Coverage under this Certificate lasts until the end of the month in which You turn 19 years of age.

This Certificate offers You the option to receive Covered Services on two benefit levels:

- 1. In-Network Benefits.** In-network benefits are the highest level of coverage available. In-network benefits apply when Your care is provided by Participating Providers in Our affiliate’s Exchange network who are located within Our Service Area. You should always consider receiving dental care services first through the in-network benefits portion of this Certificate. In-network care covered under this Certificate must be provided, arranged or authorized in advance by Your Primary Care Dentist and, when required, approved by Us. In order to receive in-network benefits, You must contact Your Primary Care Dentist before You obtain the services except for Emergency Dental Care described in the Pediatric Dental Care; Adult Dental Care; Pediatric and Adult Dental Care section(s) of this Certificate.
- 2. Out-of-Network Benefits.** The out-of-network benefits portion of this Certificate provides coverage when You receive Covered Services from Non-Participating Providers or when You received Covered Services from Participating Providers without care being provided, arranged or authorized in advance by Your Primary Care Dentist and, when required, approved by Us. Your out-of-pocket expenses will be higher when You receive out-of-network benefits. In addition to Cost-Sharing, You will also be responsible for paying any difference between the Allowed Amount and the Non-Participating Provider’s charge.

READ THIS ENTIRE CERTIFICATE CAREFULLY. IT DESCRIBES THE BENEFITS AVAILABLE UNDER THE GROUP CONTRACT. IT IS YOUR RESPONSIBILITY TO UNDERSTAND THE TERMS AND CONDITIONS IN THIS CERTIFICATE.

SECTION II

How Your Coverage Works

A. Your Coverage under this Certificate.

Your employer (referred to as the “Group”) has purchased a Group dental insurance Contract from Us. We will provide the benefits described in this Certificate to covered Members of the Group, that is, to employees of the Group and/or their covered Dependents. However, this Certificate is not a contract between You and Us. You should keep this Certificate with Your other important papers so that it is available for Your future reference.

B. Covered Services.

You will receive Covered Services under the terms and conditions of this Certificate only when the Covered Service is:

- Medically Necessary;
- Listed as a Covered Service;
- Not in excess of any benefit limitations described in the Schedule of Benefits section of this Contract; and
- Received while Your Certificate is in force.

C. Participating Providers.

To find out if a Provider is a Participating Provider:

- Check Your Provider directory, available at Your request;
- Call the number on Your ID card; or
- Visit our website www.mvphealthcare.com.

D. The Role of Primary Care Dentists.

This Certificate requires that you select a PCD. Although You are encouraged to receive care from your PCD, You do not need a written Referral from a PCD before receiving Specialist care from a Participating Provider. You may select any participating PCD who is available from the list of PCDs in the PPO Healthplex Exchange Network. Each Member may select a different PCD. Children covered under this Certificate may designate a participating PCD who specializes in pediatric care.

For purposes of Cost-Sharing, if You seek services from a PCD (or a dentist covering for a PCD) who has a primary or secondary specialty other than general dentistry, You must pay the specialty office visit Cost-Sharing in the Schedule of Benefits section of this Certificate when the services provided are related to specialty care.

- 1. Services Not Requiring Referral from Your PCD.** Your PCD is best qualified to determine the most appropriate treatment for Your dental care needs. You do not need a Referral from Your PCD to a Participating Provider for any services. However, the Participating Provider must discuss the services and treatment plan with Your PCD; agree to follow Our policies and procedures including any procedures regarding Referrals or Preauthorization for services rendered by such Participating Provider; and agree to provide services pursuant to a treatment plan (if any) approved by Us.

You may need to request Preauthorization before You receive certain services.

- 2. Access to Providers and Changing Providers.** Sometimes Providers in Our Provider directory are not available. Prior to notifying Us of the PCD You selected, You should call the PCD to make sure he or she is accepting new patients.

To see a Provider, call his or her office and tell the Provider that You are a MVP Health Services Corp. Member, and explain the reason for Your visit. Have Your ID card available. The Provider's office may ask You for Your Group or Member ID number. When You go to the Provider's office, bring Your ID card with You.

You may change Your PCD by calling the number on the back of your ID card. This can be done anytime.

E. Out-of-Network Services.

We Cover the services of Non-Participating Providers. See the Schedule of Benefits section of this Contract for the Non-Participating Provider services that are Covered. In any case where benefits are limited to a certain number of days or visits, such limits apply in the aggregate to in-network and out-of-network services.

F. Services Subject To Preauthorization.

Our Preauthorization is required before You receive certain Covered Services. You are responsible for requesting Preauthorization for the in-network and out-of-network services listed in the Schedule of Benefits section of this Certificate. .

G. Medical Management.

The benefits available to You under this Certificate may be subject to pre-service, concurrent and retrospective reviews to determine when services should be covered by Us. The purpose of these reviews is to promote the delivery of cost-effective medical care by reviewing the use of procedures and, where appropriate, the setting or place the services are performed. Covered Services must be Medically Necessary for benefits to be provided.

H. Medical Necessity.

We Cover certain benefits described in this Certificate as long as the dental service, procedure, treatment, test, device, or supply (collectively, "service") is Medically Necessary e.g. orthodontia. The fact that a Provider has furnished, prescribed, ordered, recommended, or approved the service does not make it Medically Necessary or mean that We have to Cover it.

We may base Our decision on a review of:

- Your dental records;
- Our dental policies and clinical guidelines;
- Dental opinions of a professional society, peer review committee or other groups of Physicians;
- Reports in peer-reviewed dental literature;
- Reports and guidelines published by nationally-recognized health care organizations that include supporting scientific data;
- Professional standards of safety and effectiveness, which are generally-recognized in the United States for diagnosis, care, or treatment;
- The opinion of health care professionals in the generally-recognized health specialty involved;
- The opinion of the attending Providers, which have credence but do not overrule contrary opinions.

