

MVP Healthy NY

2022 Quarter 2 for Small Groups

Pediatric dental coverage is required under the Affordable Care Act (ACA) for all dependents up to age 19. If you do not currently offer pediatric dental coverage in compliance with ACA requirements, your plan will automatically include this dental coverage with the additional rate. If you do offer adequate pediatric dental coverage, please indicate this on the *Healthy NY Small Group Product Application*.

NoDD: Not subject to deductible

In a family plan with an embedded deductible, each member pays their own, individual deductible. Once an individual has met their deductible, no further deductible is required of them for that plan year. Other family members continue to pay toward their individual deductibles until the family deductible is met.

An embedded out-of-pocket maximum works the same way.
