Tips and Best Practices to Help Improve Performance

- ★ Utilize the monthly Gaps in Care Report (GIC) for a list of MVP members who are due for preventive care services.
- ★ Consider utilizing alerts and flags within the electronic medical record (EMR).
- ★ Discuss the importance of early detection and encourage preventive care.
- ★ Document preventive care in the medical record with specific date and results.
- ★ Document medical and surgical history in the medical record and include dates.
- ★ Submit results to your local Regional Health Information Organization (RHIO).
- ★ Use correct diagnosis and procedure codes and submit claims and encounter data in a timely manner.
- ★ Stock patient areas and exam rooms with educational materials such as those found at:
 - [cdc.gov](https://www.cdc.gov)
 - mvphealthcare.com/HealthandWellness
- ★ Visit [cdc.gov/vaccines](https://www.cdc.gov/vaccines) for additional immunization tools and resources.