Services will be deemed Medically Necessary only if:

- They are clinically appropriate in terms of type, frequency, extent, site, and duration, and considered effective for Your illness, injury, or disease;

- They are required for the direct care and treatment or management of that condition;
- Your condition would be adversely affected if the services were not provided;
- They are provided in accordance with generally-accepted standards of dental practice;
- They are not primarily for the convenience of You, Your family, or Your Provider;
- They are not more costly than an alternative service or sequence of services, that is at least as likely to produce equivalent therapeutic or diagnostic results;
- When setting or place of service is part of the review, services that can be safely provided to You in a lower cost setting will not be Medically Necessary if they are performed in a higher cost setting.

See the Utilization Review and External Appeal sections of this Certificate for Your right to an internal Appeal and external appeal of Our determination that a service is not Medically Necessary.

SECTION III

Access to Care and Transitional Care

A. Referral to a Non-Participating Provider.

If We determine that We do not have a Participating Provider that has the appropriate training and experience to treat Your condition, We will approve a Referral to an appropriate Non-Participating Provider. Your Participating Provider or You must request prior approval of the Referral to a specific Non-Participating Provider. Approvals of Referrals to Non-Participating Providers will not be made for the convenience of You or another treating Provider and may not necessarily be to the specific Non-Participating Provider You requested. If We approve the Referral all services performed by the Non-Participating Provider are subject to a treatment plan approved by Us in consultation with Your PCD, the Non-Participating Provider and You. Covered Services rendered by the Non-Participating Provider will be paid as if they were provided by a Participating Provider. You will only be responsible for any applicable in-network Cost-Sharing. In the event a Referral is not approved, any services rendered by a Non-Participating Provider will be Covered as an out-of-network benefit.

B. When a Specialist Can Be Your Primary Care Dentist.

If You have a life-threatening condition or disease or a degenerative and disabling condition or disease that requires specialty care over a long period of time, You may ask that a Specialist who is a Participating Provider be Your PCD. We will consult with the Specialist and Your PCD and decide whether the Specialist should be Your PCD. Any Referral will be pursuant to a treatment plan approved by Us in consultation with Your PCD, the Specialist and You. We will not approve a non-participating Specialist

unless We determine that We do not have an appropriate Provider in Our network. If We approve a non-participating Specialist, Covered Services rendered by the non-participating Specialist pursuant to the approved treatment plan will be paid as if they were provided by a Participating Provider. You will only be responsible for any applicable in-network Cost-Sharing.

C. Standing Referral to a Participating Specialist.

If You need ongoing specialty care, You may receive a “standing Referral” to a Specialist who is a Participating Provider. This means that You will not need a new Referral from Your PCD every time You need to see that Specialist. We will consult with the Specialist and Your PCD and decide whether You should have a standing Referral. Any Referral will be pursuant to a treatment plan approved by Us in consultation with Your PCD, the Specialist and You. The treatment plan may limit the number of visits, or the period during which the visits are authorized and may require the Specialist to provide your PCD with regular updates on the specialty care provided as well as all necessary medical information. We will not approve a standing Referral to a non-participating Specialist unless We determine that We do not have an appropriate Provider in Our network. If We approve a standing Referral to a non-participating Specialist, Covered Services rendered by the non-participating Specialist pursuant to the approved treatment plan will be paid as if they were provided by a Participating Provider. You will be responsible only for any applicable in-network Cost-Sharing.

D. When Your Provider Leaves the Network.

If You are in an ongoing course of treatment when Your Provider leaves Our network, then You may be able to continue to receive Covered Services for the ongoing treatment from the former Participating Provider for up to 90 days from the date Your Provider’s contractual obligation to provide services to You terminates.

In order for You to continue to receive Covered Services for up to 90 days, the Provider must agree to accept as payment the negotiated fee that was in effect just prior to the termination of Our relationship with the Provider. The Provider must also agree to provide Us necessary medical information related to Your care and adhere to our policies and procedures, including those for assuring quality of care, obtaining Preauthorization, Referrals, and a treatment plan approved by Us. If the Provider agrees to these conditions, You will receive the Covered Services as if they were being provided by a Participating Provider. You will be responsible only for any applicable in-network Cost-Sharing. Please note that if the Provider was terminated by Us due to fraud, imminent harm to patients or final disciplinary action by a state board or agency that impairs the Provider’s ability to practice, continued treatment with that Provider is not available.

E. New Members In a Course of Treatment.

If You are in an ongoing course of treatment with a Non-Participating Provider when Your coverage under this Certificate becomes effective, You may be able to receive Covered Services for the ongoing treatment from the Non-Participating Provider for up to 60 days from the effective date of Your coverage under this Certificate. This course

of treatment must be for a life-threatening disease or condition or a degenerative and disabling condition or disease.

In order for You to continue to receive Covered Services for up to 60 days, the Non-Participating Provider must agree to accept as payment Our fees for such services. The Provider must also agree to provide Us necessary medical information related to Your care and to adhere to Our policies and procedures including those for assuring quality of care, obtaining Preauthorization, Referrals, and a treatment plan approved by Us. If the Provider agrees to these conditions, You will receive the Covered Services as if they were being provided by a Participating Provider. You will only be responsible for any applicable in-network Cost-Sharing.

SECTION IV

Cost-Sharing Expenses and Allowed Amount

A. Copayments.

Except where stated otherwise, You must pay the Copayments, or fixed amounts, in the Schedule of Benefits section of this Certificate for Covered in-network and out-of-network Services. However, when the Allowed Amount for a service is less than the Copayment, You are responsible for the lesser amount.

