

MVP Training and Attestations: Who, What and When?

Name	Description	Type	Who needs to take this training?	Frequency	Line of business participation	Training and attestation location
Cultural Competency Training for Groups	To best serve the cultural and ethnicity needs of our members, NCQA requires health plans to provide training to Participating Providers on topics of health equity, including cultural competence, bias, diversity, and inclusion.	Training and attestation	Providers at the Group level or sole practitioners	Once per calendar year	All lines of business	Cultural Competency Training for Groups - MVP Health Care
Exclusionary Database Monitoring Attestation	To ensure Medicaid Network compliance, MVP must confirm our Medicaid Provider Network has the appropriate policies and procedures in place regarding exclusionary databases, stating that all Participating Provider employees and staff participate in annual training.	Attestation only	Providers at the Group level or sole practitioners	Once per calendar year	NYS Government Programs	2022 Medicaid Provider Attestation
Dual Special Needs Program (D-SNP)	MVP offers a D-SNP plan for enrolled individuals dually eligible for Medicare and Medicaid in the Capital District, Monroe County, and the Hudson Valley. CMS requires Providers who care for patients in D-SNP plans to complete training.	Training and attestation	Providers who participate in both MVP Medicare Advantage and Medicaid networks	Once per calendar year	MVP Medicare and NYS Government Programs	MVP DualAccess Provider Education - MVP Health Care
