This Contract, together with the attached Schedule of Benefits, applications, and any amendment or rider amending the terms of this Contract, constitute the entire agreement between You and Us.

You have the right to return this Contract. Examine it carefully. If You are not satisfied, You may return this Contract to Us and ask Us to cancel it. Your request must be made in writing within ten (10) days from the date You receive this Contract. We will refund any Premium paid including any Contract fees or other charges.

Renewability. The renewal date for this Contract is January 1 of each year. This Contract will automatically renew each year on the renewal date, unless otherwise terminated by Us as permitted by this Contract or by the Subscriber upon 30 days’ prior written notice to Us.

1. In-Network Benefits. In-network benefits are the highest level of coverage available. In-network benefits apply when Your care is provided by Participating Providers or Our affiliate’s network who are located within Our Service Area. You should always consider receiving dental care services first through the in-network benefits portion of this Contract. In-network care covered under this Contract must be provided, arranged or authorized in advance by Your Primary Care Dentist and, when required, approved by Us. In order to receive in-network benefits, You must contact Your Primary Care Dentist before You obtain the services except for Emergency Dental Care described in the Pediatric and Adult Dental Care section(s) of this Contract.

2. Out-of-Network Benefits. The out-of-network benefits portion of this Contract provides coverage when You receive Covered Services from Non-Participating Providers or when You received Covered Services from Participating Providers without care being provided, arranged or authorized in advance by Your Primary Care Dentist and, when required, approved by Us. Your out-of-pocket expenses will be higher when You receive out-of-network benefits. In addition to Cost-Sharing, You will also be responsible for paying any difference between the Allowed Amount and the Non-Participating Provider’s charge.
READ THIS ENTIRE CONTRACT CAREFULLY. IT IS YOUR RESPONSIBILITY TO UNDERSTAND THE TERMS AND CONDITIONS IN THIS CONTRACT.

This Contract is governed by the laws of New York State.

SECTION II

How Your Coverage Works

A. Your Coverage under this Contract.
You have purchased a dental insurance Contract from Us. We will provide the benefits described in this Contract to You and/or Your covered Dependents. You should keep this Contract with Your other important papers so that it is available for Your future reference.

B. Covered Services.
You will receive Covered Services under the terms and conditions of this Contract only when the Covered Service is:
   • Medically Necessary;
   • Provided by a Participating Provider for in-network coverage;
   • Listed as a Covered Service;
   • Not in excess of any benefit limitations described in the Schedule of Benefits section of this Contract; and
   • Received while Your Contract is in force.

C. Participating Providers.
To find out if a Provider is a Participating Provider:
   • Check Your Provider directory, available at Your request;
   • Call the number on Your ID card; or
   • Visit our website at www.healthplex.com.

D. The Role of Primary Care Dentists.
This Contract requires that you select a PCD. Although You are encouraged to receive care from your PCD, You do not need a written Referral from a PCD before receiving Specialist care from a Participating Provider.

You may select any participating PCD who is available from the list of PCDs in the Healthplex Exchange Network. Each Member may select a different PCD. Children covered under this Contract may designate a participating PCD who specializes in pediatric care.

For purposes of Cost-Sharing, if You seek services from a PCD (or a dentist covering for a PCD) who has a primary or secondary specialty other than general dentistry, You must pay the specialty office visit Cost-Sharing in the Schedule of Benefits section of this Contract when the services provided are related to specialty care.

1. Services Not Requiring Referral from Your PCD. Your PCD is best qualified to determine the most appropriate treatment for Your dental care needs. You do not need a Referral from Your PCD to a Participating Provider for any services. However, the Participating Provider must discuss the services and treatment plan with Your PCD; agree to follow Our policies and procedures including any
procedures regarding Referrals or Preauthorization for services rendered by such Participating Provider; and agree to provide services pursuant to a treatment plan (if any) approved by Us.

You may need to request Preauthorization before You receive certain services. See the Schedule of Benefits section of this Contract for the services that require Preauthorization.

2. Access to Providers and Changing Providers. Sometimes Providers in Our Provider directory are not available. Prior to notifying Us of the PCD You selected, You should call the PCD to make sure he or she is accepting new patients.

To see a Provider, call his or her office and tell the Provider that You are a MVP Health Services Corp. Member, and explain the reason for Your visit. Have Your ID card available. The Provider's office may ask You for Your Member ID number. When You go to the Provider's office, bring Your ID card with You.

You may change Your PCD by calling the number on the back of your ID card. This can be done anytime.

We Cover the services of Non-Participating Providers. See the Schedule of Benefits section of this Contract for the Non-Participating Provider services that are Covered. In any case where benefits are limited to a certain number of days or visits, such limits apply in the aggregate to in-network and out-of-network services.

F. Services Subject To Preauthorization.
Our Preauthorization is required before You receive certain Covered Services. You are responsible for requesting Preauthorization for the in-network and out-of-network services listed in the Schedule of Benefits section of this Contract.

