

Smile and Save with Comprehensive Dental Benefits

Dental care is key to your overall health. That’s why your UVM Health Advantage plan gives you comprehensive, money-saving dental coverage.

Covered Benefit	Your Cost ¹
Annual Deductible ²	\$100
Annual Maximum Benefit	\$1,000
Preventive Dental Oral exams, routine cleaning, and x-rays	Covered in full Up to two of each service per calendar year
Preventive dental services are not subject to the deductible and do not count toward the annual maximum benefit.	
Routine dental Exams, x-rays, simple extractions, fillings	20%
Oral surgery	20%
Endodontics (root canals)	50%
Periodontics	50%
Prosthodontics Partial dentures, crowns	50%

¹ The amount the plan pays for covered services is based on the maximum allowable amount for each service. Any charges that are more than the allowed amount do not apply toward the plan deductible or annual maximum benefit. If billed by your provider, you must pay the amount of the charge that exceeds MVP’s allowed amount.

² Deductible applies to routine dental care, oral surgery, endodontics, periodontics, and prosthodontics.