B. Coinsurance.

Except where stated otherwise, You must pay a percentage of the Allowed Amount for Covered Services. We will pay the remaining percentage of the Allowed Amount as Your in-network or out-of-network benefit as shown in the Schedule of Benefits section of this Certificate. **You must also pay any charges of a Non-Participating Provider that are in excess of the Allowed Amount.**

C. In-Network Out-of-Pocket Limit for the Pediatric Dental Essential Health

Benefit. When You have met Your In-Network Out-of-Pocket Limit in payment of In-Network Copayments, Deductibles and Coinsurance for a Plan Year in the Schedule of Benefits section of this Certificate for the pediatric dental essential health benefit, We will provide coverage for 100% of the Allowed Amount for Covered in-network Services for the remainder of that Plan Year for the pediatric dental essential health benefit. Once a Member under age 19 meets the In-Network Out-of-Pocket Limit for one (1) Member under age 19, We will provide coverage for 100% of the Allowed Amount for the rest of that Plan Year for that person for the pediatric dental essential health benefit. If this Certificate covers more than one Member under age 19, when two (2) or more Members under age 19 covered under this Certificate have collectively met the In-

Network Out-of-Pocket Limit for two (2) or more Members under age 19 in payment of In-Network Copayments, Deductibles and Coinsurance for a Plan Year in the Schedule of Benefits section of this Certificate We will provide coverage for 100% of the Allowed Amount for the pediatric dental essential health benefit for the rest of that Plan Year.

Cost-Sharing for out-of-network services does not apply toward Your Out-of-Pocket Limit.

D. Out-of-Network Out-of-Pocket Limit for the Pediatric Dental Essential Health Benefit.

This Certificate does not have an Out-of-Network Out-of-Pocket Limit on the pediatric dental essential health benefit.

E. Out-of-Network Out-of-Pocket Limit.

This Certificate does not have an Out-of-Network Out-of-Pocket Limit.

F. Your Additional Payments for Out-of-Network Benefits.

When You receive Covered Services from a Non-Participating Provider, in addition to the applicable Copayments, Deductible and Coinsurance described in the Schedule of Benefits section of this Certificate, You must also pay the amount, if any, by which the Non-Participating Provider's actual charge exceeds Our Allowed Amount. This means that the total of Our coverage and any Cost-Sharing amounts You pay may be less than the Non-Participating Provider's actual charge.

When You receive Covered Services from a Participating or Non-Participating Provider, We will apply nationally-recognized payment rules to the claim submitted for those services. These rules evaluate the claim information and determine the accuracy of the procedure codes and diagnosis codes for the services You received. Sometimes, applying these rules will change the way that We pay for the services. This does not mean that the services were not Medically Necessary. It only means that the claim should have been submitted differently. For example, Your Provider may have billed using several procedure codes when there is a single code that includes all of the separate procedures. We will make one inclusive payment in that case, rather than a separate payment for each billed code.

G. Allowed Amount.

"Allowed Amount" means the maximum amount We will pay for the services or supplies covered under this Certificate, before any applicable Copayment, Deductible and Coinsurance amounts are subtracted. We determine Our Allowed Amount as follows:

The Allowed Amount for Participating Providers will be the amount we have negotiated with the Participating Provider.

The Allowed Amount for Non-Participating Providers will be determined as follows:

1. For Providers in Our Service Area.

For Providers in Our Service Area, the Allowed Amount will be an amount based on Our Participating Provider fee schedule or rate.

Our Allowed Amount is not based on UCR. The Non-Participating Provider's actual charge may exceed Our Allowed Amount. You must pay the difference between Our Allowed Amount and the Non-Participating Provider's charge. Contact Us at the number on Your ID card or visit Our website www.mvphealthcare.com for information on Your financial responsibility when You receive services from a Non-Participating Provider.

SECTION V

Who Is Covered

A. Who is Covered Under this Certificate.

This Certificate is issued to cover Members (known as You) who are under 19 years of age. Coverage lasts until the end of the month in which You turn 19 years of age.

B. Children Covered Under This Certificate.

Children covered under this Certificate include the Subscriber's natural Children, legally adopted Children, step Children, and Children for whom the Subscriber is the proposed adoptive parent without regard to financial dependence, residency with the Subscriber, student status or employment. A proposed adopted Child is eligible for coverage on the same basis as a natural Child during any waiting period prior to the finalization of the Child's adoption. Coverage also includes Children for whom the Subscriber is a legal

guardian if the Children are chiefly dependent upon the Subscriber for support and the Subscriber has been appointed the legal guardian by a court order. Foster Children and grandchildren of the Subscriber are covered.

We have the right to request and be furnished with such proof as may be needed to determine eligibility status of a prospective or covered Member in relation to eligibility for coverage under this Certificate at any time.

C. When Coverage Begins.

2. If the Subscriber does not elect coverage upon becoming eligible or within 30 days of becoming eligible for other than a special enrollment period, the Subscriber must wait until the Group's next open enrollment period to enroll, except as provided below.
3. If the Subscriber has a newborn or adopted newborn Child and We receive notice of such birth within 30 days thereafter, coverage for the Subscriber's newborn starts at the moment of birth; otherwise coverage begins on the date on which We receive notice. Your adopted newborn Child will be covered from the moment of birth if the Subscriber takes physical custody of the infant as soon as the infant is released from the Hospital after birth and the Subscriber files a petition pursuant to Section 115-c of the New York Domestic Relations Law within 30 days of the infant's birth; and provided further that no notice of revocation to the adoption has been filed pursuant to Section 115-b of the New York Domestic Relations Law, and consent to the adoption has not been revoked. In order for coverage to start at the moment of birth, the Subscriber must notify Us and pay any additional Premium within the 30 day period. Otherwise, coverage begins on the date We receive notice, provided that You pay any additional Premium when due.

D. Special Enrollment Periods.

You can also enroll for coverage within 30 days of the loss of coverage in another group dental plan if coverage was terminated because You are no longer eligible for coverage under the other group dental plan due to:

1. Termination of employment;
2. Termination of the other group dental plan;
3. Death of the Spouse;
4. Legal separation, divorce or annulment;

5. Reduction of hours of employment;
6. Employer contributions towards the group dental plan were terminated; or
7. A Child no longer qualifies for coverage as a Child under the other group dental plan.

You can also enroll 30 days from exhaustion of Your COBRA coverage.

We must receive notice and Premium payment within 30 days of the loss of coverage. The effective date of Your coverage will depend on when We receive Your application. If Your application is received between the first and fifteenth day of the month, Your coverage will begin on the first day of the following month. If Your application is received between the sixteenth day and the last day of the month, Your coverage will begin on the first day of the second month.