G. Medical Management.
The benefits available to You under this Contract may be subject to pre-service, concurrent and retrospective reviews to determine when services should be Covered by Us. The purpose of these reviews is to promote the delivery of cost-effective medical care by reviewing the use of procedures and, where appropriate, the setting or place the services are performed. Covered Services must be Medically Necessary for benefits to be provided.
H. Medical Necessity.
We Cover certain benefits described in this Contract as long as the dental service, procedure, treatment, test, device, or supply (collectively, “service”) is Medically Necessary (e.g. orthodontia). The fact that a Provider has furnished, prescribed, ordered, recommended, or approved the service does not make it Medically Necessary or mean that We have to Cover it.

We may base Our decision on a review of:
- Your dental records;
- Our dental policies and clinical guidelines;
- Dental opinions of a professional society, peer review committee or other groups of Physicians;
- Reports in peer-reviewed dental literature;
- Reports and guidelines published by nationally-recognized health care organizations that include supporting scientific data;
- Professional standards of safety and effectiveness, which are generally-recognized in the United States for diagnosis, care, or treatment;
- The opinion of health care professionals in the generally-recognized health specialty involved;
- The opinion of the attending Providers, which have credence but do not overrule contrary opinions.

Services will be deemed Medically Necessary only if:
- They are clinically appropriate in terms of type, frequency, extent, site, and duration, and considered effective for Your illness, injury, or disease;
- They are required for the direct care and treatment or management of that condition;
- Your condition would be adversely affected if the services were not provided;
- They are provided in accordance with generally-accepted standards of dental practice;
- They are not primarily for the convenience of You, Your family, or Your Provider;
- They are not more costly than an alternative service or sequence of services, that is at least as likely to produce equivalent therapeutic or diagnostic results;
- When setting or place of service is part of the review, services that can be safely provided to You in a lower cost setting will not be Medically Necessary if they are performed in a higher cost setting.

See the Utilization Review and External Appeal sections of this Contract for Your right to an internal Appeal and external appeal of Our determination that a service is not Medically Necessary.

SECTION III
Access to Care and Transitional Care

A. Referral to a Non-Participating Provider.
If We determine that We do not have a Participating Provider that has the appropriate training and experience to treat Your condition, We will approve a Referral to an appropriate Non-Participating Provider. Your Participating Provider or You must request prior approval of the Referral to a specific Non-Participating Provider. Approvals of Referrals to Non-Participating Providers will not be made for the convenience of You or another treating Provider and may not necessarily be to the specific Non-Participating Provider You requested. If We approve the Referral, all services performed by the Non-Participating Provider are subject to a treatment plan approved by Us in consultation with Your PCD, the Non-Participating Provider and You. Covered Services rendered by the Non-Participating Provider will be paid as if they were provided by a Participating Provider. You will only be responsible for any applicable in-network Cost-Sharing. In the event a Referral is not approved, any services rendered by a Non-Participating Provider will be Covered as an out-of-network benefit if available.

B. When a Specialist Can Be Your Primary Care Dentist.
If You have a life-threatening condition or disease or a degenerative and disabling condition or disease that requires specialty care over a long period of time, You may ask that a Specialist who is a Participating Provider be Your PCD. We will consult with the Specialist and Your PCD and decide whether the Specialist should be Your PCD. Any Referral will be pursuant to a treatment plan approved by Us in consultation with Your PCD, the Specialist and You. We will not approve a non-participating Specialist unless We determine that We do not have an appropriate Provider in Our network. If We approve a non-participating Specialist, Covered Services rendered by the non-participating Specialist pursuant to the approved treatment plan will be paid as if they were provided by a Participating Provider. You will only be responsible for any applicable in-network Cost-Sharing.

C. Standing Referral to a Participating Specialist.
If You need ongoing specialty care, You may receive a “standing Referral” to a Specialist who is a Participating Provider. This means that You will not need a new Referral from Your PCD every time You need to see that Specialist. We will consult with the Specialist and Your PCD and decide whether You should have a standing Referral. Any Referral will be pursuant to a treatment plan approved by Us in consultation with Your PCD, the Specialist and You. The treatment plan may limit the number of visits, or the period during which the visits are authorized and may require the Specialist to provide your PCD with regular updates on the specialty care provided.
as well as all necessary medical information. We will not approve a standing Referral to a non-participating Specialist unless We determine that We do not have an appropriate Provider in Our network. If We approve a standing Referral to a non-participating Specialist, Covered Services rendered by the non-participating Specialist pursuant to the approved treatment plan will be paid as if they were provided by a Participating Provider. You will be responsible only for any applicable in-network Cost-Sharing.

D. When Your Provider Leaves the Network.
If You are in an ongoing course of treatment when Your Provider leaves Our network, then You may be able to continue to receive Covered Services for the ongoing treatment from the former Participating Provider for up to 90 days from the date Your Provider’s contractual obligation to provide services to You terminates.

