

How to Use the 2020 MVP Health Care® Member ID Card

The 2020 MVP Member ID card is the key to our members' coverage. It is designed to give quick access to the information MVP members and providers need most.

How it works:

- MVP Plan Type**
 This helps our members see if providers in your practice are participating for the plan type using our *Find a Doctor* tool at mvphealthcare.com.
- Subscriber Information**
 Name and ID number for the plan subscriber.
- Dependents**
 Names and ID numbers for any plan dependents.
- Group Information**
 This is where members will find the group number.
- Pharmacy Information**
 This is information to be used by pharmacists.
- Costs**
 Key cost share information such as co-pays or co-insurance.

- Important!**
 This is where members will find our web address and the MVP Customer Care Center phone number.
- Information for Members**
 Helpful contact information for members is included on the top half of the card.
- Information for Providers**
 Important contact information for providers to use.
- Out-of-Area Information**
 The available provider networks, used by providers to price out-of-area or out-of-network claims.
