

2023 Plan Highlights and Changes

New York State Plans

Plan Highlights

Network Strength

A regional network of top providers, hospitals, and pharmacies—and access to over a million providers nationwide on select plans.

24/7 Access to Quality Care, Plan Information & Cost Savings

The *Gia*[®] by MVP mobile app can help reduce the overall cost of care and decrease employee absenteeism by providing access to important care and plan information whenever and wherever they need it.

Gia can be used to get same-day, high-quality virtual primary and multispecialty care from Galileo doctors via text or video chat—no appointments necessary.

New! \$600 Well-Being Reimbursement*

Members can get reimbursed up to \$600 per contract, per calendar year for well-being items, programs, and activities.