In order for You to continue to receive Covered services for up to 90 days, the Provider must agree to accept as payment the negotiated fee that was in effect just prior to the termination of Our relationship with the Provider. The Provider must also agree to provide Us necessary medical information related to Your care and adhere to our policies and procedures, including those for assuring quality of care, obtaining Preauthorization, Referrals, and a treatment plan approved by Us. If the Provider agrees to these conditions, You will receive the Covered Services as if they were being provided by a Participating Provider. You will be responsible only for any applicable in-network Cost-Sharing. Please note that if the Provider was terminated by Us due to fraud, imminent harm to patients or final disciplinary action by a state board or agency that impairs the Provider’s ability to practice, continued treatment with that Provider is not available.

E. New Members In a Course of Treatment.
If You are in an ongoing course of treatment with a Non-Participating Provider when Your coverage under this Contract becomes effective, You may be able to receive Covered Services for the ongoing treatment from the Non-Participating Provider for up to 60 days from the effective date of Your coverage under this Contract. This course of treatment must be for a life-threatening disease or condition or a degenerative and disabling condition or disease.

In order for You to continue to receive Covered Services for up to 60 days, the Non-Participating Provider must agree to accept as payment Our fees for such services. The Provider must also agree to provide Us necessary medical information related to Your care and to adhere to Our policies and procedures including those for assuring quality of care, obtaining Preauthorization, Referrals, and a treatment plan approved by Us. If the Provider agrees to these conditions, You will receive the Covered Services as if they were being provided by a Participating Provider. You will only be responsible for any applicable in-network Cost-Sharing.
SECTION IV
Cost-Sharing Expenses and Allowed Amount

A. Deductible.
Except where stated otherwise, You must pay the amount in the Schedule of Benefits section of this Contract for Covered in-network and out-of-network Services during each Plan Year before We provide coverage. If You have other than individual coverage, the individual Deductible applies to each person covered under this Contract. Once a person within a family meets the individual Deductible, no further Deductible is required for the person that has met the individual Deductible for that Plan Year.

You have a separate In-Network and Out-of-Network Deductible. Cost-Sharing for out-of-network services does not apply toward Your In-Network Deductible. Cost-Sharing for in-network services does not apply toward Your Out-of-Network Deductible. Any charges of a Non-Participating Provider that are in excess of the Allowed Amount do not apply toward the Deductible.

The Deductible runs from January 1 to December 31 of each calendar year.

B. Coinsurance.
Except where stated otherwise, after You have satisfied the Deductible described above, You must pay a percentage of the Allowed Amount for Covered Services. We will pay the remaining percentage of the Allowed Amount as Your in-network or out-of-network benefit as shown in the Schedule of Benefits section of this Contract. You must also pay any charges of a Non-Participating Provider that are in excess of the Allowed Amount.

This Contract does not have an Out-of-Network Out-of-Pocket Limit.

D. In-Network and Out-of-Network Annual Maximum.
This Contract has a combined in-network and out-of-network annual maximum for non-orthodontic benefits described in the Adult Dental Care section of this Contract. When Members receiving adult dental care have met the annual maximum for Covered Services in the Schedule of Benefits section of this Certificate, no more benefits will be payable for that Member for the remainder of that Plan Year. If You have other than individual coverage, the individual annual maximum for adult dental care benefits applies to each person covered under this Contract. Once a person within a family meets the individual annual maximum for adult dental care, no more benefits for services will be payable for that person.

E. Your Additional Payments for Out-of-Network Benefits.
When You receive Covered Services from a Non-Participating Provider, in addition to the applicable Copayments, Deductible and Coinsurance described in the Schedule of
Benefits section of this Contract, You must also pay the amount, if any, by which the Non-Participating Provider’s actual charge exceeds Our Allowed Amount. This means that the total of Our coverage and any Cost-Sharing amounts You pay may be less than the Non-Participating Provider’s actual charge.

When You receive Covered Services from a Participating or Non-Participating Provider, We will apply nationally-recognized payment rules to the claim submitted for those services. These rules evaluate the claim information and determine the accuracy of the procedure codes and diagnosis codes for the services You received. Sometimes, applying these rules will change the way that We pay for the services. This does not mean that the services were not Medically Necessary. It only means that the claim should have been submitted differently. For example, Your Provider may have billed using several procedure codes when there is a single code that includes all of the separate procedures. We will make one inclusive payment in that case, rather than a separate payment for each billed code.

F. Allowed Amount.
“Allowed Amount” means the maximum amount We will pay for the services or supplies covered under this Contract, before any applicable Copayment, Deductible and Coinsurance amounts are subtracted. We determine Our Allowed Amount as follows:

The Allowed Amount for Participating Providers will be the amount we have negotiated with the Participating Provider.

The Allowed Amount for Non-Participating Providers will be determined as follows:

1. For Providers in Our Service Area.
For Providers in Our Service Area, the Allowed Amount will be an amount based on Our Participating Provider fee schedule or rate.