In addition, You can also enroll for coverage within 60 days of the occurrence of one of the following events:

1. You lose eligibility for Medicaid or a state child dental plan; or
2. You become eligible for Medicaid or a state child dental plan.

We must receive notice and Premium payment within 60 days of one of these events. The effective date of Your coverage will depend on when We receive Your application. If Your application is received between the first and fifteenth day of the month, Your coverage will begin on the first day of the following month. If Your application is received between the sixteenth day and the last day of the month, Your coverage will begin on the first day of the second month.

SECTION X

Utilization Review

A. Utilization Review.

We review health services to determine whether the services are or were Medically Necessary or experimental or investigational ("Medically Necessary"). This process is called Utilization Review. Utilization Review includes all review activities, whether they take place prior to the service being performed (Preauthorization); when the service is being performed (concurrent); or after the service is performed (retrospective). If You have any questions about the Utilization Review process, please call the number on Your ID card. The toll-free telephone number is available at least 40 hours a week with an after-hours answering machine.

All determinations that services are not Medically Necessary will be made by: 1) licensed Physicians; or 2) licensed, certified, registered or credentialed health care professionals who are in the same profession and same or similar specialty as the Provider who typically manages Your medical condition or disease or provides the health care service under review. We do not compensate or provide financial incentives to Our employees or reviewers for determining that services are not Medically Necessary. We have developed guidelines and protocols to assist Us in this process. Specific guidelines and protocols are available for Your review upon request. For more information, call the number on Your ID card or visit Our website www.mvphealthcare.com.

B. Preauthorization Reviews.

1. **Non-Urgent Preauthorization Reviews.** If We have all the information necessary to make a determination regarding a Preauthorization review, We will make a determination and provide notice to You (or Your designee) and Your Provider, by telephone and in writing, within three (3) business days of receipt of the request.

If We need additional information, We will request it within three (3) business days. You or Your Provider will then have 45 calendar days to submit the information. If We receive the requested information within 45 days, We will make a determination and provide notice to You (or Your designee) and Your Provider, by telephone and in writing, within three (3) business days of Our receipt of the information. If all necessary information is not received within 45 days, We will make a determination within 15 calendar days of the end of the 45-day period.

2. **Urgent Preauthorization Reviews.** With respect to urgent Preauthorization requests, if We have all information necessary to make a determination, We will make a determination and provide notice to You (or Your designee) and Your

Provider, by telephone, within 72 hours of receipt of the request. Written notice will be provided within three (3) business days of receipt of the request. If We need additional information, We will request it within 24 hours. You or Your Provider will then have 48 hours to submit the information. We will make a determination and provide notice to You (or Your designee) and Your Provider by telephone within 48 hours of the earlier of Our receipt of the information or the end of the 48-hour period. Written notification will be provided within the earlier of three (3) business days of Our receipt of the information or three (3) calendar days after the verbal notification.

C. Concurrent Reviews.

- 1. Non-Urgent Concurrent Reviews.** Utilization Review decisions for services during the course of care (concurrent reviews) will be made, and notice provided to You (or Your designee) , by telephone and in writing, within one (1) business day of receipt of all necessary information. If We need additional information, We will request it within one (1) business day. You or Your Provider will then have 45 calendar days to submit the information. We will make a determination and provide notice to You (or Your designee), by telephone and in writing, within one (1) business day of Our receipt of the information or, if We do not receive the information, within 15 calendar days of the end of the 45-day period.
- 2. Urgent Concurrent Reviews.** For concurrent reviews that involve an extension of urgent care, if the request for coverage is made at least 24 hours prior to the expiration of a previously approved treatment, We will make a determination and provide notice to You (or Your designee) by telephone within 24 hours of receipt of the request. Written notice will be provided within one (1) business day of receipt of the request.

If the request for coverage is not made at least 24 hours prior to the expiration of a previously approved treatment and We have all the information necessary to make a determination, We will make a determination and provide written notice to You (or Your designee) within the earlier of 72 hours or of one (1) business day of receipt of the request. If We need additional information, We will request it within 24 hours. You or Your Provider will then have 48 hours to submit the information. We will make a determination and provide written notice to You (or Your designee) within the earlier of one (1) business day or 48 hours of Our receipt of the information or, if We do not receive the information, within 48 hours of the end of the 48-hour period.

D. Retrospective Reviews.

If We have all information necessary to make a determination regarding a retrospective claim, We will make a determination and notify You within 30 calendar days of the receipt of the request. If We need additional information, We will request it within 30 calendar days. You or Your Provider will then have 45 calendar days to provide the information. We will make a determination and provide notice to You in writing within 15 calendar days of the earlier of Our receipt of the information or the end of the 45-day

period.

Once We have all the information to make a decision, Our failure to make a Utilization Review determination within the applicable time frames set forth above will be deemed an adverse determination subject to an internal Appeal.

E. Retrospective Review of Preauthorized Services.

We may only reverse a preauthorized treatment, service or procedure on retrospective review when:

- The relevant medical information presented to Us upon retrospective review is materially different from the information presented during the Preauthorization review;
- The relevant medical information presented to Us upon retrospective review existed at the time of the Preauthorization but was withheld or not made available to Us;
- We were not aware of the existence of such information at the time of the Preauthorization review; and
- Had We been aware of such information, the treatment, service or procedure being requested would not have been authorized. The determination is made using the same specific standards, criteria or procedures as used during the Preauthorization review.

F. Reconsideration.

If We did not attempt to consult with Your Provider who recommended the Covered Service before making an adverse determination, the Provider may request reconsideration by the same clinical peer reviewer who made the adverse determination or a designated clinical peer reviewer if the original clinical peer reviewer is unavailable. For Preauthorization and concurrent reviews, the reconsideration will take place within one (1) business day of the request for reconsideration. If the adverse determination is upheld, a notice of adverse determination will be given to You and Your Provider, by telephone and in writing.

