hospital inpatient care was Medically Necessary; surgery was Medically Necessary to treat Your illness or injury; or certain services are skilled care. Those standards will not be contrary to the descriptions in this Contract. If You have a question about the standards that apply to a particular benefit, You may contact Us and We will explain the standards or send You a copy of the standards. We may also develop administrative rules pertaining to enrollment and other administrative matters. We shall have all the powers necessary or appropriate to enable Us to carry out Our duties in connection with the administration of this Contract.

We review and evaluate new technology according to technology evaluation criteria developed by Our medical directors and reviewed by a designated committee, which consists of Health Care Professionals from various medical specialties. Conclusions of the committee are incorporated into Our medical policies to establish decision protocols for determining whether a service is Medically Necessary, experimental or investigational, or included as a Covered benefit.

**24. Right to Offset.**

If We make a claim payment to You or on Your behalf in error or You owe Us any money, You must repay the amount You owe Us. Except as otherwise required by law, if We owe You a payment for other claims received, We have the right to subtract any amount You owe Us from any payment We owe You.

**25. Severability.**

The unenforceability or invalidity of any provision of this Contract shall not affect the validity and enforceability of the remainder of this Contract.

**26. Significant Change in Circumstances.**

If We are unable to arrange for Covered Services as provided under this Contract as the result of events outside of Our control, We will make a good faith effort to make alternative arrangements. These events would include a major disaster, epidemic, the complete or partial destruction of facilities, riot, civil insurrection, disability of a significant part of Participating Providers' personnel, or similar causes. We will make reasonable attempts to arrange for Covered Services. We and Our Participating Providers will not be liable for delay, or failure to provide or arrange for Covered Services if such failure or delay is caused by such an event.

**27. Subrogation and Reimbursement.**

These paragraphs apply when another party (including any insurer) is, or may be found to be, responsible for Your injury, illness or other condition and We have provided benefits related to that injury, illness or condition. As permitted by applicable state law, unless preempted by federal law, We may be subrogated to all rights of recovery against any such party (including Your own insurance carrier) for the benefits We have provided to You under this Contract. Subrogation means that We have the right, independently of You, to proceed directly against the other party to recover the benefits that We have provided.

Subject to applicable state law, unless preempted by federal law, We may have a right of reimbursement if You or anyone on Your behalf receives payment from any responsible party (including Your own insurance carrier) from any settlement, verdict or insurance proceeds, in connection with an injury, illness, or condition for which We provided benefits. Under Section 5-335 of the New York General Obligations Law, Our right of recovery does not apply when a settlement is reached between a plaintiff and defendant, unless a statutory right of reimbursement exists. The law also provides that, when entering into a settlement, it is presumed that You did not take any action against Our rights or violate any contract between You and Us. The law presumes that the settlement between You and the responsible party does not include compensation for the cost of health care services for which We provided benefits.

We request that You notify Us within 30 days of the date when any notice is given to any party, including an insurance company or attorney, of Your intention to pursue or investigate a claim to recover damages or obtain compensation due to injury, illness or condition sustained by You for which We have provided benefits. You must provide all information requested by Us or Our representatives including, but not limited to,

completing and submitting any applications or other forms or statements as We may reasonably request.

**28. Third Party Beneficiaries.**

No third party beneficiaries are intended to be created by this Contract and nothing in this Contract shall confer upon any person or entity other than You or Us any right, benefit, or remedy of any nature whatsoever under or by reason of this Contract. No other party can enforce this Contract's provisions or seek any remedy arising out of either Our or Your performance or failure to perform any portion of this Contract, or to bring an action or pursuit for the breach of any terms of this Contract.

**29. Time to Sue.**

No action at law or in equity may be maintained against Us prior to the expiration of 60 days after written submission of a claim has been furnished to Us as required in this Contract. You must start any lawsuit against Us under this Contract within two (2) years from the date the claim was required to be filed.

**30. Translation Services.**

Translation services are available under this Contract for non-English speaking Members. Please contact Us at the number on Your ID card to access these services.

**31. Venue for Legal Action.**

If a dispute arises under this Contract, it must be resolved in a court located in the State of New York. You agree not to start a lawsuit against Us in a court anywhere else. You also consent to New York State courts having personal jurisdiction over You. That means that, when the proper procedures for starting a lawsuit in these courts have been followed, the courts can order You to defend any action We bring against You.

**32. Waiver.**

The waiver by any party of any breach of any provision of this Contract will not be construed as a waiver of any subsequent breach of the same or any other provision. The failure to exercise any right hereunder will not operate as a waiver of such right.

**33. Who May Change this Contract.**

This Contract may not be modified, amended, or changed, except in writing and signed by Our Chief Executive Officer ("CEO") or a person designated by the CEO. No employee, agent, or other person is authorized to interpret, amend, modify, or otherwise change this Contract in a manner that expands or limits the scope of coverage, or the conditions of eligibility, enrollment, or participation, unless in writing and signed by the CEO or person designated by the CEO.

**34. Who Receives Payment under this Contract.**

Payments under this Contract for services provided by a Participating Provider will be made directly by Us to the Provider. If You receive services from a Non-Participating Provider, We reserve the right to pay either the Subscriber or the Provider. If You assign benefits for a surprise bill to a Non-Participating Provider, We will pay the Non-

Participating Provider directly. See the How Your Coverage Works section of this Contract for more information about surprise bills.

### **35. Workers' Compensation Not Affected.**

The coverage provided under this Contract is not in lieu of and does not affect any requirements for coverage by workers' compensation insurance or law.

### **36. Your Medical Records and Reports.**

In order to provide Your coverage under this Contract, it may be necessary for Us to obtain Your medical records and information from Providers who treated You. Our actions to provide that coverage include processing Your claims, reviewing Grievances, Appeals or complaints involving Your care, and quality assurance reviews of Your care, whether based on a specific complaint or a routine audit of randomly selected cases. By accepting coverage under this Contract, You automatically give Us or Our designee permission to obtain and use Your medical records for those purposes and You authorize each and every Provider who renders services to You to:

- Disclose all facts pertaining to Your care, treatment, and physical condition to Us or to a medical, dental, or mental health professional that We may engage to assist Us in reviewing a treatment or claim, or in connection with a complaint or quality of care review;
- Render reports pertaining to Your care, treatment, and physical condition to Us, or to a medical, dental, or mental health professional that We may engage to assist Us in reviewing a treatment or claim; and
- Permit copying of Your medical records by Us.

We agree to maintain Your medical information in accordance with state and federal confidentiality requirements. However, to the extent permitted under state or federal law, You automatically give Us permission to share Your information with the New York State Department of Health, quality oversight organizations, and third parties with which We contract to assist Us in administering this Contract, so long as they also agree to maintain the information in accordance with state and federal confidentiality requirements.

### **37. Your Rights.**