Our Allowed Amount is not based on UCR. The Non-Participating Provider’s actual charge may exceed Our Allowed Amount. You must pay the difference between Our Allowed Amount and the Non-Participating Provider’s charge. Contact Us at the number on Your ID card or visit Our website www.mvphealthcare.com for information on Your financial responsibility when You receive services from a Non-Participating Provider.

J. Medicare or Other Governmental Program.

Claim Determinations

A. Claims.
A claim is a request that benefits or services be provided or paid according to the terms of this Contract. When You receive services from a Participating Provider, You will not need to submit a claim form. However, if You receive services from a Non-Participating Provider either You or the Provider must file a claim form with Us. If the Non-Participating Provider is not willing to file the claim form, You will need to file it with Us.

B. Notice of Claim.
Claims for services must include all information designated by Us as necessary to process the claim, including, but not limited to: Member identification number; name; date of birth; date of service; type of service; the charge for each service; procedure code for the service as applicable; diagnosis code; name and address of the Provider making the charge; and supporting medical records, when necessary. A claim that fails to contain all necessary information will not be accepted and must be resubmitted with all necessary information. Claim forms are available from Us by calling the number on your ID card or visiting Our website at www.mvphealthcare.com. Completed claim forms should be sent to the address in the How Your Coverage Works section of this Contract.

C. Timeframe for Filing Claims.
Claims for services must be submitted to Us for payment within 120 days after You receive the services for which payment is being requested. If it is not reasonably possible to submit a claim within the 120-day period, You must submit it as soon as reasonably possible.

D. Claims for Prohibited Referrals.
We are not required to pay any claim, bill or other demand or request by a Provider for clinical laboratory services, pharmacy services, radiation therapy services, physical therapy services or x-ray or imaging services furnished pursuant to a referral prohibited by Section 238-a(1) of the New York Public Health Law.

E. Claim Determinations.
Our claim determination procedure applies to all claims that do not relate to a medical necessity or experimental or investigational determination. For example, Our Claim determination procedure applies to contractual benefit denials and Referrals. If You disagree with Our claim determination, you may submit a Grievance pursuant to the Grievance Procedures section of this Contract.

For a description of the Utilization Review procedures and Appeal process for medical necessity or experimental or investigational determinations, see the Utilization Review and External Appeal sections of this Contract.
F. Pre-service Claim Determinations.
1. A pre-service claim is a request that a service or treatment be approved before it has been received. If We have all the information necessary to make a determination regarding a pre-service claim (e.g., a covered benefit determination or Referral), We will make a determination and provide notice to You (or Your designee) within 15 days from receipt of the claim.

If We need additional information, We will request it within 15 days from receipt of the claim. You will have 45 calendar days to submit the information. If We receive the information within 45 days, We will make a determination and provide notice to You (or Your designee) in writing, within 15 days of Our receipt of the information. If all necessary information is not received within 45 days, We will make a determination within 15 calendar days of the end of the 45-day period.

2. Urgent Pre-service Reviews. With respect to urgent pre-service requests, if We have all information necessary to make a determination, We will make a determination and provide notice to You (or Your designee) by telephone, within 72 hours of receipt of the request. Written notice will follow within three (3) calendar days of the decision. If We need additional information, We will request it within 24 hours. You will then have 48 hours to submit the information. We will make a determination and provide notice to You (or Your designee) by telephone within 48 hours of the earlier of Our receipt of the information or the end of the 48-hour period. Written notice will follow within three (3) calendar days of the decision.

G. Post-service Claim Determinations.
A post-service claim is a request for a service or treatment that You have already received. If We have all information necessary to make a determination regarding a post-service claim, We will make a determination and notify You (or Your designee) within 30 calendar days of the receipt of the claim. If We need additional information, We will request it within 30 calendar days. You will then have 45 calendar days to provide the information. We will make a determination and provide notice to You (or Your designee) in writing within 15 calendar days of the earlier of Our receipt of the information or the end of the 45-day period.
SECTION IX

Grievance Procedures

A. Grievances.
Our Grievance procedure applies to any issue not relating to a Medical Necessity or experimental or investigational determination by Us. For example, it applies to contractual benefit denials or issues or concerns You have regarding Our administrative policies or access to Providers.

B. Filing a Grievance.
You can contact Us by phone at the number on Your ID card or in writing to file a Grievance. You may submit an oral Grievance in connection with a denial of a Referral or a covered benefit determination. We may require that You sign a written acknowledgement of Your oral Grievance, prepared by Us. You or Your designee has up to 180 calendar days from when You received the decision You are asking Us to review to file the Grievance.

When We receive Your Grievance, We will mail an acknowledgment letter within 15 business days. The acknowledgment letter will include the name, address, and telephone number of the person handling Your Grievance, and indicate what additional information, if any, must be provided.