G. Utilization Review Internal Appeals.

You, Your designee, and, in retrospective review cases, Your Provider, may request an internal Appeal of an adverse determination, either by phone or in writing.

You have up to 180 calendar days after You receive notice of the adverse determination to file an Appeal. We will acknowledge Your request for an internal Appeal within 15 calendar days of receipt. This acknowledgment will if necessary, inform You of any additional information needed before a decision can be made. A clinical peer reviewer who is a Physician or a health care professional in the same or similar specialty as the Provider who typically manages the disease or condition at issue and who is not subordinate to the clinical peer reviewer who made the initial adverse determination will perform the Appeal.

1. **Out-of-Network Service Denial.** You also have the right to Appeal the denial of a Preauthorization request for an out-of-network health service when We determine that the out-of-network health service is not materially different from an available in-network health service. A denial of an out-of-network health service is a service provided by a Non-Participating Provider, but only when the service is not available from a Participating Provider. For a Utilization Review Appeal of denial of an out-of-network health service, You, or Your designee, must submit:
 - A written statement from Your attending Physician, who must be a licensed, board-certified or board-eligible Physician qualified to practice in the specialty area of practice appropriate to treat Your condition, that the requested out-of-network health service is materially different from the alternate health service available from a Participating Provider that We approved to treat Your condition; and
 - Two (2) documents from the available medical and scientific evidence that the out-of-network service: 1) is likely to be more clinically beneficial to You than the alternate in-network service; and 2) that the adverse risk of the out-of-network service would likely not be substantially increased over the in-network health service.

2. **Out-of-Network Referral Denial.** You also have the right to Appeal the denial of a request for a Referral to a Non-Participating Provider when We determine that We have a Participating Provider with the appropriate training and experience to meet Your particular health care needs who is able to provide the requested health care service. For a Utilization Review Appeal of an out-of-network Referral denial, You or Your designee must submit a written statement from Your attending Physician, who must be a licensed, board-certified or board-eligible Physician qualified to practice in the specialty area of practice appropriate to treat Your condition:
 - That the Participating Provider recommended by Us does not have the appropriate training and experience to meet Your particular health care needs for the health care service; and
 - Recommending a Non-Participating Provider with the appropriate training and experience to meet Your particular health care needs who is able to provide the requested health care service.

H. First Level; Standard Appeal.

1. **Preauthorization Appeal.** If Your Appeal relates to a Preauthorization request, We will decide the Appeal within 30 calendar days of receipt of the Appeal request. Written notice of the determination will be provided to You (or Your designee), and where appropriate, Your Provider, within two (2) business days after the determination is made, but no later than 30calendar days after receipt of the Appeal request.

2. **Retrospective Appeal.** If Your Appeal relates to a retrospective claim, We will decide the Appeal within 60 calendar days of receipt of the Appeal request. Written notice of the determination will be provided to You (or Your designee),

and where appropriate, Your Provider, within two (2) business days after the determination is made, but no later than 60 calendar days after receipt of the Appeal request.

3. **Expedited Appeal.** An Appeal of a review of continued or extended health care services, additional services rendered in the course of continued treatment, home health care services following discharge from an inpatient Hospital admission, services in which a Provider requests an immediate review, or any other urgent matter will be handled on an expedited basis. An expedited Appeal is not available for retrospective reviews. For an expedited Appeal, Your Provider will have reasonable access to the clinical peer reviewer assigned to the Appeal within one (1) business day of receipt of the request for an Appeal. Your Provider and a clinical peer reviewer may exchange information by telephone or fax. An expedited Appeal will be determined within the earlier of 72 hours of receipt of the Appeal or two (2) business days of receipt of the information necessary to conduct the Appeal.

If You are not satisfied with the resolution of Your expedited Appeal, You may file a standard internal appeal or an external appeal.

Our failure to render a determination of Your Appeal within 60 calendar days of receipt of the necessary information for a standard Appeal or within two (2) business days of receipt of the necessary information for an expedited Appeal will be deemed a reversal of the initial adverse determination.

SECTION XI

External Appeal

A. Your Right to an External Appeal.

In some cases, You have a right to an external appeal of a denial of coverage. If We have denied coverage on the basis that a service is not Medically Necessary (including appropriateness, health care setting, level of care or effectiveness of a Covered benefit); or is an experimental or investigational treatment (including clinical trials and treatments for rare diseases) , You or Your representative may appeal that decision to an External Appeal Agent, an independent third party certified by the State to conduct these appeals.

In order for You to be eligible for an external appeal You must meet the following two (2) requirements:

- The service, procedure, or treatment must otherwise be a Covered Service under this Certificate; and
- In general, You must have received a final adverse determination through Our internal Appeal process. But, You can file an external appeal even though You have not received a final adverse determination through Our internal Appeal process if:
 - We agree in writing to waive the internal Appeal. We are not required to agree to Your request to waive the internal Appeal; or
 - You file an external appeal at the same time as You apply for an expedited internal Appeal; or
 - We fail to adhere to Utilization Review claim processing requirements (other than a minor violation that is not likely to cause prejudice or harm to You, and We demonstrate that the violation was for good cause or due to matters beyond Our control and the violation occurred during an ongoing, good faith exchange of information between You and Us).

B. Your Right to Appeal A Determination that A Service Is Not Medically Necessary.

If We have denied coverage on the basis that the service is not Medically Necessary, You may appeal to an External Appeal Agent if You meet the requirements for an external appeal in paragraph “A” above.

