

Medicare Creditable Coverage Determinations

Determinations for Products with an Effective Date in 2017

Only the Rx classifications below impact determination. Contraception, Out of Network, etc do not impact determination.

If there is **no Rx benefit**, then it is **NOT CREDITABLE**.

Medicare products with Rx coverage are CREDITABLE.

Based on analysis performed by Milliman (Exhibits.xlsx received 10/06/2016)

* "S" (single) and "F" (family) are not reflected for High Deductibles in any names below

| Medical Coplan | Medical Coplan As It May Appear In Facets | Metal Level | Pharmacy Benefit Rider | Deductible Rider (Optional) | State | LOB | Company | Product Line | Size | Creditable Coverage Determination | Does Facets show "RX-" in front of form ID |
|------------------|---|----------------|---------------------------|-----------------------------|-------|------|---------|-----------------------------------|-------|-----------------------------------|--|

Medicare Creditable Coverage Determinations

Determinations for Products with an Effective Date in 2017

Only the Rx classifications below impact determination. Contraception, Out of Network, etc do not impact determination

If there is **no Rx benefit**, then it is **NOT CREDITABLE**.

Medicare products with Rx coverage are CREDITABLE.

Analysis performed by Milliman (Exhibits.xlsx received 10/06/2016)

Based on ASO benefits as defined on 8/22/2016. Changes in benefits after this date may require re-analysis.