We keep all requests and discussions confidential and We will take no discriminatory action because of Your issue. We have a process for both standard and expedited Grievances, depending on the nature of Your inquiry.

C. Grievance Determination.
Qualified personnel will review Your Grievance, or if it is a clinical matter, a licensed, certified or registered health care professional will look into it. We will decide the Grievance and notify You within the following timeframes:

One or more qualified personnel at a higher level than the personnel that rendered the Grievance determination will review it, or if it is a clinical matter, a clinical peer reviewer will look into it. We will decide the Appeal and notify You in writing within the following timeframes:

SECTION X

Utilization Review

A. Utilization Review.
We review health services to determine whether the services are or were Medically Necessary or experimental or investigational ("Medically Necessary"). This process is called Utilization Review. Utilization Review includes all review activities, whether they take place prior to the service being performed (Preauthorization); when the service is being performed (concurrent); or after the service is performed (retrospective). If You have any questions about the Utilization Review process, please call the number on Your ID card. The toll-free telephone number is available at least 40 hours a week with an after-hours answering machine.

All determinations that services are not Medically Necessary will be made by: 1) licensed Physicians; or 2) licensed, certified, registered or credentialed health care professionals who are in the same profession and same or similar specialty as the Provider who typically manages Your medical condition or disease or provides the health care service under review. We do not compensate or provide financial incentives to Our employees or reviewers for determining that services are not Medically Necessary. We have developed guidelines and protocols to assist Us in this process. Specific guidelines and protocols are available for Your review upon request. For more information, call the number on Your ID card or visit Our website www.mvphealthcare.com.

B. Preauthorization Reviews.
1. Non-Urgent Preauthorization Reviews. If We have all the information necessary to make a determination regarding a Preauthorization review, We will make a determination and provide notice to You (or Your designee) and Your Provider, by telephone and in writing, within three (3) business days of receipt of the request.

If We need additional information, We will request it within three (3) business days. You or Your Provider will then have 45 calendar days to submit the information. If We receive the requested information within 45 days, We will make a determination and provide notice to You (or Your designee) and Your Provider, by telephone and in writing, within three (3) business days of Our receipt of the information. If all necessary information is not received within 45 days, We will make a determination within 15 calendar days of the end of the 45-day period.

2. Urgent Preauthorization Reviews. With respect to urgent Preauthorization requests, if We have all information necessary to make a determination, We will make a determination and provide notice to You (or Your designee) and Your Provider, by telephone, within 72 hours of receipt of the request. Written notice
will be provided within three (3) business days of receipt of the request. If We need additional information, We will request it within 24 hours. You or Your Provider will then have 48 hours to submit the information. We will make a determination and provide notice to You (or Your designee) and Your Provider by telephone within 48 hours of the earlier of Our receipt of the information or the end of the 48-hour period.

C. Concurrent Reviews.
1. **Non-Urgent Concurrent Reviews.** Utilization Review decisions for services during the course of care (concurrent reviews) will be made, and notice provided to You (or Your designee), by telephone and in writing, within one (1) business day of receipt of all necessary information. If We need additional information, We will request it within one (1) business day. You or Your Provider will then have 45 calendar days to submit the information. We will make a determination and provide notice to You (or Your designee), by telephone and in writing, within one (1) business day of Our receipt of the information or, if We do not receive the information, within 15 calendar days of the end of the 45-day period.

2. **Urgent Concurrent Reviews.** For concurrent reviews that involve an extension of urgent care, if the request for coverage is made at least 24 hours prior to the expiration of a previously approved treatment, We will make a determination and provide notice to You (or Your designee) by telephone within 24 hours of receipt of the request. Written notice will be provided within one (1) business day of receipt of the request.

   If the request for coverage is not made at least 24 hours prior to the expiration of a previously approved treatment and We have all the information necessary to make a determination, We will make a determination and provide written notice to You (or Your designee) within the earlier of 72 hours or of one (1) business day of receipt of the request. If We need additional information, We will request it within 24 hours. You or Your Provider will then have 48 hours to submit the information. We will make a determination and provide written notice to You (or Your designee) within the earlier of one (1) business day or 48 hours of Our receipt of the information or, if We do not receive the information, within 48 hours of the end of the 48-hour period.

D. Retrospective Reviews.
If We have all information necessary to make a determination regarding a retrospective claim, We will make a determination and notify You within 30 calendar days of the receipt of the request. If We need additional information, We will request it within 30 calendar days. You or Your Provider will then have 45 calendar days to provide the information. We will make a determination and provide notice to You in writing within 15 calendar days of the earlier of Our receipt of the information or the end of the 45-day period.

Once We have all the information to make a decision, Our failure to make a Utilization
Review determination within the applicable time frames set forth above will be deemed an adverse determination subject to an internal Appeal.