C. Your Right to Appeal A Determination that A Service is Experimental or Investigational.

If We have denied coverage on the basis that the service is an experimental or investigational treatment (including clinical trials and treatments for rare diseases), You must satisfy the two (2) requirements for an external appeal in paragraph “A” above and Your attending Physician must certify that Your condition or disease is one for which:

1. Standard health services are ineffective or medically inappropriate; or
2. There does not exist a more beneficial standard service or procedure covered by Us; or

3. There exists a clinical trial or rare disease treatment (as defined by law).

In addition, Your attending Physician must have recommended one (1) of the following:

1. A service, procedure or treatment that two (2) documents from available medical and scientific evidence indicate is likely to be more beneficial to You than any standard Covered Service (only certain documents will be considered in support of this recommendation – Your attending Physician should contact the State for current information as to what documents will be considered or acceptable); or
2. A clinical trial for which You are eligible (only certain clinical trials can be considered); or
3. A rare disease treatment for which Your attending Physician certifies that there is no standard treatment that is likely to be more clinically beneficial to You than the requested service, the requested service is likely to benefit You in the treatment of Your rare disease, and such benefit outweighs the risk of the service. In addition, Your attending Physician must certify that Your condition is a rare disease that is currently or was previously subject to a research study by the National Institutes of Health Rare Disease Clinical Research Network **or** that it affects fewer than 200,000 U.S. residents per year.

For purposes of this section, Your attending Physician must be a licensed, board-certified or board eligible Physician qualified to practice in the area appropriate to treat Your condition or disease. In addition, for a rare disease treatment, the attending Physician may not be Your treating Physician.

D. Your Right to Appeal A Determination that a Service is Out-of-Network.

If We have denied coverage of an out-of-network treatment because it is not materially different than the health service available in-network, You may appeal to an External Appeal Agent if You meet the two (2) requirements for an external appeal in paragraph “A” above, and You have requested Preauthorization for the out-of-network treatment.

In addition, Your attending Physician must certify that the out-of-network service is materially different from the alternate recommended in-network health service, and based on two (2) documents from available medical and scientific evidence, is likely to be more clinically beneficial than the alternate in-network treatment and that the adverse risk of the requested health service would likely not be substantially increased over the alternate in-network health service.

For purposes of this section, Your attending Physician must be a licensed, board certified or board eligible Physician qualified to practice in the specialty area appropriate to treat You for the health service.

E. Your Right to Appeal an Out-of-Network Referral Denial to a Non-Participating Provider.

If We have denied coverage of a request for a Referral to a Non-Participating Provider because We determine We have a Participating Provider with the appropriate training and experience to meet Your particular health care needs who is able to provide the requested health care service, You may appeal to an External Appeal Agent if You meet the two (2) requirements for an external appeal in paragraph “A” above.

In addition, Your attending Physician must: certify that the Participating Provider recommended by Us does not have the appropriate training and experience to meet Your particular health care needs; and recommend a Non-Participating Provider with the appropriate training and experience to meet Your particular health care needs who is able to provide the requested health care service.

For purposes of this section, Your attending Physician must be a licensed, board certified or board eligible Physician qualified to practice in the specialty area appropriate to treat You for the health service.

F. The External Appeal Process.

You have four (4) months from receipt of a final adverse determination or from receipt of a waiver of the internal Appeal process to file a written request for an external appeal. If You are filing an external appeal based on Our failure to adhere to claim processing requirements, You have four (4) months from such failure to file a written request for an external appeal.

We will provide an external appeal application with the final adverse determination issued through Our internal Appeal process or Our written waiver of an internal Appeal. You may also request an external appeal application from the New York State Department of Financial Services at 1-800-400-8882. Submit the completed application to the Department of Financial Services at the address indicated on the application. If You meet the criteria for an external appeal, the State will forward the request to a certified External Appeal Agent.

You can submit additional documentation with Your external appeal request. If the External Appeal Agent determines that the information You submit represents a material change from the information on which We based Our denial, the External Appeal Agent will share this information with Us in order for Us to exercise Our right to reconsider Our decision. If We choose to exercise this right, We will have three (3) business days to amend or confirm Our decision. Please note that in the case of an expedited external appeal (described below), We do not have a right to reconsider Our decision.

In general, the External Appeal Agent must make a decision within 30 days of receipt of Your completed application. The External Appeal Agent may request additional information from You, Your Physician, or Us. If the External Appeal Agent requests additional information, it will have five (5) additional business days to make its decision. The External Appeal Agent must notify You in writing of its decision within two (2)

business days.

If Your attending Physician certifies that a delay in providing the service that has been denied poses an imminent or serious threat to Your health; or if Your attending Physician certifies that the standard external appeal time frame would seriously jeopardize Your life, health or ability to regain maximum function; or if You received emergency services and have not been discharged from a facility and the denial concerns an admission, availability of care, or continued stay, You may request an expedited external appeal. In that case, the External Appeal Agent must make a decision within 72 hours of receipt of Your completed application. Immediately after reaching a decision, the External Appeal Agent must notify You and Us by telephone or facsimile of that decision. The External Appeal Agent must also notify You in writing of its decision.

If the External Appeal Agent overturns Our decision that a service is not Medically Necessary or approves coverage of an experimental or investigational treatment, We will provide coverage subject to the other terms and conditions of this Certificate. Please note that if the External Appeal Agent approves coverage of an experimental or investigational treatment that is part of a clinical trial, We will only Cover the cost of services required to provide treatment to You according to the design of the trial. We will not be responsible for the costs of investigational drugs or devices, the costs of non-health care services, the costs of managing the research, or costs that would not be Covered under this Certificate for non-investigational treatments provided in the clinical trial.

The External Appeal Agent's decision is binding on both You and Us. The External Appeal Agent's decision is admissible in any court proceeding.

G. Your Responsibilities.

It is Your responsibility to start the external appeal process. You may start the external appeal process by filing a completed application with the New York State Department of Financial Services. You may appoint a representative to assist You with Your application; however, the Department of Financial Services may contact You and request that You confirm in writing that You have appointed the representative.

Under New York State law, Your completed request for external appeal must be filed within four (4) months of either the date upon which You receive a final adverse determination, or the date upon which You receive a written waiver of any internal Appeal, or Our failure to adhere to claim processing requirements. We have no authority to extend this deadline.

SECTION XII

Coordination of Benefits

This section applies when You also have group dental coverage with another plan. When You receive a Covered Service, We will coordinate benefit payments with any payment made by another plan. The primary plan will pay its full benefits and the other plan may pay secondary benefits, if necessary, to cover some or all of the remaining expenses. This coordination prevents duplicate payments and overpayments.

