

## **MVP Health Care Pharmacy Guidance for Reject Codes related to Medicaid Non-Enrolled Providers and Pharmacies**

Section 5005(b)(2) of the 21st Century Cures Act requires all Medicaid Managed Care (MMC) network furnishing, ordering, prescribing, referring providers, to be enrolled with State Medicaid programs. This information was previously communicated in the January 2018 New York State (NYS) Medicaid Update Article found here: [www.health.ny.gov/health\\_care/medicaid/program/update/2018/2018-01.htm](http://www.health.ny.gov/health_care/medicaid/program/update/2018/2018-01.htm)

The NYS Medicaid Program has implemented a new policy which requires all MMC network and out-of-network furnishing, ordering, prescribing and referring providers to enroll as a qualified Medicaid provider in the NYS Medicaid Program.

Effective **September 1, 2022**:

If your pharmacy receives the following or similar reject: Reject 889 <<Prescriber Not Enrolled in State Medicaid Program>> you may submit a Submission Clarification Code value '55' to override the reject.

If your pharmacy receives the following or similar reject: Reject 890<<Pharmacy Not Enrolled in State Medicaid Program>> you may submit a Submission Clarification Code value '56' to override the reject.

Please be advised that when an SCC override is used, the pharmacy is certifying that they have validated that the prescriber or the pharmacy is active and valid and can prescribe and dispense medications. The override process may be subject to audit.

If you have any questions, please call the Pharmacy Help Desk at **1-800-364-6331**.