E. Retrospective Review of Preauthorized Services.
We may only reverse a preauthorized treatment, service or procedure on retrospective review when:

- The relevant medical information presented to Us upon retrospective review is materially different from the information presented during the Preauthorization review;
- The relevant medical information presented to Us upon retrospective review existed at the time of the Preauthorization but was withheld or not made available to Us;
- We were not aware of the existence of such information at the time of the Preauthorization review; and
- Had We been aware of such information, the treatment, service or procedure being requested would not have been authorized. The determination is made using the same specific standards, criteria or procedures as used during the Preauthorization review.

F. Reconsideration.
If We did not attempt to consult with Your Provider who recommended the Covered Service before making an adverse determination, the Provider may request reconsideration by the same clinical peer reviewer who made the adverse determination or a designated clinical peer reviewer if the original clinical peer reviewer is unavailable. For Preauthorization and concurrent reviews, the reconsideration will take place within one (1) business day of the request for reconsideration. If the adverse determination is upheld, a notice of adverse determination will be given to You and Your Provider, by telephone and in writing.

G. Utilization Review Internal Appeals.
You, Your designee, and, in retrospective review cases, Your Provider, may request an internal Appeal of an adverse determination, either by phone or in writing.

You have up to 180 calendar days after You receive notice of the adverse determination to file an Appeal. We will acknowledge Your request for an internal Appeal within 15 calendar days of receipt. This acknowledgment will if necessary, inform You of any additional information needed before a decision can be made. A clinical peer reviewer who is a Physician or a health care professional in the same or similar specialty as the Provider who typically manages the disease or condition at issue and who is not subordinate to the clinical peer reviewer who made the initial adverse determination will perform the Appeal.

1. Out-of-Network Service Denial. You also have the right to Appeal the denial of a Preauthorization request for an out-of-network health service when We determine that the out-of-network health service is not materially different from an available in-network health service. A denial of an out-of-network health service
is a service provided by a Non-Participating Provider, but only when the service is not available from a Participating Provider. For a Utilization Review Appeal of denial of an out-of-network health service, You, or Your designee, must submit:

- A written statement from Your attending Physician, who must be a licensed, board-certified or board-eligible Physician qualified to practice in the specialty area of practice appropriate to treat Your condition, that the requested out-of-network health service is materially different from the alternate health service available from a Participating Provider that We approved to treat Your condition; and
- Two (2) documents from the available medical and scientific evidence that the out-of-network service: 1) is likely to be more clinically beneficial to You than the alternate in-network service; and 2) that the adverse risk of the out-of-network service would likely not be substantially increased over the in-network health service.

2. Out-of-Network Referral Denial. You also have the right to Appeal the denial of a request for a Referral to a Non-Participating Provider when We determine that We have a Participating Provider with the appropriate training and experience to meet Your particular health care needs who is able to provide the requested health care service. For a Utilization Review Appeal of an out-of-network Referral denial, You or Your designee must submit a written statement from Your attending Physician, who must be a licensed, board-certified or board-eligible Physician qualified to practice in the specialty area of practice appropriate to treat Your condition:

- That the Participating Provider recommended by Us does not have the appropriate training and experience to meet Your particular health care needs for the health care service; and

Recommending a Non-Participating Provider with the appropriate training and experience to meet Your particular health care needs who is able to provide the requested health care service.

H. Standard Appeal.

1. Preauthorization Appeal. If Your Appeal relates to a Preauthorization request, We will decide the Appeal within 15 calendar days of receipt of the Appeal request. Written notice of the determination will be provided to You (or Your designee), and where appropriate, Your Provider, within two (2) business days after the determination is made, but no later than 15 calendar days after receipt of the Appeal request.

2. Retrospective Appeal. If Your Appeal relates to a retrospective claim, We will decide the Appeal within 60 calendar days of receipt of the Appeal request. Written notice of the determination will be provided to You (or Your designee), and where appropriate, Your Provider, within two (2) business days after the determination is made, but no later than 60 calendar days after receipt of the Appeal request.
3. **Expedited Appeal.** An Appeal of a review of continued or extended health care services, additional services rendered in the course of continued treatment, home health care services following discharge from an inpatient Hospital admission, services in which a Provider requests an immediate review, or any other urgent matter will be handled on an expedited basis. An expedited Appeal is not available for retrospective reviews. For an expedited Appeal, Your Provider will have reasonable access to the clinical peer reviewer assigned to the Appeal within one (1) business day of receipt of the request for an Appeal. Your Provider and a clinical peer reviewer may exchange information by telephone or fax. An expedited Appeal will be determined within the earlier of 72 hours of receipt of the Appeal or two (2) business days of receipt of the information necessary to conduct the Appeal. If You are not satisfied with the resolution of Your expedited Appeal, You may file a standard internal appeal or an external appeal.

Our failure to render a determination of Your Appeal within 60 calendar days of receipt of the necessary information for a standard Appeal or within two (2) business days of receipt of the necessary information for an expedited Appeal will be deemed a reversal of the initial adverse determination.