A. Definitions.

1. **“Allowable expense”** is the necessary, reasonable, and customary item of expense for dental care, when the item is covered at least in part under any of the plans involved, except where a statute requires a different definition. When a plan provides benefits in the form of services, the reasonable cash value of each service will be considered as both an allowable expense and a benefit paid.
2. **“Plan”** is other group dental coverage with which We will coordinate benefits. The term “plan” includes:
 - Group dental benefits and blanket or group remittance dental benefits coverage, whether insured, self-insured, or self-funded. This includes group HMO and other prepaid group coverage, but does not include blanket school accident coverage or coverages issued to a substantially similar group (e.g., Girl Scouts, Boy Scouts) where the school or organization pays the premiums.
 - Dental benefits coverage, in group and individual automobile “no-fault” and traditional liability “fault” type contracts.
 - Dental benefits coverage of a governmental plan offered, required, or provided by law, except Medicaid or any other plan whose benefits are by law excess to any private benefits coverage.
3. **“Primary plan”** is one whose benefits must be determined without taking the existence of any other plan into consideration. A plan is primary if either: 1) the plan has no order of benefits rules or its rules differ from those required by regulation; or 2) all plans which cover the person use the order of benefits rules required by regulation and under those rules the plan determines its benefits first. More than one plan may be a primary plan (for example, two plans which have no order of benefit determination rules).
4. **“Secondary plan”** is one which is not a primary plan. If a person is covered by more than one secondary plan, the order of benefit determination rules decide the order in which their benefits are determined in relation to each other.

B. Rules to Determine Order of Payment.

The first of the rules listed below in paragraphs 1-6 that applies will determine which

plan will be primary:

1. If the other plan does not have a provision similar to this one, then the other plan will be primary.
2. If the person receiving benefits is the Subscriber and is only covered as a Dependent under the other plan, this Certificate will be primary.
3. If a child is covered under the plans of both parents and the parents are not separated or divorced, the plan of the parent whose birthday falls earlier in the year shall be primary. If both parents have the same birthday, the plan which covered the parent longer will be primary. To determine whose birthday falls earlier in the year, only the month and day are considered. However, if the other plan does not have this birthday rule, but instead has a rule based on the sex of the parent and as a result the plans do not agree on which is primary, then the rule in the other plan will determine which plan is primary.
4. If a child is covered by both parents' plans, the parents are separated or divorced, and there is no court decree between the parents that establishes financial responsibility for the child's dental care expenses:
 - The plan of the parent who has custody will be primary;
 - If the parent with custody has remarried, and the child is also covered as a child under the step-parent's plan, the plan of the parent with custody will pay first, the step-parent's plan will pay second, and the plan of the parent without custody will pay third; and
 - If a court decree between the parents says which parent is responsible for the child's dental care expenses, then that parent's plan will be primary if that plan has actual knowledge of the decree.
5. If the person receiving services is covered under one plan as an active employee or member (i.e., not laid-off or retired), or as the spouse or child of such an active employee, and is also covered under another plan as a laid-off or retired employee or as the spouse or child of such a laid-off or retired employee, the plan that covers such person as an active employee or spouse or child of an active employee will be primary. If the other plan does not have this rule, and as a result the plans do not agree on which will be primary, this rule will be ignored.
6. If none of the above rules determine which plan is primary, the plan that covered the person receiving services longer will be primary.

C. Effects of Coordination.

When this plan is secondary, its benefits will be reduced so that the total benefits paid by the primary plan and this plan during a claim determination period will not exceed Our maximum available benefit for each Covered Service. Also, the amount We pay will not be more than the amount We would pay if We were primary. As each claim is submitted, We will determine Our obligation to pay for allowable expenses based upon all claims that have been submitted up to that point in time during the claim

determination period.

D. Right to Receive and Release Necessary Information.

We may release or receive information that We need to coordinate benefits. We do not need to tell anyone or receive consent to do this. We are not responsible to anyone for releasing or obtaining this information. You must give Us any needed information for coordination purposes, in the time frame requested.

E. Our Right to Recover Overpayment.

If We made a payment as a primary plan, You agree to pay Us any amount by which We should have reduced Our payment. Also, We may recover any overpayment from the primary plan or the Provider receiving payment and You agree to sign all documents necessary to help Us recover any overpayment.

F. Coordination with “Always Excess,” “Always Secondary,” or “Non-Complying” Plans.

We will coordinate benefits with plans, whether insured or self-insured, that provide benefits that are stated to be always excess or always secondary or use order of benefit determination rules that are inconsistent with the rules described above in the following manner:

1. If this Certificate is primary, as defined in this section, We will pay benefits first.
2. If this Certificate is secondary, as defined in this section, We will pay only the amount We would pay as the secondary insurer.
3. If We request information from a non-complying plan and do not receive it within 30 days, We will calculate the amount We should pay on the assumption that the non-complying plan and this Certificate provide identical benefits. When the information is received, We will make any necessary adjustments.

SECTION XIII

Termination of Coverage

Coverage under this Certificate will automatically be terminated on the first of the following to apply:

1. The Group, and/or Subscriber, has failed to pay Premiums within 30 days of when Premiums are due. Coverage will terminate as of the last day for which Premiums were paid.
2. The end of the month in which the Subscriber ceases to meet the eligibility requirements as defined by the Group.
3. Upon the Subscriber's death, coverage will terminate unless the Subscriber has coverage for Dependents. If the Subscriber has coverage for Dependents, then coverage will terminate as of the last day of the month for which the Premium has been paid.
4. For Spouses in cases of divorce, the date of the divorce.
5. For Children, until the end of the month in which the Child turns 19 years of age.
6. For all other Dependents, the end of the month the Dependent ceases to be eligible.
7. The end of the month during which the Group or Subscriber provides written notice to Us requesting termination of coverage, or on such later date requested for such termination by the notice.
8. If the Subscriber has performed an act that constitutes fraud or made an intentional misrepresentation of material fact in writing on his/her enrollment application, or in order to obtain coverage for a service, coverage will terminate immediately upon written notice of termination delivered by Us to the Subscriber. If termination is a result of the Subscriber's action, coverage will terminate for the Subscriber and any Dependents. If termination is a result of the Dependent's action, coverage will terminate for the Dependent.
9. The date that the Group Contract is terminated. If We terminate and/or decide to stop offering a particular class of group contracts, without regard to claims experience or health related status, to which this Certificate belongs, We will provide the Group and Subscribers at least 30 days prior written notice.
10. The Group has performed an act or practice that constitutes fraud or made an

intentional misrepresentation of material fact under the terms of the coverage.

