

Vermont “VBID” Value Drugs

Offered with most MVP VT Plus (Non-Standard) plans

The medications listed below will be available at a \$1 or \$3 prescription drug co-pay for a 30-day supply, depending on the MVP VT Plus plan in which you are enrolled. Review your specific benefit documents to see if the plan that you, or your employer, chose to participate in offers these value drugs. If the answer is “yes,” contact your prescriber to discuss if one of the drugs listed below will treat your medical condition and is right for you. Only your doctor can determine the best medication treatment for you.