SECTION XI

External Appeal

A. Your Right to an External Appeal.
In some cases, You have a right to an external appeal of a denial of coverage. If We have denied coverage on the basis that a service is not Medically Necessary (including appropriateness, health care setting, level of care or effectiveness of a Covered benefit); or is an experimental or investigational treatment (including clinical trials and treatments for rare diseases), You or Your representative may appeal that decision to an External Appeal Agent, an independent third party certified by the State to conduct these appeals.

In order for You to be eligible for an external appeal You must meet the following two (2) requirements:
- The service, procedure, or treatment must otherwise be a Covered Service under this Contract; and
- In general, You must have received a final adverse determination through Our internal Appeal process. But, You can file an external appeal even though You have not received a final adverse determination through Our internal Appeal process if:
  1. We agree in writing to waive the internal Appeal. We are not required to agree to Your request to waive the internal Appeal; or
  2. You file an external appeal at the same time as You apply for an expedited internal Appeal; or
  3. We fail to adhere to Utilization Review claim processing requirements (other than a minor violation that is not likely to cause prejudice or harm to You, and We demonstrate that the violation was for good cause or due to matters beyond Our control and the violation occurred during an ongoing, good faith exchange of information between You and Us).

B. Your Right to Appeal A Determination that A Service Is Not Medically Necessary.
If We have denied coverage on the basis that the service is not Medically Necessary, You may appeal to an External Appeal Agent if You meet the requirements for an external appeal in paragraph “A” above.

C. Your Right to Appeal A Determination that A Service is Experimental or Investigational.
If We have denied coverage on the basis that the service is an experimental or investigational treatment (including clinical trials and treatments for rare diseases), You must satisfy the two (2) requirements for an external appeal in paragraph “A” above and Your attending Physician must certify that Your condition or disease is one for which:
  1. Standard health services are ineffective or medically inappropriate; or
2. There does not exist a more beneficial standard service or procedure covered by Us; or
3. There exists a clinical trial or rare disease treatment (as defined by law).

In addition, Your attending Physician must have recommended one (1) of the following:
1. A service, procedure or treatment that two (2) documents from available medical and scientific evidence indicate is likely to be more beneficial to You than any standard Covered Service (only certain documents will be considered in support of this recommendation – Your attending Physician should contact the State for current information as to what documents will be considered or acceptable); or
2. A clinical trial for which You are eligible (only certain clinical trials can be considered); or
3. A rare disease treatment for which Your attending Physician certifies that there is no standard treatment that is likely to be more clinically beneficial to You than the requested service, the requested service is likely to benefit You in the treatment of Your rare disease, and such benefit outweighs the risk of the service. In addition, Your attending Physician must certify that Your condition is a rare disease that is currently or was previously subject to a research study by the National Institutes of Health Rare Disease Clinical Research Network or that it affects fewer than 200,000 U.S. residents per year.

For purposes of this section, Your attending Physician must be a licensed, board-certified or board eligible Physician qualified to practice in the area appropriate to treat Your condition or disease. In addition, for a rare disease treatment, the attending Physician may not be Your treating Physician.

D. Your Right to Appeal A Determination that a Service is Out-of-Network.
If We have denied coverage of an out-of-network treatment because it is not materially different than the health service available in-network, You may appeal to an External Appeal Agent if You meet the two (2) requirements for an external appeal in paragraph “A” above, and You have requested Preauthorization for the out-of-network treatment.

In addition, Your attending Physician must certify that the out-of-network service is materially different from the alternate recommended in-network health service, and based on two (2) documents from available medical and scientific evidence, is likely to be more clinically beneficial than the alternate in-network treatment and that the adverse risk of the requested health service would likely not be substantially increased over the alternate in-network health service.

For purposes of this section, Your attending Physician must be a licensed, board certified or board eligible Physician qualified to practice in the specialty area appropriate to treat You for the health service.

E. Your Right to Appeal an Out-of-Network Referral Denial to a Non-Participating Provider.
If We have denied coverage of a request for a Referral to a Non-Participating Provider
because We determine We have a Participating Provider with the appropriate training and experience to meet Your particular health care needs who is able to provide the requested health care service, You may appeal to an External Appeal Agent if You meet the two (2) requirements for an external appeal in paragraph “A” above.

In addition, Your attending Physician must certify that the Participating Provider recommended by Us does not have the appropriate training and experience to meet Your particular health care needs; and recommend a Non-Participating Provider with the appropriate training and experience to meet Your particular health care needs who is able to provide the requested health care service.

For purposes of this section, Your attending Physician must be a licensed, board certified or board eligible Physician qualified to practice in the specialty area appropriate to treat You for the health service.

F. The External Appeal Process.
You have four (4) months from receipt of a final adverse determination or from receipt of a waiver of the internal Appeal process to file a written request for an external appeal. If You are filing an external appeal based on Our failure to adhere to claim processing requirements, You have four (4) months from such failure to file a written request for an external appeal.

