**New for 2018:**  
**“National” Plans include Cigna National Network**  
 Members enrolled in a new **National** plan have access to the Cigna HealthCare network—providing members full national coverage by allowing them access to providers outside the MVP regional network. Our complete network is composed of more than 500,000 providers nationally with more than 5,000 facilities. National plans are available at the Platinum and Gold levels.

**Aggregate (Agg)**  
 For any policy with two or more members, the deductible must be met by any one or any combination of members before the plan will make payments.

**Embedded (Emb)**  
 Each member will pay toward, but never exceed, their individual deductible and/or OOPM until the larger Family deductible and/or OOPM is met. Once the Family deductible and/or OOPM has been met, the plan will begin payment of services for all members on the contract, regardless of the status of any remaining individual deductible and/or OOPM levels.