11. The Group has failed to comply with a material plan provision relating to group participation rules. We will provide written notice to the Group and Subscriber at least 30 days prior to when the coverage will cease.
12. The Group ceases to meet the statutory requirements to be defined as a group for the purposes of obtaining coverage. We will provide written notice to the Group and Subscriber at least 30 days prior to when the coverage will cease.
13. The date there is no longer any enrollee who lives, resides, or works in Our Service Area.

No termination shall prejudice the right to a claim for benefits which arose prior to such termination.

See the Continuation of Coverage section of this Certificate for Your right to continuation of this coverage under COBRA or USERRA.

SECTION XIV

Extension of Benefits

Upon termination of insurance, whether due to termination of eligibility, or termination of the Certificate, an extension of benefits shall be provided for a period of no less than 30 days for completion of a dental procedure that was started before Your coverage ended.

SECTION XV

Continuation of Coverage

Under the continuation of coverage provisions of the federal Consolidated Omnibus Budget Reconciliation Act of 1985 (“COBRA”), most employer-sponsored group health plans must offer employees and their families the opportunity for a temporary continuation of health insurance coverage when their coverage would otherwise end. Call or write Your employer to find out if You are entitled to temporary continuation of coverage under COBRA. Any period of continuation of coverage will terminate automatically at the end of the period of continuation provided under COBRA.

Qualifying Events.

Pursuant to federal COBRA, You, the Subscriber, Your Spouse and Your Children may be able to temporarily continue coverage under this Certificate in certain situations when You would otherwise lose coverage, known as qualifying events.

1. If Your coverage ends due to voluntary or involuntary termination of employment or a change in Your employee class (e.g. a reduction in the number of hours of employment) You may continue coverage. Coverage may be continued for You, Your Spouse and any of Your covered Children.
2. If You are a covered Spouse, You may continue coverage if Your coverage ends due to:
 - Voluntary or involuntary termination of the Subscriber’s employment;
 - Reduction in the hours worked by the Subscriber or other change in the Subscriber’s class;
 - Divorce or legal separation from the Subscriber;
 - Death of the Subscriber; or
 - The covered employee becoming entitled to Medicare.
3. If You are a covered Child, You may continue coverage if Your coverage ends due to:
 - Voluntary or involuntary termination of the Subscriber’s employment;
 - Reduction in the hours worked by the Subscriber or other change in the Subscriber’s class;
 - Loss of covered Child status under the plan rules;
 - Death of the Subscriber; or
 - The covered employee becoming entitled to Medicare.

If You want to continue coverage You must request continuation from the Group in writing and make the first Premium payment within the 60-day period following the later of:

1. The date coverage would otherwise terminate; or
2. The date You are sent notice by first class mail of the right of continuation by the Group.

The Group may charge up to 102% of the Group Premium for continued coverage.

Continued coverage under this section will terminate at the earliest of the following:

1. The date 18 months after the Subscriber's coverage would have terminated because of termination of employment; provided that the Subscriber or their dependents may continue for a total of 29 months if the Member is determined to be disabled under the United States Social Security Act;
2. If You are a covered Spouse or Child the date 36 months after coverage would have terminated due to the death of the Subscriber, divorce or legal separation, the Subscriber's eligibility for Medicare, or the failure to qualify under the definition of "Children";
3. The date You become covered by an insured or uninsured arrangement that provides group hospital, surgical or medical coverage;
4. The date You become entitled to Medicare;
5. The date to which Premiums are paid if You fail to make a timely payment; or
6. The date the Group Contract terminates. However, if the Group Contract is replaced with similar coverage, You have the right to become covered under the new Group Contract for the balance of the period remaining for Your continued coverage.

Continuation Rights During Active Duty

Under the Uniformed Services Employment and Reemployment Rights Act ("USERRA"), most employer-sponsored group health plans must offer employees and their families the opportunity for a temporary continuation of health insurance coverage when their coverage would otherwise end due to service in the uniformed services or upon becoming eligible for medical and dental care under federal health insurance by reason of their service. Call or write Your Group to find out if You are entitled to temporary continuation of coverage under USERRA.

The Group may charge up to 102% of the Group Premium for continued coverage. This does not apply if You or Your dependents serve less than 31 days.

Continued coverage under this section will terminate at the earliest of the following:

1. The 24-month period beginning on the date on which the absence begins; or
2. The day after the date on which You or Your Dependent fail to apply for or return to a position of employment.

An exclusion or waiting period may not be imposed in connection with the reinstatement of coverage upon reemployment unless an exclusion or waiting period would have been imposed under the health plan had coverage not been terminated.

1. This shall not apply to the coverage of any illness or injury determined by the Secretary of Veterans Affairs to have been incurred in, or aggravated during, performance of service in the uniformed services.
2. If You or Your Dependent's coverage under a health plan is terminated by reason of the person having become eligible for federal health insurance for former members of the uniformed services and their dependents, but subsequently do not commence a period of active duty under the order to active duty that established such eligibility because the order is canceled before such active duty commences, any exclusion or waiting period in connection with the reinstatement of coverage shall apply to the continued employment in the same manner as if You or Your Dependents had become reemployed upon such termination of eligibility.

SECTION XVI

General Provisions

When this happens We will explain the problem to You and You must return the amount of the overpayment to Us within 60 days after receiving notification from Us. However, We shall not initiate overpayment recovery efforts more than 24 months after the original payment was made unless We have a reasonable belief of fraud or other intentional misconduct.