We will provide an external appeal application with the final adverse determination issued through Our internal Appeal process or Our written waiver of an internal Appeal. You may also request an external appeal application from the New York State Department of Financial Services at 1-800-400-8882. Submit the completed application to the Department of Financial Services at the address indicated on the application. If You meet the criteria for an external appeal, the State will forward the request to a certified External Appeal Agent.

You can submit additional documentation with Your external appeal request. If the External Appeal Agent determines that the information You submit represents a material change from the information on which We based Our denial, the External Appeal Agent will share this information with Us in order for Us to exercise Our right to reconsider Our decision. If We choose to exercise this right, We will have three (3) business days to amend or confirm Our decision. Please note that in the case of an expedited external appeal (described below), We do not have a right to reconsider Our decision.

In general, the External Appeal Agent must make a decision within 30 days of receipt of Your completed application. The External Appeal Agent may request additional information from You, Your Physician, or Us. If the External Appeal Agent requests additional information, it will have five (5) additional business days to make its decision. The External Appeal Agent must notify You in writing of its decision within two (2) business days.

If Your attending Physician certifies that a delay in providing the service that has been
denied poses an imminent or serious threat to Your health; or if Your attending 
Physician certifies that the standard external appeal time frame would seriously 
jeopardize Your life, health or ability to regain maximum function; or if You received 
emergency services and have not been discharged from a facility and the denial 
concerns an admission, availability of care, or continued stay, You may request an 
expedited external appeal. In that case, the External Appeal Agent must make a 
decision within 72 hours of receipt of Your completed application. Immediately after 
reaching a decision, the External Appeal Agent must notify You and Us by telephone or 
facsimile of that decision. The External Appeal Agent must also notify You in writing of 
its decision.

If the External Appeal Agent overrules Our decision that a service is not Medically 
Necessary or approves coverage of an experimental or investigational treatment, We 
will provide coverage subject to the other terms and conditions of this Contract. Please 
note that if the External Appeal Agent approves coverage of an experimental or 
investigational treatment that is part of a clinical trial, We will only Cover the cost of 
services required to provide treatment to You according to the design of the trial. We 
will not be responsible for the costs of investigational drugs or devices, the costs of non-
health care services, the costs of managing the research, or costs that would not be 
Covered under this Contract for non-investigational treatments provided in the clinical 
trial.

The External Appeal Agent’s decision is binding on both You and Us. The External 
Appeal Agent’s decision is admissible in any court proceeding.

G. Your Responsibilities.
It is Your responsibility to start the external appeal process. You may start the 
external appeal process by filing a completed application with the New York State 
Department of Financial Services. You may appoint a representative to assist You with 
Your application; however, the Department of Financial Services may contact You and 
request that You confirm in writing that You have appointed the representative.

Under New York State law, Your completed request for external appeal must be 
filed within four (4) months of either the date upon which You receive a final 
adverse determination, or the date upon which You receive a written waiver of 
any internal Appeal, or Our failure to adhere to claim processing requirements. 
We have no authority to extend this deadline.
SECTION XII

Termination of Coverage

This Contract may be terminated as follows:

A. Automatic Termination of this Contract.
This Contract shall automatically terminate upon the death of the Subscriber, unless the Subscriber has coverage for Dependents. If the Subscriber has coverage for Dependents, this Contract will terminate as of the last day of the month for which the Premium has been paid.

      Premiums are to be paid by the Subscriber to Us on each Premium due date. While each Premium is due by the due date, there is a grace period for each Premium payment. If the Premium payment is not received by the end of the grace period, coverage will terminate as follows:
         • If the Subscriber fails to pay the required Premium within a 30-day grace period, this Contract will terminate retroactively back to the last day Premiums were paid. The Subscriber will be responsible for paying any claims submitted during the grace period if this Contract terminates.
   2. Fraud or Mispresentation of Material Fact.
      If the Subscriber has performed an act that constitutes fraud or made a misrepresentation of material fact in writing on his or her enrollment application, or in order to obtain coverage for a service, this Contract will terminate immediately upon a written notice to the Subscriber from Us. However, if the Subscriber makes a misrepresentation of material fact in writing on his or her enrollment application We will rescind coverage if the facts misrepresented would have led Us to refuse to issue this Contract and the application is attached to this Contract. Rescission means that the termination of Your coverage will have a retroactive effect of up to one (1) year; the issuance of this Contract. If
termination is a result of the Subscriber's action, coverage will terminate for the Subscriber and any Dependents. If termination is a result of the Dependent's action, coverage will terminate for the Dependent.

3. If the Subscriber no longer lives, or resides in Our Service Area.

4. The date the Contract is terminated because We stop offering the class of contracts to which this Contract belongs, without regard to claims experience or health related status of this Contract. We will provide the Subscriber with at least five (5) months prior written notice.

No termination shall prejudice the right to a claim for benefits which arose prior to such termination.

1. Make written application to Us; and
2. Remit the Premium within 60 days of the termination of active duty.
