Section 5: Authorization (Your signature is required for Enrollments, Changes, or Terminations)

Note: Vermont residents who do not receive Advanced Premium Tax Credit (APTC) or Vermont Premium Assistance (VPA) from the State of Vermont are able to purchase an Individual plan directly through MVP Health Care. You can determine if you are eligible for these subsidies by visiting VermontHealthConnect.gov and selecting *Try Our Decision Tools*. Or visit mvphealthcare.com and using the Subsidy Calculator. If you are eligible, and want to enroll utilizing a subsidy (APTC or VPA), you will need to enroll through the Vermont Health Connect website. If you are not eligible, or eligible but choose to enroll without using any APTC or VPA subsidies, you can enroll directly with MVP Health Care.

Any person who knowingly presents a false statement in an application for insurance may be guilty of a criminal offense and subject to penalties under state law. By submitting this enrollment form and personal information, I confirm that I am the policy holder and authorized to make this decision. I understand that if I enroll directly with MVP, I give up my rights to any tax credits or subsidies. I authorize MVP to submit a cancellation to Vermont Health Connect for any On-Exchange coverage I may be enrolled in through Vermont Health Connect.

Only plans purchased through Vermont Health Connect are eligible for subsidies from the government including advanced premium tax credits (APTC) or cost-sharing reductions (CSR). I understand that I am enrolling in a plan that is **not** eligible for APTC, CSR, or any financial assistance from the government. I understand that the subsidy calculation at mvphealthcare.com is an estimation and not an official determination of eligibility and that it is my responsibility to confirm my official eligibility for subsidies on the Vermont Health Connect website.

I hereby apply for membership in MVP. I hereby consent to the release, use, and disclosure of any medical information about me and any members of my family for whom I can give consent:

- By my primary care provider, any other health care provider, or applicable Vermont regulatory agency to MVP and any health care providers involved in caring for me, as reasonably necessary for MVP or my health care providers to carry out treatment, payment, or health care operations functions, or other functions permitted by, and in accordance with, applicable laws, regulations, and rules. This may include pharmacy and other medical claims information needed to help manage my care;
- By MVP and any health care providers to applicable Vermont regulatory agency and other authorized federal, state, and local agencies for purposes of administering health programs to the extent permitted by, and in accordance with, applicable laws, regulations, and rules; and
- By MVP to my providers or other persons or organizations, as reasonably necessary for MVP or my providers to carry out treatment, payment, or health care operations, or as otherwise and to the extent permitted by, and in accordance with, applicable laws, regulations, and rules.

At any time, I can take away the permission I gave to release information. All I have to do is call the MVP Customer Care Center at the phone number listed on the back of my MVP Member ID card.

I hereby certify that the statements made are true and complete to the best of my knowledge and belief.

Any person who knowingly and with intent to defraud any insurance company or other person files an application for insurance or statement of claim containing any materially false information, or conceals for the purpose of misleading, information concerning any fact material thereto, commits a fraudulent insurance act, which is a crime and may also be subject to a civil penalty.

By including an email address on this Enrollment/Change form, I agree to accept electronic communication unless otherwise required by law.

I have read and agree to this authorization.
