|---|---|

Section 4: Prescriber's Signature

(*Required)

I attest that this information is accurate and true, and that the appropriate supporting documentation is provided. I understand that requests submitted without this documentation may be denied or delay the review process. I understand that any person who knowingly makes a false statement that is material to a claim may be subject to civil penalties under both federal, and the NYS False Claims Acts. Only the prescriber responsible for the treatment and evaluation of the Member, an authorized agent, the Member, or the Member's authorized representative may initiate a prior authorization or organizational determination.

Prescriber's Signature*

Date*

Payment for services/items dispensed will be denied when prior authorization is not obtained. The Member may not be billed under these circumstances.
