## Introduction

This booklet provides a list of MVP Health Care's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and MVP Health Care's Formulary. When this pharmacy directory refers to "we," "us," or "our," it means MVP Health Care. When it refers to "plan" or "our plan," it means MVP® Medicare Patriot Plan<sup>SM</sup> with Part D (PPO), MVP Medicare Preferred Gold with Part D (HMO-POS), MVP Medicare Secure with Part D (HMO-POS), MVP Medicare Secure Plus with Part D (HMO-POS), MVP® Medicare WellSelect® with Part D (PPO), MVP® Medicare WellSelect® Plus with Part D (PPO), GoldAnywhere with Part D (PPO), USA Care with Part D (PPO), or MVP RxCare PDP.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to plan members. In most cases, your prescriptions are covered under MVP only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of September 2020.

For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery

program, which is called the CVS Caremark Mail Service Pharmacy. For more information, please contact us or see the mail order section of this pharmacy directory.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

## Mail Order Pharmacy

You can get prescription drugs shipped to your home through our network mail order delivery program which is called the CVS Caremark Mail Service Pharmacy.

If you have used mail order services with your current plan before, or if you opt in now, our pharmacy will automatically fill and ship new prescriptions received directly from your doctors or other prescribers. You may opt out of automatic deliveries of new prescriptions at any time by contacting CVS Caremark at **1-866-494-8829** (TTY: 711).

If you never had mail order delivery and/or decide to stop automatic fills of new prescriptions, we will contact you each time we get a new prescription from a provider, to see if you want the medication filled and shipped at that time. This will give you an opportunity to make sure that the correct drug (including strength, amount, and form) will be delivered, and, if necessary, allow you to cancel or delay the order before you are billed and it is shipped.

For refills of your mail order prescriptions, please contact us 21 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time.

Typically, you should expect to receive your prescription within 14 days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please visit our website or call CVS Caremark at **1-866-494-8829** (TTY: 711).
